California Novel Brigitte Loos LaPresto, 1988 **Under Osman's Tree** Alan Mikhail, 2019-03-08 Osman the founder of the Ottoman Empire had a dream in which a tree sprouted from his navel As the tree grew its shade covered the earth as Osman s empire grew it too covered the earth This is the most widely accepted foundation myth of the longest lasting empire in the history of Islam and offers a telling clue to its unique legacy Underlying every aspect of the Ottoman Empire s epic history from its founding around 1300 to its end in the twentieth century is its successful management of natural resources Under Osman s Tree analyzes this rich environmental history to understand the most remarkable qualities of the Ottoman Empire its longevity politics economy and society The early modern Middle East was the world s most crucial zone of connection and interaction Accordingly the Ottoman Empire s many varied environments affected and were affected by global trade climate and disease From down in the mud of Egypt s canals to up in the treetops of Anatolia Alan Mikhail tackles major aspects of the Middle East s environmental history natural resource management climate human and animal labor energy water control disease and politics He also points to some of the ways in which the region s dominant religious tradition Islam has understood and related to the natural world Marrying environmental and Ottoman history Under Osman s Tree offers a bold new interpretation of the past five hundred years of Middle Eastern history *Writing and America* Gavin

Cologne-Brookes, Neil Sammells, David Timms, 2016-07-01 *Writing and America* surveys the writing genres that have contributed to the American notions of America Essays from scholars from both side of the Atlantic chart the range of responses to American nationhood from colonial times to the present and include dissenting responses from communities such as native American black and feminist writers Case studies from writers such as James Fenimore Cooper and William Carlos Williams provide a framework for discussions on topics such as colonial notions of America as the promised land the discourses of nationhood in the republic the sense of nationhood in American historiography and the formation of the American Canon *Draws upon extracts from the American Bills of Rights and the Constitution as examples of different types of writing* **Locating Southeast Asia** H.G.C. Schulte Nordholt, R. Raben, 2020-06-22 Southeast Asia calls to mind a wide range of images tropical forests and mountains islands and seas and a multitude of languages cultures and religions The area has never formed a unified political realm nor has it ever developed a cultural or civilisational unity Many academics have

defined Southeast Asia over the years as what is left after subtracting Australia the South Pacific islands and China and India Others have pointed at diversity the variety and fluidity of the cultures wide ranging forms of economic activity and openness to external influences as the defining feature of the region But with area studies out of fashion is Southeast Asia even relevant any longer This volume considers Southeast Asia drawn from a number of regional and disciplinary perspectives The authors look at the region from the standpoint of Thailand and the Philippines Singapore and Hong Kong Japan and the Asian mainland the South China Sea and the seacoasts of the region They also discuss the significance of borders monetary networks transnational flows of people goods and information and knowledge in shaping Southeast Asia both for its residents for the scholars who study it and for the wider world *Rural* Michael Woods, 2010-10-18 This excellent book delivers an up to date reading of the current literature in rural geography It provides a commentary on the theoretical development of rural studies and is supported by apposite case studies *Rural* conveys the excitement diversity and depth of rural geography to students in a challenging but clear manner enabling them to engage successfully with the discipline at an advanced level Dr Richard Yarwood University of Plymouth UK
