Obras Completas I La Casa De La Presencia:

Obras completas 1 Octavio Paz,1994 Obras completas de Octavio Paz: Excursiones Octavio Paz, **Obras completas de Octavio Paz: La casa de la presencia, poesía e historia** Octavio Paz,1994 *Postcolonial Reconstruction: A Sociological Reading of Octavio Paz* Oliver Kozlarek,2016-08-23 This book presents a close reading of the work of the Mexican writer and Nobel Prize Laureate Octavio Paz It does so from the specific perspective of sociology and the more general perspective of the social sciences The book identifies opportunities for relating Paz sociological ideas to contemporary debates arguing that Paz sociology is linked very closely to his assessment of what could be called the post colonial condition that Mexico has been experiencing The book thus advances the understanding of the differences between post colonial experiences in Latin America and those of other areas of the world In addition to revealing Paz sociology the book focuses on Modernity and examines Paz critique of Modernity and his project of Modernity It shows that a close examination of the works of Octavio Paz helps redefine Modernity from a Latin American perspective as an experience in which the global and local are intertwined and helps to point in the direction of a new kind of humanism **Octavio Paz** Oliver Kozlarek,2015-07-15 Octavio Paz is one of the most recognized Latin American writers His essays offer a sophisticated critique of global modernity Although his work has advanced many of the arguments that orient our contemporary debates in the social sciences and in philosophy it has hardly ever been seriously taken into consideration in these disciplines The volume suggests that this may have been a mistake Its authors indicate ways in which Paz essays can be read as substantial contributions to the contemporary debates in various fields The aim of this book is to present to a non Spanish speaking audience some of the discussions about Paz offerings to the ongoing debates It also wants to make a clear statement a critique of our contemporary modernity must go hand in hand with a non exclusive intercultural understanding of Humanism
