Reflections Of A Siamese Twin Canada At The End Of The Twentieth Century

John MacFarlane

Reflections Of A Siamese Twin Canada At The End Of The Twentieth Century:

Reflections of a Siamese Twin John Ralston Saul, 1998 In *Reflections of a Siamese Twin* Saul turns his eye from a reinterpretation of the Western world to an examination of Canada itself Caught up in crises political economic and social Canada continues to flounder unable to solve or even really identify its problems Instead we assert absolute differences between ourselves we are English or we are French Natives or Europeans early immigrants or newly arrived from the east or from the west Or we bow to ideologies and deny all differences in the name of nationalism unity or equality In a startling exercise in reorientation John Ralston Saul makes sense of Canadian myths real false denied and reconciles them with the reality of today s politics culture and economics

Reflections Of A Siamese Twin John Ralston Saul, 1998-10-20 In *Reflections of a Siamese Twin* Saul turns his eye from a reinterpretation of the Western world to an examination of Canada itself Caught up in crises political economic and social Canada continues to flounder unable to solve or even really identify its problems Instead we assert absolute differences between ourselves we are English or we are French Natives or Europeans early immigrants or newly arrived from the east or from the west Or we bow to ideologies and deny all differences in the name of nationalism unity or equality In a startling exercise in reorientation John Ralston Saul makes sense of Canadian myths real false denied and reconciles them with the reality of today s politics culture and economics

In Search of Canadian Political Culture Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation *In Search of Canadian Political Culture* offers a bottom up regional analysis that challenges how we think and write about Canada

Canadian Society in the Twenty-First Century, Fourth Edition Trevor W. Harrison, John W. Friesen, 2021-03-03 Confederation may have established Canada s nationhood in 1867 but the relationships framing Canada s modern existence go back much further Employing a unique socio historical perspective *Canadian Society in the Twenty First Century* examines three formative relationships that have shaped the country Canada and Quebec Canada and the United States and Canada and Indigenous nations Now in its fourth edition this engaging text offers students an overview of Canadian society through a series of connections rather than a collection of statistics Trevor W Harrison and John W Friesen weave together complex aspects of the nation s economic political and socio cultural development They guide readers to use this interdisciplinary framework to consider some of the tough questions that Canada is likely to face in adjusting to demands and challenges in the next few decades Reflecting the most current scholarship in the field this revised edition features new discussions on issues such as the current crisis of neo liberal globalization Canada s petroleum industry global warming the Wet suwet en dispute in 2020 and the COVID 19 pandemic Exploring the unique

character of Canada today this text is a vibrant resource for sociology courses on Canadian society as well as courses in Canadian studies and Canadian history **The Crown and Canadian Federalism** D. Michael Jackson, 2013-08-31

Following Queen Elizabeth II's historic Diamond Jubilee in 2012 there is renewed interest in the institution of the Crown in Canada and the roles of the queen governor general and lieutenant governor Author D Michael Jackson traces the story of the monarchy and the Crown and shows how they are integral to Canada's parliamentary democracy *Globalisation, Trade Liberalisation, and Higher Education in North America* C.W. Barrow, S. Didou-Aupetit, J. Mallea, 2012-12-06 Since the mid 1970s economic and educational developments in Canada Mexico and the USA have been influenced by two parallel trends 1 the resurgence of global economic competition and 2 the active promotion of knowledge intensive service based economies Both trends have been reinforced by the liberalisation of international trade under the rubric of the General Agreement on Tariffs and Trade GATT and the World Trade Organisation WTO The North American Free Trade Agreement NAFTA has accelerated these trends in all three countries by providing the framework for an integrated regional economy in North America designed to compete against comparable trading blocs centred in Japan and the European Union The purpose of this study is to examine the developing relationship between trade liberalisation post industrialisation and higher education in Canada Mexico and the USA The larger trends and linkages that we identify are by no means confined to these three countries We have chosen to focus on Canada Mexico and the USA because the adoption of the North American Free Trade Agreement has accelerated the development of economic policies in these countries which identify higher education as a central component of each country's new competitiveness strategy As a consequence government policy makers and higher education decision makers are responding with targeted initiatives to promote the internationalisation of higher education generally and to promote trilateral co operation among North American higher education institutions specifically

Triquet's Cross John MacFarlane, 2009-09 In Triquet's Cross John MacFarlane tells the story of Paul Triquet a French Canadian soldier who was awarded the Victoria Cross for bravery in the battle for Casa Berardi during the Second World War **Extradition between Canada and the United States** Gary Botting, 2021-10-01 The tumultuous relationship between the United States and Canada's extradition systems their histories and all of the issues conflicts and controversies are here in this richly detailed colorful text The book is especially valuable today given the global response to the events of September 11 2001 and the United States war on terrorism which has had a dramatic impact on the way Canada and the US conduct extradition procedures between one and other The author examines the most crucial extradition cases from the 19th to the 21st century including cases arising out of World War II the civil rights era and recent terrorist activities Amongst the highlights are detailed analysis of Attitudes towards extradition in North America from initial reluctance to extradite to the negotiation of the Jay Treaty 1794 which had a rudimentary extradition provision The period of the greatest development of extradition law which occurred at the beginning of the twentieth century The consolidation of extradition procedure towards

a period of assertion of pre eminent executive discretion a devolution characterized by an eventual breakdown in cooperation between Canada and the United States in extradition matters after the Second World War The extent to which extradition dried up until 1971 when a new extradition treaty between Canada and the United States was negotiated along with innovative procedures for improving cooperation in handling extradition requests on both sides of the border The Treaty of Extradition Between the Government of Canada and the Government of the United States ratified in 1976 as amended in 1988 and 2003 which provides rules governing seizure and sufficiency of evidence arrest and provisional arrest encourages mutual cooperation between the executive authorities of the two nations and in theory at least provides a modicum of protection for individuals caught up in extradition proceedings Current legislative scheme in Canada s Extradition Act 1999 showing the ways in which executive discretion has been expanded and judicial discretion diminished in virtually every level The shifting sands of extradition law from the perspective of the twenty first century including the ramifications of extraditing alleged terrorists to face justice in a shaken and bestirred America This work will be valuable for anyone working on the myriad extradition cases now existing between the United States and Canada or for those interested in acquiring an understanding of certain historical differences between these North American neighbors Published under the Transnational Publishers imprint

The Politics of Civil-Military Cooperation C. Ankersen, 2014-09-09 Ankersen examines Canada s civil military cooperation efforts in Kosovo Bosnia and Afghanistan through the lens of Clausewitz s Remarkable Trinity The book reveals how military action is the product of influences from the government the armed forces and the people at home

If It Was Not For Terrorism Banu Baybars Hawks, Lemi Baruh, 2011-07-12 If It Was Not for Terrorism Crisis Compromise and Elite Discourse in the Age of War on Terror aims to investigate questions regarding the hegemonic power that is exercised by elites and mass media through the discourse of War on Terror The chapters in the volume provide case studies from a wide variety of geographies to debate questions regarding the construction of the meaning of terrorism communication of collective identities and otherness and media frames regarding the War on Terror civil liberties and government restrictions In bringing this collection together it was the editors intention to provide a venue for discussion of expressions and diverse concerns around the themes of media and terrorism from international and interdisciplinary perspectives The edited volume is divided into two parts The first part focuses on elite discourse about the definition of terrorism and discursive strategies involved in construction of us vs others The second part of the volume investigates issues related to media framing of the compromises that are deemed necessary for success in the War on Terror At the same time several chapters of this part also identify opportunities for resistance to hegemonic discourse
