Pens Of Many Colours Canadian:

Pens of Many Colours Eva C. Karpinski, 1997-01-01 **Asian Canadian Writing Beyond Autoethnography** Christl Verduyn, 2008-08-14 Asian Canadian Writing Beyond Autoethnography explores some of the latest developments in the literary and cultural practices of Canadians of Asian heritage While earlier work by ethnic multicultural or minority writers in Canada was often concerned with immigration the moment of arrival issues of assimilation and conflicts between generations literary and cultural production in the new millennium no longer focuses solely on the conflict between the Old World and the New or the clashes between culture of origin and adopted culture No longer are minority authors identifying simply with their ethnic or racial cultural background in opposition to dominant culture The essays in this collection explore ways in which Asian Canadian authors such as Larissa Lai Shani Mootoo Fred Wah Hiromi Goto Suniti Namjoshi and Ying Chen and artists such as Ken Lum Paul Wong and Laiwan have gone beyond what Fran oise Lionnet calls autoethnography or ethnographic autobiography They demonstrate the ways representations of race and ethnicity particularly in works by Asian Canadians in the last decade have changed have become more playful untraditional aesthetically and ideologically transgressive and exciting **Immigrant and Ethnic-Minority Writers since 1945** , 2018-07-17 This study analyses how immigrant and ethnic minority writers have challenged the understanding of certain national literatures and have markedly changed them In other national contexts ideologies and institutions have contained the challenge these writers pose to national literatures Case studies of the emergence and recognition of immigrant and ethnic minority writing come from fourteen national contexts These include classical immigration countries such as Canada and the United States countries where immigration accelerated and entered public debate after World War II such as the United Kingdom France and Germany as well as countries rarely discussed in this context such as Brazil and Japan Finally this study uses these individual analyses to discuss this writing as an international phenomenon Sandra R G Almeida Maria Zilda F Cury Sarah De Mul Sneja Gunew Dave Gunning Kristina Iwata Weickgenannt Martina Kamm Liesbeth Minnaard Maria Oikonomou Wenche Ommundsen Marie Orton Laura Reeck Daniel Rothenb hler Cathy J Schlund Vials Wiebke Sievers Bettina Spoerri Christl Verduyn Sandra Vlasta Scandalous Bodies Smaro Kamboureli, 2011-04-07 Scandalous Bodies is an impassioned scholarly study both of literature by diasporic writers and of the contexts within which it is produced It explores topics ranging from the Canadian government s multiculturalism policy to media representations of so called minority groups from the relationship between realist fiction and history to postmodern constructions of ethnicity from the multicultural theory of the philosopher Charles Taylor to the cultural responsibilities of diasporic critics such as Kamboureli herself Smaro Kamboureli proposes no neat or comforting solutions to the problems she addresses Rather than adhere to a single method of reading or make her argument follow a systematic approach she lets the texts and the socio cultural contexts she examines give shape to her reading In fact methodological issues and the need to revisit them become a leitmotif in the book Theoretically

rigorous and historically situated this study also engages with close reading not the kind that views a text as a sovereign world but one that opens the text in order to reveal the method of its making Her practice of what she calls negative pedagogy a self reflexive method of learning and unlearning of decoding the means through which knowledge is produced allows her to avoid the pitfalls of constructing a narrative of progress Her critique of Canadian multiculturalism as a policy that advocates what she calls sedative politics and of the epistemologies of ethnicity that have shaped for example the first wave of ethnic anthologies in Canada are the backdrop against which she examines the various discourses that inform the diasporic experience in Canada Scandalous Bodies was first published in 2000 and received the Gabrielle Roy Prize for Canadian Criticism
