Refusing To Be A Man Essays On Sex And Justice

John Stoltenberg

Refusing To Be A Man Essays On Sex And Justice:

Refusing to be a Man John Stoltenberg, 1990 *Refusing to be a Man* John Stoltenberg, 2005-07-28 Since its original publication in 1989 *Refusing to be a Man* has been acclaimed as a classic and widely cited in gender studies literature In 13 eloquent essays Stoltenberg articulates the first fully argued liberation theory for men that will also liberate women He argues that male sexual identity is entirely a political and ethical construction whose advantages grow out of injustice His thesis is however ultimately one of hope that precisely because masculinity is so constructed it is possible to refuse it to act against it and to change A new introduction by the author discusses the roots of his work in the American civil rights and radical feminist movements and distinguishes it from the anti feminist philosophies underlying the recent tide of reactionary mens movements

Refusing to be a Man John Stoltenberg, 1989 *The End of Manhood* John Stoltenberg, 2005-06-20 In this follow up to *Refusing to be a Man* the author discusses new perspectives on intimacy gender and violence as well as re examining ideas of manhood and gender identity in general

Language for God Mary J. Streufert, 2022-06-07 *Language for God* draws readers into the necessity of language and images for God that are expansive and inclusive of all genders People hunger for scriptural and theological explanations that adequately answer criticisms and support dialogue Using Lutheran perspectives as a compass Mary J Streufert offers scriptural theological and historical insights that advance Christianity's ongoing reformation of androcentric images and language for God This book is for a variety of people including those who are unsure of why language and images for God matter those who need assurance that language and images for God include all genders including people who identify as queer and those who want language for God to be faithful to the Scriptures and to the witness of the Christian theological tradition It is also for people who need convincing that God is Mother as much as Father pregnant Christ as much as crucified Christ and Godhead beyond all gendered appellations The book is pastoral in that it explores the deeply personal communal and social ways language and images influence who we are and how we live It takes seriously the hunger for more for God beyond the Father This book is also intellectual in that it challenges contemporary arguments for Father and Son as exclusive names for the first two persons of the Trinity by exploring historical developments in the ways people define sex gender and sexuality Without a rigorous assessment of how these views affect Christianity Christian language and images for God will remain androcentric Insights from the Reformation most pointedly from Martin Luther and the Lutheran tradition offer points on a compass toward the reformation of Christian language and images for God in our day

The Political Life of Bella Abzug, 1976-1998 Alan H. Levy, 2013-12-05 *The Political Life of Bella Abzug 1976-1998* is the second part of the first full biography of Bella Abzug Alan H Levy explores the political life of one of the most important women in politics in mid and late twentieth century America This second part takes up Abzug's life from the point in 1976 when she narrowly lost her bid for the New York Democratic Party's nomination for the U S Senate The biography follows her subsequent failed effort to win the Democratic Party's

nomination for Mayor of New York City in 1977 her leading a controversial National Women's Convention in Houston in late 1977 her failed attempt to return to the U.S. Congress in 1978 and her conflicts with President Jimmy Carter and his administration The biography then traces the efforts in which Abzug was engaged to regain political prominence and her work on behalf of women at both national and international levels Through the events in Abzug's life Levy explores tensions that surrounded the contrasts between political principles which idealized a world in which gender posed no barriers to any human effort and political views which sought to extol and develop notions of gender and of ideas about its special meanings in human affairs and politics

The Political Life of Bella Abzug, 1920-1976 Alan H. Levy, 2013-10-10 The Political Life of Bella Abzug 1920-1976 Political Passions Women's Rights and Congressional Battles by Alan H. Levy marks the first full biography of Bella Abzug Abzug was one of woman in politics in mid and late twentieth century America Levy traces the New York City world of Russian Jewish immigrants into which Abzug was born He then examines her education through Columbia Law School her marriage and her early work both as a labor attorney and as an advocate for many controversial causes including that of an African American falsely accused of raping a white woman in Jim Crow Era Mississippi Levy studies Abzug's work for nuclear disarmament her activism against the Vietnam War and her successful bid for Congress in 1970 From there the biography details the myriad of issues with which Abzug grappled as a Member of Congress from 1971 to 1977 and ends with her close loss to Daniel Patrick Moynihan in a bid for the U.S. Senate in 1976 A second book studying the rest of Abzug's life from 1976 to 1998 is to follow

New Testament Masculinities Stephen D. Moore, J. C. a. Anderson, 2004 This collection considers themes of Christology patriarchy violence colonialism family structures and sexual practices as it explores the construction and performance of masculinity in the New Testament and related early Christian texts Examining the Gospels Romans the Pastorals Revelation and the Shepherd of Hermas it situates diverse masculinities within a Greco-Roman matrix and introduces biblical scholarship to a rich vein of classical scholarship on gender The contributors include Janice Capel Anderson David J. A. Clines Colleen M. Conway Mary Rose D'Angelo Page duBois Chris Frilingos Jennifer A. Glancy Maud W. Gleason Stephen D. Moore Jerome H. Neyrey Seong Hee Kim Jeffrey L. Staley Diana M. Swancutt Tat-siong Benny Liew and Eric Thurman Paperback edition is available from the Society of Biblical Literature www.sbl-site.org

Signs of Masculinity, 2023-12-14 Masculinity is becoming an increasingly popular area of study in areas as diverse as sociology politics and cultural studies yet significant research is lacking into connections between masculinity and literature Signs of Masculinity aims at beginning to fill the gap Starting with an introduction to and intervention within numerous debates concerning the cultural construction of various masculinities the volume then continues with an investigation of representations of masculinity in literature from 1700 to the present Close readings of texts are intended to demonstrate that masculinity is not a theoretical abstract but a definitive textual and cultural phenomenon that needs to be recognised in the study of literature It is hoped that the wide-ranging essays which raise numerous issues and are written

from a variety of methodological approaches will appeal to undergraduate postgraduates and lecturers interest in the crucial but under researched area of masculinity

Some Men Michael A. Messner, Max A. Greenberg, Tal Peretz, 2015-02-16 What does it mean for men to join with women as allies in preventing sexual assault and domestic violence Based on life history interviews with men and women anti violence activists aged 22 to 70 *Some Men* explores the strains and tensions of men s work as feminist allies When feminist women began to mobilize against rape and domestic violence setting up shelters and rape crisis centers a few men asked what they could do to help They were directed upstream and told to talk to the men with the goal of preventing future acts of violence This is a book about men who took this charge seriously committing themselves to working with boys and men to stop violence and to change the definition of what it means to be a man The book examines the experiences of three generational cohorts a movement cohort of men who engaged with anti violence work in the 1970s and early 1980s during the height of the feminist anti violence mobilizations a bridge cohort who engaged with anti violence work from the mid 1980s into the 1990s as feminism receded as a mass movement and activists built sustainable organizations a professional cohort who engaged from the mid 1990s to the present as anti violence work has become embedded in community and campus organizations non profits and the state Across these different time periods stories from life history interviews illuminate men s varying paths including men of different ethnic and class backgrounds into anti violence work *Some Men* explores the promise of men s violence prevention work with boys and men in schools college sports fraternities and the U S military It illuminates the strains and tensions of such work including the reproduction of male privilege in feminist spheres and explores how men and women navigate these tensions To learn more please visit somenen.org

Heterosexuality in Theory and Practice Chris Beasley, Heather Brook, Mary Holmes, 2012 This book explores heterosexualities in their complex and everyday expressions It engages with theories about the intersection of sexuality with other markers of difference and gender in particular The outcome will productively upset equations of heterosexuality with heteronormativity and accounts that cast heterosexuality in sex critical sex as danger terms Queer feminist pro sex perspectives have become prevalent in analyses of sexuality but in these approaches queer becomes the site of subversive transgressive exciting and pleasurable sex while heterosex if mentioned at all continues to be seen as objectionable or dowdy It challenges heterosexuality s comparative absence in gender sexuality debates and the common constitution of heterosexuality as nasty boring and normative The authors develop an innovative analysis showing the limits of the sharply bifurcated perspectives of the sex wars This is not a revisionist account of heterosexuality as merely one option in a fluid smorgasbord nor does it dismiss the weight of feminist pro feminist critiques of heterosexuality This book establishes that if relations of domination do not constitute the analytical sum of heterosexuality then identifying its range of potentialities is clearly important for understanding and helping to undo its nastier elements

Feminism and Men Steven Schacht, Doris Ewing, 1998-10 Too often feminism has been defined as a woman only arena or in competitive terms of male versus female

privilege rather than as a cooperative effort to improve the quality of life for everyone. Indeed, a good deal of feminist scholarship has failed to take into account the relational nature of gender, preferring instead to focus on the ways in which men and women are irreconcilably opposed. With a view to beginning a more constructive dialogue between women and men, the contributors to *Feminism and Men* argue that the feminist movement can no longer stand to view with suspicion those men who have proved themselves sympathetic to issues of gender equity. Bringing together the work of scholars across various disciplines committed to maximizing the inclusion of pro-feminist men in the feminist movement, the book convincingly demonstrates how and why feminist goals cannot be realized until men and women come together to eliminate the shared harm of patriarchal realities. Contributors include R. W. Connell, Riane Eisler, Kay Leigh Hagan, bell hooks, Christine A. James, Robert Jensen, Michael S. Kimmel, Gary Lemons, Michael Messner, Matthew Shepherd, and John Stoltenberg.

#MeToo and Beyond M. Cristina Alcalde, Paula-Irene Villa, 2022-07-26. *NiUnaMenos* Aufschrei. LoSHA. Before MeToo became a massive global movement, these were the hashtags that represented activists from Ukraine to Peru who demanded accountability for the sexual violence and racism, xenophobia, and misogyny inflicted on women, transgender people, and girls. Led by activists such as Tarana Burke, who popularized the phrase "me too," these movements provided a call to action for survivors across the world to speak out about their experiences. In *MeToo and Beyond*, M. Cristina Alcalde and Paula Irene Villa bring together scholars and activists from various backgrounds to approach MeToo from multiple spaces, positionalities, and areas of expertise, many from regions and contexts often overlooked and understudied in the mediascapes of the global North. This volume includes perspectives from around the world and touches on diverse topics spanning masculinity studies, transgender people's heightened risk of suffering sexual harassment and violence, the internal conflict in American Jewish communities as activists began speaking out against prominent members who relied on shared cultural values to shame their victims, as well as many other significant aspects of the first all-inclusive international effort to end gender-based violence. The editors and contributors heed Burke's call to amplify marginalized voices so that instead of becoming footnotes, these voices guide activists to frame polyphony as central to understanding past, current, and future forms of gender-based violence and resistance. The goal of *MeToo and Beyond* is to examine both profoundly universal and specific experiences of sexual violence, as well as the collective effort to stop gender-based violence wherever it occurs. Activists and scholars will find this book an important and necessary contribution to current and future discussions on sexual violence and global movements.

NOFX David Pearson, Stefano Morello, Ellen Bernhard, 2025-06-12. This collection of scholarly essays analyzes how NOFX's aesthetics of punk provocation and discomfort provoke the band's listeners to confront contradictions and conflicts in society concerning politics, identity, authenticity, and decorum. This collection of scholarly essays analyzes how NOFX's aesthetics of punk provocation and discomfort push the band's listeners to confront contradictions and conflicts in society concerning politics, identity, authenticity, and decorum. For forty years, NOFX's brand of witty, offensive, humorous, juvenile

intelligent existential political politically incorrect and or philosophically probing punk has reared several generations in punk attitude and ethos for better or worse The band pioneered melodic yet hardcore So Cal punk style rode the wave of mainstream punk popularity in the 1990s protested the Bush administration in the 2000s and continued their punk provocations up through their retirement in 2024 This book explores how NOFX pursued punk s proclivity for provocation to critique both mainstream society and the punk scene itself how their music challenges notions of punk as simplistic stripped down rock requiring little musical skill and other topics with thirteen essays from scholars in a variety of fields **Men and Development**, 2012-09-13 A wide ranging volume featuring contributions from some of today s leading thinkers and practitioners in the field of men masculinities and development Together contributors challenge the neglect of the structural dimensions of patriarchal power relations in current development policy and practice and the failure to adequately engage with the effects of inequitable sex and gender orders on both men s and women s lives The book calls for renewed engagement in efforts to challenge and change stereotypes of men to dismantle the structural barriers to gender equality and to mobilize men to build new alliances with women s movements and other movements for social and gender justice

Paedophiles in Society S. Goode, 2011-10-18 Based on original research with self identified paedophiles in the community this book challenges assumptions and destroys the sacred cows of both radical and conservative thinking on paedophilia and sexuality Offering a humane and inspiring vision the book goes beyond previous thinking to develop an inclusive new approach The End of Straight Supremacy Shannon Gilreath, 2011-09-19 Rooted in the politics and theories of early gay liberation and radical feminism Shannon Gilreath s *The End of Straight Supremacy* presents a cohesive theory of gay life under straight domination Beginning with a critique of formal equality law centering on the like straight demands of liberal equality theory as highlighted in *Lawrence v Texas* Gilreath moves to criticize the gay movement itself challenging the assimilation politics behind the movement s blithe acceptance of discrimination in the guise of free speech and pornography in the name of sexual liberation as well as same sex marriage and transsexuality as tools of straight hegemony Ultimately Gilreath rejects both the liberal demand for gay erasure in exchange for meager legal progress and the gay establishment agenda In *The End of Straight Supremacy* Gilreath calls gays and their allies to the difficult task of rethinking what liberation and equality really mean **The New Politics of Masculinity** Fidelma Ashe, 2007-11-30 Explores the new politics of masculinity and gender identity examining the contemporary discourses of masculinity by focusing on male pro feminist movements and locating them within the context of feminist debates

Gender under Construction Ewa Glapka, Barbara Braid, 2018-03-27 Gender performativity its variances depending on their historical social and cultural contexts and the rituals representations and institutions involved in gender performances are some of the issues the authors addressed in this collection *Gender under Construction* takes a non essentialist view of gender and provides illustrative examples of gender constructive processes by pursuing them in various contexts and by means of diverse methodologies In so doing the book

demonstrates that it is unfeasible to consider gender as a fixed biological trait. Instead, the authors propose to look at gender performance as ongoing processes in which femininities and masculinities enter multiple and dynamic intersections with a myriad of categories including those of nationality, ethnicity, class, sexuality, and age. Contributors are Iqbal Akthar, Renata uk Ewa Glapka, Deirdre Hynes, Borja Ibaseta, Martin King, Ana Cristina Moreira Lima, Mervi Patosalmi, Marcia Bastos de S Andr a Costa da Silva, Vera Helena Ferraz de Siqueira, Christi van der Westhuizen, and Isabelle V Zinn. Politics of Masculinities

Michael A. Messner, 1997-09-06. The profound changes wrought by the feminist movement were by no means restricted to women. In the years since feminism has taken root, the role of men and masculinity has begun to undergo its own redefinition. Michael A. Messner provides a sociological framework to understand the responses of men to the changes, challenges, and crises in the social organization of gender. By examining not only what certain groups of men say about gender but what they do, Messner helps to illuminate the various social movements engaged with the politics of masculinity. Politics of Masculinities is one of the first books in the new Gender Lens series, which will look at the social world through the lens of gender. The mission of the series is to unpack the assumptions about gender that pervade social life and to examine the centrality of these assumptions to the way we perceive and interpret our world. Politics of Masculinities is an ideal introduction to the discussion of gender roles and masculinity. This book will be of interest to students and professionals involved in gender studies, sociology, and men's studies.

Unveiling the Magic of Words: A Report on "**Refusing To Be A Man Essays On Sex And Justice**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
