River Of Joy:

The Rivers of Joy and Sorrow Justin Roberts, 2022-10-10 It is the height of apartheid in South Africa as Justin Roberts enters university with dreams of becoming a lawyer While attending a meeting in Soweto he encounters African students who reveal some of their shocking experiences After Justin and the others decide to publicize details of the torture they have their first brush with the Special Branch These initial actions draw Justin deeper in political activism Justin meets Colleen by way of a blind date but this unlikely beginning eventually blooms into a fully fledged love affair Despite the misgivings of her parents Colleen too becomes involved in some of Justin s activities As events unfold Justin and his colleagues are gradually radicalised and drawn closer to those involved in the armed resistance Finally matters come to a head and Justin like others before him is forced to flee the country Now living in exile in the United Kingdom he returns to South Africa with a false name and passport to undertake an undercover mission to warn his friend Sipho of the danger he is unknowingly facing Will his mission be successful and will he find personal redemption In this poignant story South African students who decide to oppose apartheid are propelled on a journey entailing love abandonment yearning betrayal and redemption

The Calling of Joy! Bruce Davis, 2006-02-23 The Calling of Joy is a calling to find the part of us that is more than what we do how much we have and what we think It is a calling to our inner river our passion our well of being our truth Joy does not come by accident or coincidence It does not come from hard work or simply good luck Joy is remembering trusting being rediscovering our inner resources Joy is creativity tears and laughter Joy is our guide through life s many choices We can feel joy in our body Joy is slowing down from the fearful energy of the daily world to life s beauty innocence the ocean of peace in this moment It is joy that heals the separation from our mind and heart And it is joy that heals the separation from our heart and our soul Each of us is called to listen and honor our hearts to nourish ourselves deeply and unfold our true self into the world Joy found in the midst of great difficulty is joy found forever We have choices everyday to wrestle with the current plot of our lives or find the possible joy There are many golden silent moments each day which can be real food for a busy mind and hurting heart Are we open to the moments of pure life that feed us no matter how easy or difficult light or challenging our lives maybe
