River Patrol Boats:

River Patrol Boats Michael Green,1998-12 Briefly describes the development weapons and use of river patrol boats from the Revolutionary War days through the Vietnam War **Vietnam War River Patrol** Richard H. Kirshen,2017-02-10

As a 20 year old gunboat captain and certified U S Navy diver in the Mekong Delta the author was responsible for both the vessel and the lives of its crew Ambushes and firefights became the norm along with numerous dives almost 300 in 18 months Forty years after the war he returned as a tourist This journal records his contrasting impressions of the Delta alternately disturbing and enlightening as seen first from a river patrol boat then from a luxury cruise ship Papa Bravo

Romeo Wynn Goldsmith,2001 The author takes a unique look at the rarely chronicled exploits of the U S Navy s river rats who engaged in some of the Vietnam War s most intense combat in the Mekong Delta in 1967 photo insert **Iron**

Butterfly Ralph Christopher,Chief Jim Davy,Jim Davy,2010 The true story of an elite group of men who wrote a page in Naval history They patrolled the waterways in thirty one foot river patrol boats powered by Detroit diesel engines with water jet propulsion Armed with machineguns and grenade launchers as well as sheer guts and determination these sailors faced danger around every bend in the river Working together they became one of the finest weapons in Admiral Zumwalt s arsenal for turning back the tide of communist infiltration into Saigon taking control of the inland waterways These are true accounts of their bravery which they proved time and again by spearheading operations into enemy controlled territory United together in brotherhood they accomplished all their missions and won their part of the Vietnam War **River Gunboats**

Roger Branfill-Cook,2016-08-30 A comprehensive fully illustrated encyclopedia of river gunboats from the early 19th century to the present day The first recorded engagement by a steam powered warship took place on a river when in 1824 the Honorable East India Company s gunboat Diana went into action on the Irrawaddy in Burma In the 150 years that followed river gunboats played a significant part in over forty campaigns and individual actions around the world This comprehensive reference book covers the development of riverboat warfare from the early 19th century to current riverine combat vessels in service today River gunboats proved to be the decisive factor in a wide range of conflicts across the world from the New Zealand Wars to the American Civil War and from both World Wars to the conflicts in Indochina and Vietnam This lavishly illustrated encyclopedia describes the river gunboats that saw action plus those converted river steamers which took part in combat This volume also includes maps of the river systems where they operated together with narratives of the principal actions involving river gunboats **River Warfare in Vietnam** Robin L. Rielly,2024-02-19

America s entrance into the wars in Vietnam came as a result of several factors Among them was the necessity of bolstering French influence in the area in the face of mounting communist expansion This expansion was intensified by the outbreak of the Korean War making it necessary for the United States to revamp its Southeast Asian policy During the French era control of Vietnam s rivers streams and canals became necessary This led various factions to develop specialized military units heavily dependent on

new types of river craft that could traverse the myriad waterways in Vietnam The focal point of this study is a new assessment of the conduct of river warfare Drawing on little known French Vietnamese and American sources and materials it sheds light on an important aspect of the Vietnam War Chapters also detail numerous aspects of river warfare not generally covered in other books on the subject *Vietnam Riverine Craft 1962-75* Gordon L. Rottman, 2012-06-20 In 1965 the military situation in the Mekong River Delta of southern Vietnam had deteriorated so much that the decision was made to commit a joint US Army and Navy Mobile Riverine Force to the area This force was unique in its composition mission and the means by which it operated riverine craft Comprising the Army's 2nd Brigade 9th Infantry Division and the Navy's River Assault Flotilla One it used a variety of watercraft including heavily modified landing craft purpose built patrol boats and a whole host of auxiliary and support craft Featuring illustrations this book explores those craft and also gives an account of Task Force Clearwater a much smaller operation in the extreme northern part of South Vietnam [The Michigan Alumnus](#), 1918 In v 1 8 the final number consists of the Commencement annual *DK Eyewitness Books: Vietnam War* DK Publishing, 2005-05-16 Be an eyewitness to the longest war in American history a dramatic story of patriotism tragedy bloody conflict and heroism Not only can you trace the timeline of the war from the Indochina struggle in 1946 to the final offensive in 1975 page after page of real life photographs offer a unique look at the reality of the Vietnam War See campaigns in the air and battles in jungles cities and rice paddies Learn about the most powerful combat weapons of the age such as Agent Orange and AK 47s Discover why America went to war in Indochina and who fought there the fall of Saigon the aftermath of the war and much much more Discover the people places battles and weapons of America's struggle in Indochina *River Currents*, 1975
