Learning Greek and Hebrew Discovering the Richness of the Bible in Its Original Languages is written to convince you that it is worth it. Professors Catherine L. McDowell and Philip H. Towner have spent years opening the eyes of students to the riches that await those who study Hebrew and Greek and they invite you to listen. This book is designed for people who have never studied the biblical languages; everything is in English or English script and everything is clearly explained. The Rewards of Learning Greek and Hebrew contains a number of case studies, some from the Hebrew Bible and some from the New Testament, that demonstrate the kind of accuracy and insight that await those who study the biblical languages. Each case study is accompanied by a testimonial from a student whose understanding of the Bible has been enriched by studying Greek or Hebrew. With encouragements from Christian scholars and pastors sprinkled throughout, The Rewards of Learning Greek and Hebrew gives you a taste of what awaits the student of biblical languages and encourages you to take the plunge.

The Mystery of God's Holiness Clifford L. Swanson M. Div., 2023-02-10

The Mystery of God's Holiness: God's Good News for the Gentiles contains two threads that run throughout the entire Bible. It illuminates for the reader the origins and spread of God's holiness from the day God told Moses that his feet were standing on holy ground to the time the creatures in John's book of Revelation cry "Holy, holy, holy is the Lord God the Almighty." It also sheds light on God's extension of the good news from Palestine to all nations of the earth. For when Jesus Christ confronted Paul and he was converted on the Road to Damascus, Jesus appointed Paul as his apostle to the Gentiles. So Paul devoted the rest of his life to spreading the Good News and founding Christian churches throughout the Roman Empire. The result is that this Good News has gone from the Roman Empire to Europe to America and around the entire world. This book also provides what one might call a minicourse on church history from the time of Jesus to the present day.
