Reflections On Revival

Debra Perkins Adams

Reflections On Revival:

Reflections on Revival Charles Grandison Finney, Donald W. Dayton, 1845 After more than twenty years of revival ministry America's greatest evangelist had accumulated knowledge of spiritual awakenings their implications and excesses perhaps exceeding that of almost anyone in Christian history This aggregate wisdom on the subject was first presented to the reading public in the form of a series of 32 open letters printed on the pages of the Oberlin Evangelist in 1845 Some were recently reproduced in a volume titled *Revival Fire* But fifteen of the original letters did not find their way into that book In your hands you have all thirty two of the invaluable epistles of the incomparable preacher Back cover *Letters on Revival* Charles G. Finney, 1845 Revivals of religion have been gradually becoming more and more superficial All the phenomena which they exhibit testify to this as a general fact There is very much less deep conviction of sin and deep depth of humility and much less strength in all the graces exhibited by converts in late revivals than in the converts from the revivals which occurred about 1830 and 1831 and for some time previous I have observed as have others also that revivals are of much shorter duration and that a reaction comes on much more suddenly and disastrously than formerly Also that fewer of the converts make stable and efficient Christians that those who do persevere appear to have less of the Spirit of Christ than in former revivals not so much of the spirit of prayer and are not so modest and humble In short all the phenomena of the more recent revivals judging from my own experience and observation and from the testimony of other witnesses show that they have at least very extensively taken on a much less desirable type than formerly Christians are much less spiritual in revivals much less prevalent in prayer not so deeply humbled and quickened and thoroughly baptized with the Holy Ghost as they were formerly These statements I do not suppose to be universally applicable to modern revivals but I do believe them to be applicable generally As revivals now exist I believe ministers are not nearly as desirous of seeing them in their congregations as they formerly were nor have they good reason to be Those ministers who have witnessed none but the later revivals of which I speak are almost afraid of revivals They have seen the disastrous results of modern revivals so frequently that they honestly entertain the doubt whether they are upon the whole desirable Those as I have good reason to know who saw the revivals which occurred ten or twenty years ago greatly prefer revivals of that type They are distressed with the superficiality of many recent revivals I make this as a general not a universal remark and state only my own opinion of public sentiment I have often heard it said both among ministers and private Christians we long to see the days return when we shall have such revivals as we saw years ago I have been anxiously watching the progress of things in this direction and inquiring as carefully and prayerfully as I could into the causes which are operating to produce these results If I am not misinformed and have not greatly misapprehended the case the following will be found among them *Reflections on Revival!* Frederick Julius Huegel, 2015 **Reflections on Self Psychology (Psychology Revivals)** Joseph Lichtenberg, Samuel Kaplan, 2014-01-27 Originally published in 1983 *Reflections on Self Psychology* records the development of a powerful initiative to alter

psychoanalytic theory and practice and an evaluative questioning of this initiative. It presents a dialogue that developed at the Boston Symposium of 1980 between vigorous proponents of self psychology, equally energetic critics, and many participants between these polar positions. This book attempts to capture within its pages not only the content of what was presented, explored, and evaluated in Boston, but also a sense of the people, about 1,000 strong, who exchanged their ideas on and off the podium and the remarkable spirit of open inquiry that invigorated these proceedings. The book, as was the meeting, is organized to explore four subjects: the development of the self, infant research, the implications of self psychology for psychoanalytic practice, self psychology and psychotherapy, and the implications of self psychology for psychoanalytic theory. The final section of the book is devoted to an essay by Heinz Kohut that provides an integrated response to the issues and criticisms raised in the course of the symposium. This essay, while based on extemporaneous responses by Kohut during different phases of the meeting, is in its written version a cohesive, carefully revised and edited statement prepared in the mellowing period following the meeting and before Kohut's untimely death.

[A Legacy of Preaching, Volume Two---Enlightenment to the Present Day](#) Zondervan, 2018-11-13. [A Legacy of Preaching, Volume Two: Enlightenment to the Present Day](#) explores the history and development of preaching through a biographical and theological examination of its most important preachers. Instead of teaching the history of preaching from the perspective of movements and eras, each contributor tells the story of a particular preacher in history, allowing these preachers from the past to come alive and instruct us through their lives, theologies, and methods of preaching. Each chapter introduces readers to a key figure in the history of preaching, followed by an analysis of the theological views that shaped their preaching, their methodology of sermon preparation and delivery, and an appraisal of the significant contributions they have made to the history of preaching. This diverse collection of familiar and lesser-known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years. By looking at how the gospel has been communicated over time and across different cultures, pastors, scholars, and homiletics students can enrich their own understanding and practice of preaching for application today. Volume Two covers the period from the Enlightenment to the present day and profiles thirty-one preachers, including Charles Simeon by Darrell Young, Robert Murray M'Cheyne by Jordan Mark Stone, Alexander Maclaren by R. Scott Pace, Catherine Booth by Roger J. Green, Charles Haddon Spurgeon by Thomas J. Nettles, Rodney Gipsy Smith by Bill Curtis, George Liele by Terriel Byrd, Charles Finney by Robert W. Caldwell III, John Jasper by Alfonza W. Fulwood, and Robert Smith Jr. by Henry Ward Beecher by Michael Duduit, John Albert Broadus by Hershael W. York, Phillips Brooks by Charles W. Fuller, D. L. Moody by Gregg L. Quiggle, B. H. Carroll by Robert Matz, and Jerry Sutton. Billy Sunday by Kristopher K. Barnett, Karl Barth by William H. Willimon, Dietrich Bonhoeffer by Keith W. Clements, D. Martyn Lloyd Jones by Carl Trueman, John Stott by Greg R. Scharf, Harry Emerson Fosdick by Dwayne Milioni, R. G. Lee by Charles A. Fowler, Aimee Semple McPherson by Aaron Friesen, W. A. Criswell by David L. Allen, Gardner C. Taylor by Alfonza W. Fulwood, and Robert Smith Jr.

Billy Graham by John N Akers Martin Luther King Jr by Alfonza W Fulwood Dennis R McDonald and Anil Sook Deo Adrian Rogers by Daniel L Akin and Bill Curtis E V Hill by Dante D Wright I Jerry Falwell by Edward E Hindson J I Packer by Leland Ryken and Benjamin Hernandez Volume One available separately covers the period from the apostles to the Puritans and profiles thirty preachers including Paul Origen of Alexandria Augustine of Hippo Francis of Assisi Martin Luther Jonathan Edwards John Wesley George Whitefield and more **History of Revivals of Religion in the British Isles, Especially in Scotland** Mary Grey Lundie Duncan,1836 [Daily Reflections of Life](#) Debra Perkins Adams,2022-11-22 The information about the book is not available as of the moment *History of Revivals of Religion in the British Isles, especially in Scotland. By the author of the "Memoir of the Rev. M. Bruen" [i.e. Mary Lundie, afterwards Duncan, the elder]. afterwards DUNCAN LUNDIE (the Elder., Mary),1836* *History of the revivals of religion in the British isles, especially in Scotland ,1836*

Revival Miscellanies; containing twelve revival sermons, and thoughts on entire sanctification, revival preaching ... Twenty-fourth thousand James CAUGHEY,1854 **All Things New** Pete Hughes,2020-02-01 God is on a mission to make all things new from the fashion industry to the business community from politics to education and from entertainment to media and the arts God's burning desire is to bring restoration to every sphere of society Starting in Genesis and working through the Scriptures All Things New will take you on a journey into the very heart of God and His relentless passion to redeem lives heal the nations rewire the culture and bring renewal to all of creation As we immerse ourselves in the greatest story ever told we find our ultimate sense of belonging our purpose in the present and our hope for the future We become actors in this unfolding drama pushing forward God's purposes for the world and joining His mission to make all things new **Festschrift in honour of Allan Boesak** Charles Daniel Flaendorp,Nathan Carolus Philander,Mary Anne Plaatjies van Huffel,2016-10-10 Allan Aubrey Boesak renowned theologian anti apartheid activist and politician turned 70 on 23 February 2016 and in his honour a number of his friends colleagues and students contributed to this festschrift These essays can be regarded as academic commentary impressionistic overviews or brief notes on the life and work of Allan Boesak For much of his public life Boesak has been a controversial figure for the politically oppressed during the apartheid years he represented their anger and resistance for the politically dominant he was an irritant a troublesome preacher The contributors write with unconcealed admiration about Boesak's theological and political activism leadership eloquence and intelligence His life and his formation as a black liberation theologian are recounted often framed by the contributor's view of his prophetic calling **Edwards on Revivals; containing a Faithful Narrative ... Also, Thoughts on the revival of religion ... with introductory preface by ... J. A. James. Revised, with notes and introduction, by W. Patton** Jonathan Edwards,1839 **Reflections on the Revolution in Europe** Christopher Caldwell,2009-04-30 Why has Europe's half century of mass immigration failed to produce anything resembling the American melting pot Deadly terrorist attacks and rioting in Muslim neighbourhoods have now forced Europeans caught up in a

demographic revolution they never expected to question its success and to confront the limits of their long held liberal values By overestimating its need for immigrant labour and underestimating the culture shaping potential of religion has Europe trapped itself in a problem to which it has no obvious solution Christopher Caldwell has been reporting on the politics and culture of Islam in Europe for over a decade In his provocative and unflinching book *Reflections on the Revolution in Europe* he reveals the anger of natives and newcomers alike He describes asylum policies that have served illegal immigrants better than refugees He exposes the strange interaction of welfare states and Third World traditions the anti Americanism that brings natives and newcomers together and the arguments over women and sex that drive them apart And he examines the dangerous tendency of politicians to defuse tensions surrounding Islam by curtailing the rights of all Based on extensive reporting and offering trenchant analysis *Reflections on the Revolution in Europe* is destined to become the classic work on how Muslim immigration permanently reshaped the West

Mutual Reflections Milly Heyd,1999 This text examines the mutual relationship between Jews and African Americans through visual art It investigates how artists of both backgrounds have viewed each other in the past how visual languages and thematic concerns have changed to reflect different issues of concern to each group

If My People Eric D. Hilton,2020-07-17 In this day and age of hyperactivity it is easy for us to mistake action for anointing and volume for presence However a chicken with its head cut off has action but it is not very healthy you could say thou hast a name that thou livest and art dead Revelation 3 1 Revival is our answer to all that ails the church but have we been so long without revival that we no longer desire it *If My People* is a book designed to open our hearts and minds to what the Psalmist meant when he said Wilt thou not revive us again that thy people may rejoice in thee Psalm 85 6 Our only hope is revival but what is it What does it look like Why do we need it and What can I do This little book answers these questions and much more This little book puts us on the right path for a full out bona fide revival

Reflections on Socialism in the Twenty-First Century Claes Brundenius,2020-02-27 In this volume the authors reflect on the question what is socialism as it pertains to today s economy There is particular emphasis on democratic socialism models as a potential alternative to classic authoritarian socialism A number of topical questions are addressed such as What is democratic socialism and is it feasible or even viable What can be learnt from existing democratic socialist experiences What would an ideal democratic socialist society look like today Under what circumstances and where could such a model emerge today In exploring these questions several themes arise within these chapters such as the role of socialist values and inspirations in capitalist societies and how capitalism and socialism relate to the knowledge economy The contemporary world is showing many contradictions with uncertain future scenarios that preoccupy mankind The global capitalist system as we know it is in deep crisis and some even predict its slow death because of its inability to handle the environmental imperative At the same time classic socialism as experienced in the Soviet Union and its proxies is a stone dead alternative to capitalism today So what options remain The book considers this question as it examines a range of countries where

socialism in one form or another has arisen or where democratic socialism could be possible including Brazil Chile Cuba Sweden and the United States **Reading Jonathan Edwards** M.X. Lesser,2008-02-13 This compilation of reader response to Jonathan Edwards spanning 276 years includes a reprint of two earlier works Jonathan Edwards A Reference Guide 1981 and Jonathan Edwards An Annotated Bibliography 1994 and the publication of a third a gathering of commentary from 1994 to 2005 Nearly 140 essays have been added to the first and second works while the last new gathering which includes a celebration of the tercentenary of Edwards s birth adds another 700 to the whole The text preserves the pattern of arranging items alphabetically within a given year and of recording cross references Essays in a collection are annotated serially rather than alphabetically Each of the three sections is self contained with an introduction and annotated bibliography of its own Adding to the immense value of this work to Edwards scholars are the chronology of Edwards s works listed by date and by short and long title which precedes the entire work and the three comprehensive indexes of authors and titles of subjects and additions to the previous volumes **Reflections on Big Spring** David McNellis,2010 Reflections on Big Spring is a thoughtfully researched highly readable celebration of the rich heritage of the Genesee River Valley Pittsford NY and the Big Spring that drew generations of Americans to the area The Seneca Tribe who lived in the Genesee River Valley for five centuries were the fighting elite of the Iroquois Confederacy The author chronicles the series of seminal decisions that led to the gradual displacement and ultimate downfall of these proud indigenous people New Englanders immigrated to the great frontier of western New York State in the early 19th century seeking the well publicized agricultural el dorado These pioneers were of hearty stock and by nature strong willed risk takers From both of these sturdy gene pools came generations of brave war heroes inspirational politicians compassionate humanitarians civil rights leaders creative inventors and revolutionary entrepreneurs Their influence has been substantial not just locally but throughout the state the country and the world Follow the lives of resident humanitarians Frederick Douglas and Susan B Anthony as their inspired civil rights efforts make history Consider the courage displayed by lesser known local heroes who farmed taught school or ran stores during the day and became conductors on the area s Underground Railroad after dark Oral histories of secret passages tunnels caverns and hidden rooms take readers on the last 100 miles to freedom ride Seamlessly woven throughout the text are fascinating facts that define the uniqueness of the Genesee River Valley While closely tied to its agricultural roots the area is home to several of the world s most prestigious business enterprises and was the birthplace of a wide variety of revolutionary technologies business strategies and labor management practices Discover how Genesee Valley residents shared amateur photography xerography the UPC label self service groceries white hot and cream style mustard with the world

Reflections and Poetry to Ponder Diane Hicks White,2009-08 My poetry can best be described as a personal journey lived through depression From childhood through adulthood I have existed with depression I have always enjoyed reading and so with reading the idea of writing poetry came to mind Being able to express my emotions has played a big part on my road to

recovery Seeing people like myself has helped me give more understanding of how depression affects the mind Through my poetry I have been able to talk of these emotions through faith in others who have helped me and through my faith in God who has never left me I try to end my poetry not in negativity but with a purposeful emotion that will give the reader hope a hope that he or she will someday reach that pinnacle in their lives that will help them to see beyond that hopelessness of depression Diane Hicks White 2007
