

You carry away with you a reflection
of me, a part of me. I dreamed you;
I wished for your existence. You will
always be a part of my life. If I love
you, it must be because we shared, at
some moment, the same imaginings,
the same madness, the same stage.

Reflective Love:

Love's Reflections Betty McLain, 2021-12-02 Who's the hunk Cindy sees in the mirror? Life working at the art gallery was pretty ordinary until Cindy's employers brought home three antique mirrors from Italy. Rumored to be magic, they boasted the ability to show a girl her true love. As Cindy unpacked the mirrors, she was startled to see a man looking back where her reflection should have been. James Michaels was shocked to see the woman's face in his mirror while he shaved. A police officer, he was accustomed to things he could explain. What he couldn't explain was how this woman he'd never met kept appearing in mirrors throughout town. Through intrigue and danger, Cindy and James try to discover who lives behind the reflections in the mirror. But will the two ever meet, or will they have to be content with only the mirror image? Betty's note: each book in the Love's Magic series is a standalone romance novel and can be enjoyed even if you haven't read other books in the series.

Immediacy and Reflection in Kierkegaard's Thought Paul Cruysberghs, Johan Taels, Karl Verstrynge, 2003 We live in a reflective age. That is Søren Kierkegaard's overall conclusion when evaluating the time he lives in. But his appraisal contains both approval and criticism. On the one hand, reflection is a necessary category to deal with the dynamics and the qualities of the modern age; on the other hand, it bears a great danger. It is Kierkegaard's firm conviction that reflection should always relate to a kind of immediacy that safeguards it from becoming hollow and detached from our existential reality. Throughout the voluminous and complex work of Kierkegaard, the notions of immediacy and reflection play a crucial role. They appear in such an early work as *From the Papers of One Still Living* as well as in the late *Anti-Climacus* writings, and indeed their significance or influence can be felt in all philosophical texts published in between. That is not to say that the meaning of the notions is unequivocal. After all, Kierkegaard not only uses the terms in very divergent contexts, but his own understanding of them appears to evolve quite strongly in the course of his oeuvre. Moreover, in spite of their clearly philosophical character, the two notions play an unmistakable role in Kierkegaard's understanding of religion. They appear frequently in the religious discourses; indeed, in short, Kierkegaard's use of the notions of immediacy and reflection covers a broad array of meanings and interpretations. The dialectics of immediacy and reflection, of reflection killing immediacy and raising the question of the possibility of a new immediacy, is the main theme of *Immediacy and Reflection in Kierkegaard's Thought*. The book contains contributions authored by a number of well-known Kierkegaard scholars. Kierkegaard's theory of the existence-spheres of life provides a first viewpoint on the interplay of immediacy and reflection. Here the philosophical and pseudonymous writings are the main subject of research. If on the other hand, one pays a closer look at the significance of a second immediacy for a religious attitude to life, the religious discourses come into play when the possibility of a second immediacy is taken into consideration. In conclusion, the theme of immediacy and reflection is connected to some important trends in the modern and contemporary era. On the one hand, it is linked to the philosophical influences Kierkegaard underwent, e.g., from Hegel; on the other hand, Kierkegaard is confronted with later thinkers like Heidegger.

in particular Love and Politics Alice Ormiston,2012-02-01 Alice Ormiston's Love and Politics argues that modern politics is rooted not merely in the pursuit of power but that it is essentially underpinned by the experience of love Hegel understood love as a principle that unites reason and emotion and self and other and that provides the foundation for a deep sense of connectedness to the world and for genuine acts of autonomy Through an original and highly accessible interpretation of Hegel's works Ormiston shows how the modern commitment to individual rights and freedoms can only be adequately understood by reference to the experience of love that lies at the foundation of the modern subject and its political expression in acts of conscience Hegel's thought thus joins forces with feminist arguments for an embodied theory of the subject and for a focus on empathy in political reasoning with republican concerns about democracy and civic education and with postmodern concerns about the otherness of certain experiences and forms of knowledge Ormiston's book offers a developed concept of the subject that can serve as a foundation for resistance to problems of our time including atomism and instrumental rationality the ills of an unfettered capitalism and the reality of a radical evil **Love's Oneing** Kerrie Hide,2022-11-08 Grounded in Christian love mysticism Love's Oneing gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love's Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment Passionate Impressions in Love's Reflection Cherie Leigh,2020-12-07 It becomes obvious to anyone who gets to know me that I am a hopeless romantic I am not sure what instigated my sentimentality over love and romance but I have an affinity for all things that exhibit the beautiful qualities of passion The incredible holding power of love should not be taken for granted even as it can either profoundly entice or greatly elude The full effects of love's intensity move me with deep appreciation Some may say that I live in a fantasy world with my notions about romantic love but I don't let that bother me I just hop on my magical unicorn and ride off into the sunset I use my poetry to express intensity of emotions whether it be to entice delight mystify enlighten ache or touch Sometimes even through love's painful experiences there can be profound beauty taken from it that leaves lasting impressions For love in all its reflections has much to teach us

Volume 17: Kierkegaard's Pseudonyms Katalin Nun,Jon Stewart,2016-12-05 One of the elements that many readers admire in Kierkegaard s skill as a writer is his ability to create different voices and perspectives in his works Instead of unilaterally presenting clear cut doctrines and theses he confronts the reader with a range of personalities and figures who all espouse different views One important aspect of this play of perspectives is Kierkegaard s controversial use of pseudonyms The present volume is dedicated to exploring the different pseudonyms and authorial voices in Kierkegaard s writing The articles featured here try to explore each pseudonymous author as a literary figure and to explain what kind of a person is at issue in each of the pseudonymous works The hope is that by taking seriously each of these figures as individuals we will be able to gain new insights into the texts which they are ostensibly responsible for

Reflective Love Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reflective Love has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reflective Love has opened up a world of possibilities. Downloading Reflective Love provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reflective Love has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reflective Love. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reflective Love. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reflective Love, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reflective Love has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
