Wake Up, Canada C. W. Peterson, 2017-09-18 Excerpt from Wake Up Canada Reflections on Vital National Issues There seems to be somewhere an unwritten law to the effect that no man shall write a book on any subject upon which he is not a recognised authority This rule of course is frequently and painfully violated It is going to be agrantly transgressed in this case Much Of what appears in the following pages has doubtless been said before and probably much more effectively than I am able to say it The whole contents are merely random reflections on leading political and social questions Of the day If I have any apology to Offer for inflicting these upon the public in book form it is that I have perhaps enjoyed somewhat exceptional opportunities in the course Of a wildly varied career Of Observing many Of these problems from more than one angle About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
