

The background of the book cover is a dark, atmospheric illustration. It depicts a man with a beard and a woman kneeling in prayer. The man is standing, holding a long staff or scepter, and looking down at the woman. The woman is kneeling, her hands clasped in prayer. The scene is set in a dark, possibly underground or cavernous, environment with some light filtering through. The overall tone is somber and reflective.

created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God **The Mormon**

Mirage Latayne C. Scott, 2010-08-03 In the first edition of *The Mormon Mirage* Latayne C. Scott shared her remarkable journey out of Mormonism as she uncovered shocking inaccuracies, inconsistencies, and contradictions in the faith she had loved and lived. Thirty years later, Mormonism and Mormon scholarship have evolved with the times. In this third revised and updated edition of her well-known book, Scott keeps pace with changes and advances in Mormonism and reveals formidable new challenges to its claims and teachings. *The Mormon Mirage* provides fascinating, carefully documented insights into DNA research's withering implications for the Book of Mormon, the impact of new revelations on Latter-day Saint LDS race relations, new findings about Mormon history, increasing publicity about LDS splinter groups, particularly polygamous ones, recent disavowals of long-held doctrines by church leadership, the rise of Mormon apologetics on the Internet. More than a riveting insider's scrutiny of the Mormon faith, this book is a testimony to the trustworthiness of Scripture and the grace of Jesus Christ.

Perspectives on Latter-day Saint Names and Naming Dallin D. Oaks, Paul Baltes, Kent

Minson, 2023-03-01 *Perspectives on Latter-day Saint Names and Naming* approaches cultural, historical, and doctrinal dimensions of The Church of Jesus Christ of Latter-day Saints through a fresh lens that explores how these dimensions intersect with names and naming. Featuring a collection of chapters from multiple authors, its bipartite structure examines fascinating topics in relation to the Church, looking first at cultural and historical perspectives before analyzing doctrinal and scriptural perspectives. The book discusses such matters as how contemporary naming practices of Latter-day Saints compare to those outside the faith, how code names were used in one of the faith's books of scripture to protect Church leaders from persecution, and how names and naming relate to the covenant identity of Church members. Through its fresh approach to understanding religious identity and belief in relation to The Church of Jesus Christ of Latter-day Saints, this book is an invaluable resource for scholars and students of Mormon studies and will also be of interest to people with a fascination with names and naming issues as those occur in a variety of settings, including religious ones.
