the Light in the Age of Great Awakening Don P. Valeri, 2025-09-15 Many seers mystics astrologers philosophers even theologians have foreseen a new age that is birthing on planet Earth Some call it the Age of Great Awakening which is the term used in this book It will be an age in which spirituality will prevail and not religion politics finance and material gain that now predominate human thinking It will encompass and affect every facet of our lives especially those who currently rule over humanity Why do we have so many Evil corrupt psychopath people ruling over us In this age a new breed or species of Leaders will emerge This book is about those emerging leaders what they will look like how they will behave ethically and what they will have to face and confront in the decades to come A good portion of the book deals with our flawed understanding of leadership and what can be called leadership from the shadows Here the words of Carl Jung are worth remembering In order to know the light we must first experience the darkness And it is this darkness that so many are now living through But as this wise person also said As far as we can discern the sole purpose of human existence is to kindle a light in the darkness of mere being

Technology of the Gods David Hatcher Childress, 2000 *Technology of the Gods* lays out the mind bending evidence that long lost civilizations had attained and even exceeded our modern level of advancement Westerners have been taught that humankind has progressed along a straight line path from the primitive past to the proficient present but the hard fast

evidence literally written in stone proves that the ancients had technologies we cannot even replicate today *Antichrist Osiris: the History of the Luciferian Conspiracy* Chris Relitz,2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood Many cultures also claim that someday the world will again be destroyed in a similar fashion In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event He said that there would indeed a sign Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age The Bible has only a few verses about Noah s Flood So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy But Noah s days did not end with the flood he lived for many years afterward He saw the creation of a tower in Babylon This is interesting because the Freemasons claim that their Order originated here Here is the most thorough examination of Freemasonry ever undertaken using their own texts to solve the Days of Noah prophecy **The Unsettlement of America** Anna Brickhouse,2015 The Unsettlement of America explores the career and legacy of Don Luis de Velasco an early modern indigenous translator of the sixteenth century Atlantic world who traveled far and wide and experienced nearly a decade of Western civilization before acting decisively against European settlement The book attends specifically to the interpretive and knowledge producing roles played by Don Luis as a translator acting not only in Native European contact zones but in a complex arena of inter indigenous transmission of information about the hemisphere The book argues for the conceptual and literary significance of unsettlement a term enlisted here both in its literal sense as the thwarting or destroying of settlement and as a heuristic for understanding a wide range of texts related to settler colonialism including those that recount the story of Don Luis as it is told and retold in a wide array of diplomatic religious historical epistolary and literary writings from the middle of the sixteenth century to the middle of the twentieth Tracing accounts of this elusive and complex unfounding father from the colonial era as they unfold across the centuries The Unsettlement of America addresses the problems of translation at the heart of his story and speculates on the implications of the broader transhistorical afterlife of Don Luis for the present and future of hemispheric American studies [The Mammoth Encyclopedia of the Unsolved](#) Colin Wilson,2012-03-01 Now available in one tremendous volume is a compelling and remarkable history spanning over two thousand years of the greatest unsolved mysteries known to mankind including Atlantis the Bermuda Triangle Bigfoot crop circles crystal skulls the Holy Shroud of Turin the Hope Diamond and other cursed jewels the mystery of the Mary Celeste mummies and their curses poltergeists sea monsters spontaneous human combustion Tunguska and other falling meteors vampires zombies Includes a mystery never examined before the missing maps of Atlantis Colin Wilson is an acknowledged expert in the field of the unexplained and is in constant demand by the media Colin has a track record of proven successes with the Mammoth series including most recently *The Mammoth Book of Murder* **The Mystical Crystal** Geoffrey Keyte,2012-05-31 Awareness of and interest in the therapeutic properties of crystals have grown enormously in the last few years as users have discovered

Ravenscroft records its legend and involvement in the decline of the Roman Empire the Dark Ages and the twentieth century He tells the story of the chain of men who possessed the Spear from Herod the Great to Adolf Hitler and how they sought to change the face of history by wielding its powers for good or evil The Spear of Destiny is identified as the Spear of the Holy Grail mentioned in the sagas of the Dark Ages It is believed the holder of the Spear possesses the power of mind expansion as applicable today as it was at the courts of King Arthur and Charlemagne The final chapters of this book describe a Manichean battle of the worlds behind the changing scene of the twentieth century For the first time the Satanic occult development and faculties of Adolf Hitler are described in authentic and documented detail showing how he furthered his aims and his conquest of the world by black magic Encyclopaedia of the Occult Sciences A.
