Teaching Literature as Reflective Practice Kathleen Blake Yancey, 2004 Teaching Literature as Reflective Practice speaks to all those teachers who teach the gen ed literature course that their students must take to complete a general education or core curriculum requirement These students the 95 percent who are not English majors are the students we hope will become active and reflective members of a reading public Given this goal Kathleen Blake Yancey outlines a course located in

reflective practice and connected to readings in the world The course invites students to theorize about their own reading practices about how literature is made and about texts and their relationships to culture more generally Such a course also encourages students to think about what places and occasions in the world are poetic about the role of not understanding in coming to understand literature and about technological forms of literacy such as multimedia pop ups that link associatively to multiple contexts In addition to cogent reflections on the realities of lived delivered and experienced curricula Yancey defines illustrates and analyzes two kinds of literature portfolio print and electronic and shows how each fosters a particular kind of learning and leads to specific assessment practices

Reflections on Literature and Culture Hannah Arendt, 2022 As one of the foremost public intellectuals of the twentieth century Hannah Arendt is well known for her writings on political philosophy Less familiar are her significant contributions to cultural and literary criticism This edition brings together for the first time Arendt's reflections on literature and culture The essays include previously unpublished and untranslated material drawn from half a century of engagement with the works of European and American authors poets journalists and literary critics including such diverse figures as Proust Melville Auden and Brecht Intended for a wide readership this volume has the potential to change our view of Arendt by introducing her not only as one of the leading political theorists of her generation but also as a serious committed and highly original literary and cultural critic Gottlieb's introduction ties the work together showing how Arendt developed a form of literary and cultural analysis that is entirely her own
