Reflections on My Call to Preach Fred B. Craddock, 2009 Travel with revered preacher and author Fred Craddock through his early years as he considers what made him take to the pulpit For some reason I felt I had to say Yes or No to the ministry so I could feel free again My siblings and friends talked almost casually about options and preferences as to careers but with no evident sense of urgency Not so with me I did not then nor do I now know whether the burden of choice was a trait of personality a kind of super conscientiousness whether the calling to ministry itself carried a weight a burden peculiar to the task itself Rightly or wrongly when I thought of possibly becoming a journalist that would be a choice 100 percent mine When I considered becoming a minister that was not totally my decision I was responding to God's will for me Of course I had been told that journalists lawyers teachers merchants farmers all could understand their lives as a vocation a calling but what I am telling you is that I perceived I felt I experienced the idea of being a preacher as different and that difference was sobering even burdensome That's why advice

about not being in a hurry taking my time was not helpful even if wise If it was my decision why could I not make it now if it was God s decision why did not God tell me or at least tell my father or my mother I prayed for the ache to leave me Excerpt from Reflections on My Call to Preach *Spiritual Reflections* Doris Nickles,2010-02 My book consists of a number of short writings based on the ability to communicate with spirit and how it has helped me to understand my journey through life and all it s events I write of understanding natural law and the balance of nature personal responsibility and retributions in all doings I write of examples of how this understanding has helped me what I have discovered in being a positive person and living a positive life I also draw attention to healing energies and assisting self to heal the heart mind and soul Helping to direct a positive outlook on life and its events I feel anyone who reads my book will find they can identify in some way with the experiences I share and the messages derived from these writings **From Wilderness to Wisdom: Reflections on the Journey to Maturity** Pasquale De Marco,2025-07-25 From the depths of our being we embark on a journey of introspection and growth with From Wilderness to Wisdom Reflections on the Journey to Maturity This profound guide invites us to embrace the unknown confront our shadows and cultivate a deep understanding of ourselves one step at a time Within these pages we explore the power of solitude embracing it as a sanctuary for self discovery and rejuvenation We delve into the transformative journey of forgiveness learning to release the burden of the past and find healing and inner peace Self compassion becomes our guiding light teaching us to love and accept ourselves unconditionally The art of non attachment liberates us from the clutches of materialism and emotional dependence empowering us to find true fulfillment within Mindfulness becomes a beacon of awareness illuminating the present moment and reducing stress and anxiety Gratitude transforms our perspective revealing the abundance that surrounds us and fostering a deep sense of joy and contentment We embark on a journey of living in alignment with our values and purpose making choices that honor our authenticity and creating a life that resonates with our deepest aspirations The journey of integration embraces both darkness and light fostering a profound wholeness within Integrating past experiences into the present we gain wisdom and compassion Finding unity in diversity we celebrate the beauty of our differences Achieving self actualization we live lives of purpose leaving a legacy of wisdom and growth for generations to come From Wilderness to Wisdom is a tapestry of insights and reflections a companion for those seeking to navigate the complexities of life with greater awareness resilience and purpose Through its thought provoking chapters and engaging topics this book empowers us to embrace the unknown cultivate inner growth and live a life of meaning and fulfillment If you like this book write a review **Jonathan Edwards and Hebrews** Joseph T.
