Refugee Protection A European Challenge:

Refugee Protection Vigdis Vevstad, 1998-01-01 3 1 Who is a refugee Europe and Refugees: A Challenge? / L'Europe et les réfugiés: un défi? Jean-Yves Carlier, Dirk Vanheule, 2023-08-21 This volume emerged from an international colloquium held in April 1995 in Antwerp Belgium on the subject of Europe and Refugees It analyses the various challenges posed by the plight of refugees today paying particular attention to the situation in Europe and to the new European treaties such as the Dublin Convention the Schengen Agreement and the Resolutions of the European Union Europe and Refugees A Challenge offers the reader both an international and a multidisciplinary vision Its contributors come from both within and outside Europe and are drawn from a large range of disciplines including philosophy political science and law This volume contains contributions in English and French Ce livre comprend les Actes d'un colloque international qui s'est tenu en avril 1995 Anvers en Belgique sur le thème L'Europe et les réfugiés un défi Le livre soulève différentes questions qui sont autant de défis liés à la situation contemporaine des réfugiés avec une attention particulière pour cette situation en Europe notamment dans de nouveaux textes comme la Convention de Dublin les Accords de Schengen et les Résolutions au sein de l'Union européenne Le livre offre une vision multiple en associant des auteurs de différents endroits en Europe et en Amérique du Nord et de différentes disciplines philosophie sciences politiques et droit Il y a des contributions en anglais et en français Refugee Protection in Europe Joanne van Selm-Thorburn, 2023-08-21 This book addresses the issue of refugee protection in Europe drawing on the approaches taken to the crisis in former Yugoslavia to find lessons for future comprehensive policies Suitable for academics students and policy makers this book gives a comprehensive overview of the twentieth century history of refugee protection the relationship between protection and human rights and European integration in the asylum and immigration policy area The focus of the book is the development of comprehensive approaches to forced migration and particularly the emergence of temporary protection mechanisms in the European context Four specific national measures are analyzed and a model for future EU policy is advanced This model satisfies specified practical and theoretical requirements governing the role of protection in international relations and relations between individuals and states Refugee Protection and Solidarity Eleonora Milazzo, 2023 Refugee Protection and Solidarity looks to define the duties that EU member states have towards each other in the field of refugee protection employing analytical tools of normative political theory to bring moral clarity to a highly divisive debate on both principles and political feasibility There is a discrepancy between the commitment to solidarity enshrined in EU law and the reality of asylum provision in the EU The events related to the EU migration crisis of 2015-16 have exposed this discrepancy and questioned the nascent notion of EU solidarity at its core The book argues that the debate on distributive justice in the EU fails to consider refugee protection as a field in which distributive duties apply in ways similar to other domains such as social policy as well as exploring what justifications states invoke to justify non-compliance with their duties Eleonora Milazzo contends that as currently framed the debate on the

ethics of refugee protection fails to account for the nature and effect of associational ties among states in relation to asylum provision which is important for the assessment of responsibility shirking

Refugee Protection and Civil Society in Europe Margit Feischmidt, Ludger Pries, Celine Cantat, 2018-09-29 This volume analyses civil society as an important factor in the European refugee regime Based on empirical research the chapters explore different aspects structures and forms of civil society engagement during and after 2015 Various institutional collective and individual activities are examined in order to better understand the related processes of refugees movements reception and integration Several chapters also explore the historical development of the relationship between a range of actors involved in solidarity movements and care relationships with refugees across different member states Through the combined analysis of macro level state and European policies meso level organization s activities and micro level individual behaviour Refugee Protection and Civil Society in Europe presents a comprehensive exploration of the refugee regime in motion and will be of interest to scholars and students researching migration social movements European institutions and social work

International Refugee Law H?ne Lambert, 2017-07-05 The essays selected and reproduced in this volume explore how international refugee law is dynamic and constantly evolving From an instrument designed to protect mostly those civilians fleeing the worse excesses of World War II the 1951 Refugee Convention has developed into a set of principles customary rules and values that are now firmly embedded in the human rights framework and are applicable to a far broader range of refugees In addition international refugee law has been affected by international humanitarian law and international criminal law and vice versa Thus there is a reinforcing dynamic in the development of these complementary areas of law At the same time in recent decades states have shown a renewed interest in managing migration thereby raising issues of how to reconcile such interests with refugee protection principles In addition the emergence of concepts of participation and responsibility to protect promise to have an impact on international refugee law

The Evolution of Humanitarian Protection in European Law and Practice Liv Feijen, 2021-04-01 The last couple of years have witnessed an unprecedented battle within Europe between values and pragmatism and between states interests and individuals rights This book examines humanitarian considerations and immigration control from two perspectives one broader and more philosophical the other more practical The impetus to show compassion for certain categories of persons with vulnerabilities can depend on religious philosophical and political thought Manifestation of this compassion can vary from the notion of a charitable act to aid the wretched in their home country to humanitarian assistance for the distant needy in foreign lands and finally to immigration policies deciding who to admit or expel from the country The domestic practice of humanitarian protection has increasingly drawn in transnational law through the expansion of the EU *acquis* on asylum and the interpretation of the European Court of Human Rights

Refugees and the Law in Challenging Times - A Law and Economics Approach Denard Veshi, 2024-07-17 This book focuses on the economic analysis of refugee law and the protection of refugee rights It offers a law and economics model applied to migration and

states The book focuses on the most critical push factors that impact lawmakers in enacting and modifying asylum law Furthermore the book examines the economic advantages and disadvantages of a centralized supranational asylum law *acquis communautaire* that could eventually eliminate competition between legal orders in asylum law and do away with the negative externalities caused by asylum shopping The book critically analyses international refugee law pursuing an interdisciplinary approach Its principal goal is to explore refugee law through the lenses of the law and economics approach and against the backdrop of a human rights approach After explaining the evolution of the human rights approach the book elaborates on the legal and economic factors that impact refugees on the one hand and public policy on the other In conclusion a balance that considers the national preferences of destination countries and the protection of refugee rights is proposed

Evidence in European Asylum Procedures Ida Staffans, 2012-04-19 This book focuses on three European asylum procedures and the evidentiary assessment carried out in these The interrelationship between these procedures and legal systems influencing them is explored and questions in relation to the harmonizing strivings of EU are posed

The Refugee Definition in International Law Hugo Storey, 2023 In international law the definition of refugee is widely seen as unclear This book systematically analyses the interpretation ordering and interrelationship of the definition's components as well as the disputes that have arisen around it The volume seeks to clarify propositions and demonstrate there is progress toward a working definition

Contemporary Challenges to EU Legality Claire Kilpatrick, Joanne Scott, 2021 The Academy of European Law is housed at the European University Institute in Florence Italy The Academy holds annual advanced level summer courses focusing on topical cutting edge issues in Human Rights Law and The Law of the European Union The courses are taught by highly qualified scholars and practitioners in a highly interactive environment General courses involve the examination of the field as a whole through a particular thematic conceptual or philosophical lens or look at a theme in the context of the overall body of law Specialized courses bring together a number of speakers exploring a specific theme in depth Together they are published as monographs and edited volumes in the Collected Courses of the Academy of European Law series The Collected Courses series has been published by Oxford University Press since 2000 The series contains publications on both foundational and pressing issues in human rights law and the law of the European Union Book jacket

The Challenge of Asylum to Legal Systems Prakash Shah, 2020-07-26 A collection of papers presenting critical perspectives in the development of asylum law with a focus on European and UK developments incorporating international human rights law and comparative law perspectives Issues covered range from law making at the EU level with a particular focus on extra territorial processing of refugees claims asylum procedures family members of those in need of protection welfare benefits and impact of national level on the reception of EU norms Domestic and comparative perspectives offered include discussions on detention judicial decision making appeal rights claims processing with particular reference to the role of interpreters and developments in Australia which have provided a model of thought worthy of emulation in the UK

The Global Reach of European Refugee Law Hélène Lambert, Jane McAdam, Maryellen Fullerton, 2013-09-05 Europe has the most advanced regional protection regime in the world The predicted impact of this body of norms including the new Common European Asylum System has been widely identified as one that will have a ripple effect beyond the EU However very few studies have noted the fact that this regime has already influenced the law and practice of states around the world for some time The purpose of this book is to gather evidence that emulation is happening if it is to explore the extent and identify the processes through which it is happening and to examine the implications of these findings A review of seven case studies reveals all but one of these cases provides clear evidence of emulation at some point in time The EU protection regime which has been most influenced by the European Court of Human Rights is naturally evolving transnationally and spreading internationally

Challenges, risks and threats for security in Europe Andreas Kellerhals, Tobias Baumgartner, 2019-12-06 This publication brings together talks from the 11th Network Europe conference The conference explored the conditions for security in 21st century Europe and the key elements of an appropriate security architecture Discussions focused on major security challenges such as cybercrime and migration as well as institutional aspects including the concept of a European army and the role of neutral states in an evolving security landscape The publication features contributions from Vadym Barskyi Tobias Baumgartner Jelena Ceranic Viorel Cibotaru Aleksei Dolzhikov Alena F Douhan Darina Dvornichenko Itay Fishhendler Andreas Kellerhals Verena Murschetz Przemyslaw Saganek Jürgen Scheffran and Attila Vincze Network Europe was founded in 2003 by the Europa Institute at the University of Zurich with support from the Swiss government It serves as a forum for scholarly exchange on legal and political aspects of European integration bringing together researchers from across Europe

The Internal Protection Alternative in Refugee Law Jessica Schultz, 2018-12-10 Under what circumstances can a state refuse refugee status to a person whose risk of persecution exists in only part of her country of origin This book is the first monograph to examine the treaty basis and criteria for the internal protection alternative IPA an exception to refugee status increasingly invoked by state parties to the 1951 Refugee Convention and its 1967 Protocol Through a critical analysis of the relationship between refugee law and related fields Schultz finds that the legal scope for IPA practice is narrower than is commonly claimed Since persons subject to an IPA analysis have a well founded fear of persecution within their countries of origin any limit on their right to refugee status must involve a careful balancing of the impact of continued displacement against the state's interest in preserving its restricted protection resources She argues that the doctrine of implied limits in human rights law can provide analytic structure to the IPA concept and reduce the risk of overly broad application

Transformations of Work: Challenges for the Institutions and Social Actors Giuseppe Casale, Tiziano Treu, 2019-02-15 Market volatility and uncertainty have put welfare and social security policies back centre stage and point up the need for closer links with employment policy The inability of existing income support systems to respond to the increasing fragmentation of people's working careers the needs of people in difficulty and the spread of various forms of poverty calls for well coordinated and efficient responses This volume highlights the best practices in the various regions of the world in the contexts of international and EU labour law industrial relations and social security

Authoritative reports by leading scholars of labour law and social security originally presented at the twenty second World Congress of the International Society for Labour and Social Security Law ISLSSL held in Turin in September 2018 cover the following research themes in depth informal workers migrant workers global trade and labour organization productivity and well being at work transnational collective agreements new forms of social security and the role of the State and industrial relations In its insistence that despite the radical changes in the world of work and business brought about by globalization and digital technologies the decisions of institutions and public and private actors can lead to a more coherent system of international economic and social governance this timely volume shows the way forward Practitioners policymakers and scholars in the relevant fields will benefit immeasurably from its expert analyses and recommendations

European Integration in Times of Security Challenges Andreas Kellerhals, 2025-03-21 The European Commission's Enlargement Package 2023 proposed opening accession negotiations with Ukraine Moldova and Bosnia and Herzegovina while granting candidate status to Georgia bringing the total to seven candidate states and two potential candidates Ensuring compliance with the Copenhagen criteria remains a key challenge alongside necessary institutional reforms particularly regarding EU decision making and unanimity rules In migration policy the adoption of the New Pact on Migration and Asylum in December 2023 marked a major step toward a unified approach Based on solidarity shared responsibility and human rights it aims to improve long term migration management though implementation remains a challenge Meanwhile the EU continues to navigate its digital and green transitions A milestone in 2023 was the adoption of the world's first legal framework for AI regulation reflecting the EU's ambition to set global standards though its impact on the digital economy remains uncertain This publication explores these key developments highlighting the interplay between policy making and societal engagement in a shifting geopolitical landscape It features contributions from Fatlum Ademi Jelena Ceranic Perisic Viorel Cibotaru Iris Goldner Lang Christos V Gortsos Gabor Halmai Dorian Jano Andreas Kellerhals Maroje Lang Lee McGowan Roman Petrov Clara Portela and Juan Santos Vara Network Europe was founded in 2003 by the Europa Institute at the University of Zurich with support from the Swiss government It serves as a forum for scholarly exchange on legal and political aspects of European integration bringing together researchers from across Europe

States, the Law and Access to Refugee Protection Maria O'Sullivan, Dallah Stevens, 2017-03-23 This timely volume seeks to examine two of the most pertinent current challenges faced by asylum seekers in gaining access to international refugee protection first the obstacles to physical access to territory and second the barriers to accessing a quality asylum procedure which the editors have termed access to justice To address these aims the book brings together leading commentators from a range of backgrounds including law sociology and political science It also includes contributions from NGO practitioners This allows the collection to offer interdisciplinary analysis and to incorporate both theoretical and practical perspectives on questions of immense contemporary significance While the examination offers a strong focus on European legal and policy developments the book

also addresses the issues in different regions Europe North America the Middle East Africa and Australia Given the currency of the questions under debate this book will be essential reading for all scholars in the field of asylum law
