Dominique-René De Lerma

Reflections On Afro American Music:

Reflections on Afro-American Music Dominique-René De Lerma, 1973 There is a resistance in White America to accept overtly the qualities of Black art even though some aspects of this art has been absorbed into mainstream White American therefore something had to be done to turn Black music into art cast in a form which German oriented audiences would understand This book is an effort to undo this framework of thought and establish the legitimacy of Black art particularly in the arenas of education and music
