Eugene Boring, 2012-01-01 A user friendly introduction to the New Testament for beginning students **A History of the Quests for the Historical Jesus, Volume 2** Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the

developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates Feasting on the Word: Year B, Volume 2 David L. Bartlett, Barbara Brown Taylor, 2008-09-29 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today When complete the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day Epiphany Holy Week and All Saints Day For each lectionary text preachers will find four brief essays one each on the theological pastoral exegetical and homiletical challenges of the text This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion The editors and contributors to this series are world class scholars pastors and writers representing a variety of denominations and traditions And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its contents Masters of Preaching Ray E. Atwood, 2013-12-19 Who were Catholicism s greatest orators What was the key to their effectiveness Was it mere scholastic ability or spiritual inspiration The answer is both In this follow up work Father Ray E Atwood examines the lives theologies and preaching examples of the Church s greatest preachers This book tells the story in biographical form of Catholic preaching from the Old Testament through today concluding with the homilies of Benedict XVI Masters of Preaching takes the reader around the world in search of homiletic gems Readers will learn about the stories of familiar figures such as Saint Gregory the Great and less familiar figures such as Monsignor Francis Friedl Readers will also discover how these men moved their congregations to deeper faith and greater understanding of the mysteries of salvation Two appendices at the end of the book serve as a terrific resource for those looking for practical illustrations of lectionary themes This book is an excellent resource for anyone interested in the subjects of public speaking and Church history The Catechism and Prayer Book John Pilkington Norris, 1882 **Jesus, Paul and Matthew, Volume Two** Andries Van Aarde, 2020-04-16 This book is the second of two volumes which reflect on the trend in biblical scholarship that contrasts the vision of the historical Jesus with that of the apostle Paul on the one hand and the vision of Paul with that of the evangelist Matthew on the other It argues that Jesus replaced the concept of politics of holiness with that of politics of compassion This means that the church as a community of Jesus followers forms a fictive family replacing a soteriology

grounded in the biological family God's adoption of people as God's children is based on the potential of people to absorb the divine into their humanity This truism is to be found in the visions shared by the peasant Jesus the apostle Paul and the rabbi Matthew as well as in creedal Christianity The book concludes with autobiographical reflective notes analogous to the parabolic story of the travellers to Emmaus from Jerusalem Luke 24 and that of the African eunuch Acts 8 on his way back from Jerusalem to Africa The notes serve to consolidate the two volumes on Jesus Paul and Matthew and their messages of God's wisdom justice and mercy
