Monique,2022-03-27 Healing is a process a personal process that encompasses individual strength behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can t recognize God s answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God s Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God s love is revealed and

supported by scripture In Notes of Encouragement we find God's word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God's word soothing our decisions discretions and renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged
