Laubhan,2003-12-10 Zach Reynolds had an amazing talent no one could suspect as he grew up in 1960s rural Illinois An autistic savant he was teased for being different from his earliest school days Only upon developing a unique friendship with a spunky neighbor herself an outcast for being a new kid in school did he find a path that would eventually lead to remarkable achievement Bogeymen is about growing up making choices and confronting responsibility It s also about finding friends and losing them about overcoming adversity and sharing adventures with companions who would soon disappear forever down other paths It s a story for everyone who from time to time thinks about how different things were in their youth but mostly how distant and inaccessible those days have become Bogeymen reads like a tour down a winding path of long neglected high school memories I quickly got that feeling summers used to give when it was hard to imagine anything more important than an upcoming weekend party or spending the night at a friend s house The story will appeal to everyone The golf was right on but broken down to its finest parts it isn t any more about golf than it is about football or prom or drama club Ultimately it s about the joy and pain of growing up and the Kodacolor images we collect along the way BOBBY STEINER COLUMNIST AND AUTHOR OF Golf Heart Soul HEAD TEACHING PROFESSIONAL WESTIN MISSION HILLS PETE DYE RESORT COURSE **The Light , Murder in Mount Vernon** Bruce Alterman,2025-07-30 Murder in Mount Vernon Guns Gangsters and Glory is a gripping crime thriller that plunges readers into the dark underbelly of a corrupt city When a seasoned private investigator takes on what seems like a routine workers compensation case he quickly realizes he s stepped into something far more dangerous His investigation unravels a web of organized crime deep seated corruption and murderous gang violence pulling him straight into the crosshairs of the Mafia Inspired by real cases this fast paced thriller exposes the brutal truth behind power and crime in Mount Vernon Packed with suspense shocking twists and unrelenting tension Murder in Mount Vernon is perfect for readers who crave an authentic heart pounding crime novel Buckle up this ride only gets faster with every page **New Books Kids Like** Association for Library Service to Children,2001-05 This is a collection of more than 500 annotated book recommendations Organized around 44 topics considered by the panel to be the most frequently requested this readers advisory guide for children s literature includes titles on everything from dogs and diaries to adventure and science *Lost Youth , The Bravest Pets of Gotham* Peggy Gavan,2024-09-13 In the late 1800s and early 1900s the New York Fire Department permitted firemen to keep one dog one cat or singing birds in their firehouse Since the firemen were required to live and work at the firehouse full time these animal mascots along with the horses that pulled the fire trucks were their constant companions making a dangerous workplace feel more like home The Bravest Pets of Gotham takes readers on a fun historical tour of Old New York sharing touching and comical stories about the bond between FDNY firefighters and their four legged or feathered friends The book contains more than one hundred astonishing emotional and sometimes hilariously absurd tales of the FDNY animal mascots whose extraordinary intelligence acts of bravery and funny antics deserve to be remembered Some anecdotes depict fire companies that broke the one pet

The Philosophy of Love Michael S. Pendergast III,2008-12-23 With a history that of open marriages staggering divorce rates single parent homes shacking up with significant others and living together and often troubled blended families it seems that the option of a happy life long marriage no longer exists in todays secularized feminized world of radical individualism Yet hidden under this shabby veneer most persons still long for something still desire real meaning still feel the pull towards permanence a romantic ideal to be completed It just wont go away This ideal real marriage survives as a dream though this joyful state cannot be found in any of the alternatives available from a secular world thats devoid of absolutes and allows any unhappy permutation Is there any hope There is But it doesnt lie in constantly trying to redefine marriage and consistently failing to make anyones life better It lies in returning to what Sacred Marriage was always meant to be a sacrament of Life That however can only be found if we return to being what we ourselves were always meant to be spiritual beings that are larger than the material world and actually grasp what it means to love and risk loving Want to know how Look inside
