Shepherd,2008 Grammarians have been unable to provide a sufficient explanation for the verbal system of Biblical Aramaic by means of the standard categories of tense and aspect Michael B Shepherd exposes this situation and suggests a way out of the present impasse through distributional analysis by proposing that Biblical Aramaic has a primary verbal form for narration and a primary verbal form for discourse This simple yet comprehensive proposal holds true not only for Biblical Aramaic but also for extra Biblical Aramaic texts This volume is an indispensable resource for courses in Biblical Aramaic and for anyone who wishes to read and understand the Biblical Aramaic corpus The Meaning of the Pentateuch John H. Sailhamer,2010-06-18 Persuaded of the singular vision of the Pentateuch Old Testament professor John Sailhamer searches out clues left by the author and the later editor of the Pentateuch that will disclose the meaning of this great work By paying particular attention to the poetic seams in the text he rediscovers a message that surprisingly brings us to the threshold of the New Testament gospel Our World... God's Story! Pastor Gary Morrison,2023-12-05 We live in a world today where chaos and uncertainty rule the world God s story offers the opportunity to thrive and coexist in our own communities This book offers a chance to help people to connect with God in a relationship that is very different than the fearful world that surrounds us Our World God s Story is about a road that leads to the path of righteousness and the kingdom of heaven Testing the Gospel in the Book of Romans Charles Tarrell,2020-11-16 Supersessionism is deeply rooted in both Roman Catholic and Protestant theology and is as old as the church It is the belief that the church is the new Israel the true Israel and as such has displaced or superseded ethnic Israel Throughout the history of the church it has been commonly held that the covenants God made with Israel and the promises God gave to that nation now belong to the Christian church The supersession controversy is not an obscure theological debate of interest only to a few Biblical scholars

It involves questions of fundamental importance Does the God of the Christian Scriptures keep His promises What are the rules that guide our interpretation of Scripture Is there a connection between Christian theology and anti Semitism in Christian lands The Biblical focus of this controversy is the 11th chapter of the book of Romans There the Apostle Paul courageously addresses the supersession issue Tarrell invites the reader to feast on the riches of Paul s teaching on the atonement Romans 1 8 and to celebrate so great a salvation But he also invites the reader to embrace Paul s teaching about Israel Romans 9 11 God s gift of salvation is precious and is thoroughly explained in the first 8 chapters of Romans But to prove the thesis of the book of Romans Paul tackles the most daunting problem of all the apparent inability of God to fulfill the promises He made to the nation of Israel Bringing up the problem of Israel is a gutsy move But it is the problem that must be addressed

Text Message Ian Stackhouse, Oliver D. Crisp, 2014-03-10 Preaching has fallen on hard times with many questioning its relevance and even its validity as a New Testament practice This symposium of specially commissioned essays draws together an international team of thirteen scholars and pastors to address the importance of textual preaching in the history and life of the early church the historic church and the contemporary church Contributions include essays on Old Testament preaching preaching in Hebrews gender sensitive preaching preaching in the theology of Jonathan Edwards Charles Spurgeon Dietrich Bonhoeffer and in Eastern Orthodoxy It also includes essays on a range of homiletical challenges that textual preaching raises for the contemporary preacher including genre preaching without notes inhabiting the text and preaching without platitudes A final reflection by Dave Hansen on the state of textual preaching rounds out the collection The preaching of the gospel stands at the heart of Christian praxis These essays make a vital contribution to the recovery of the importance of preaching focused on the text of Scripture Written with an eye to the pastor and practitioner as well as those in the pews and in the classroom this is a book that should appeal to a wide range of readers

"Seventy-Sevens Are Decreed" Ron Haydon, 2016-11-04 Few passages in the Old Testament are as enigmatic as Daniel 9 24 27 It makes sense therefore that a myriad of interpretations surround these four verses Expanding on Brevard Childs s brief work on Daniel Haydon responds to this question with a canonical approach to Dan 9 24 27 reading a text that is shaped to include future generations of faithful interpreters The first part lays the groundwork for a canonical approach Whereas most biblical scholars read Daniel 9 through the lens of historical and composition critical tools Childs and his readers frame the chapter within the larger theological message of the book The second section is an interpretation of 9 24 27 in its canonical context doing exegetical and theological work in tandem Daniel 9 24 27 is of course an apocalyptic text leading the reader through the Antiochene crisis and beyond The theology of the chapter however asks us to look back to the Law and the Prophets Leviticus 25 26 and Jeremiah 25 29 are integral to Daniel 9 Traditions begun in the preceding corpora rest sin debt and kingdom Lev 26 34 35 Jer 25 10 12 29 10 14 find their culmination in Dan 9 24 27 Haydon s study brings these texts to bear on the seventy sevens in Daniel 9 24 After a careful study of the phrase s background we discover that the construction

refers to more than a number or even a single event This time image points to a larger pattern of rulership wherein leaders rise and fall vv 25 26 while the Ancient of Days remains the true King Ambiguity also plays a part Daniel 9 24 27 lacks historical detail for a reason namely to create an interpretive space that a faith community can occupy The final form of Dan 9 24 27 is a theological construct allowing multiple generations to live in expectation of God s rule A biblical theology of Daniel 9 24 27 moving into the New Testament and contemporary Christian reception concludes Haydon s study
