Reflections Of A Troubled Journey:

Troubled Journey Levi A. Nwachuku, G. N. Uzoigwe, 2004-02-09 Troubled Journey Nigeria Since the Civil War probes into Nigeria's unique experience as modern African state. It pulls together a talented group of Nigerian historians writing on Nigeria since Independence Day on October 1, 1960 through the devastating Civil War of 1967-1970 into present day. This book is a major contribution to the on-going debate about how the country can best be politically restructured and socio-economically reformed.

Reflections at Journey's End York County Bar Association, 2018-11-30 A compelling series of insightful biographical sketches of the men and women of the York County Bar commencing eleven years before the start of the Civil War as recounted by contemporaries and colleagues. Candid, sincere, honest and on occasion with a touch of comic relief, these memorial minutes are tributes to those who have made their rendezvous with mortality. Found within these volumes is the venerable Jeremiah S. Black who walked the corridors of national recognition during the Civil War era; the urbane and brilliant Herbert B. Cohen who wielded substantial political power throughout the commonwealth and rose to become an associate justice of the Pennsylvania Supreme Court; and the charismatic Harvey Gross whose superb advocacy in the third Hex trial and subsequent twenty-year tenure on the York County Orphans Court placed him in the forefront of the princes of Anglo-Saxon jurisprudence. This callout of the giants in no way diminishes the significance, commitment, and integrity of the many other remarkable individuals who came after and counseled and inspired others to live honestly, to exercise compassion, and to act with prudence and diligence. Above all else, they made their contribution to the vast and diverse panorama of our humanity. Not a typical memoir or story, these memorial minutes constitute the defining epic of the York County Bar. More than history, more than recitals of character and personality, and more than delightful encounters and more somber content, they are about individuals remembered for the richness and power of their hopes, achievements, and commitments to the timeless values of the life of the law.

Reflections on Play Therapy David Le Vay, 2024-08-06 This book explores an extensive range of questions and challenges within the training theory and practice of play therapy with the aim of providing a stimulating and thought-provoking debate around many of the issues and dilemmas therapists experience. Drawing upon the author's own experience as both a therapist and trainer, educator, supervisor, the volume grapples with questions of power, privilege, self-care, and mental health. It additionally addresses the wider challenges and impact of the Covid-19 pandemic, climate change, and international conflict upon practice and personhood. Questions around training are explored as well as specific practice challenges relating to managing limits and boundaries within play therapy and working with adopted children. Throughout the book, the author will reflect upon aspects of personal and clinical experience, sharing something of his own developmental narrative through training, teaching, and practice. Reflections on Play Therapy will serve as a core text for trainee play therapists and also a valuable resource for any experienced clinicians working therapeutically with children, young people, and families.
