The River Towns of Connecticut Charles McLean Andrews,1889 **Small Town Pleasures** Dean

Klinkenberg,2017-10 Small towns along the Mississippi River are great places to visit especially at those times when we don't want to deal with the hassles of visiting bigger cities This book features 27 small towns along the Mississippi River from Minnesota to Louisiana Small is the key word each one has a population under 10 000 people and the smallest community has just 66 permanent residents In each community you'll enjoy Historic architecture Outdoor recreation Great river views Friendly people Take a walk along the river Get a piece of pie Find a tavern and share a drink with the folks who live there Have a conversation Above all enjoy the slower pace But be warned this type of travel is terribly addictive **Union County**

River Towns Jeannette Lasansky,2011 High ridges and lush valleys teeming with natural resources abutted Union County's river towns of Allenwood White Deer New Columbia West Milton and Winfield Creeks emptying into the Susquehanna River connected gristmills and communities like Spring Garden to their river neighbors Narrow gauge railroad lines brought excursions from White Deer to Tea Springs and men and lumber to operations run by lumber barons The Reading Railroad ran beside the Susquehanna but other lines crossed it establishing West Milton as a railroad hub Central Oak Heights and Devitt's Camp perched above West Milton Allenwood and Spring Garden while groves and islands at the river's edge were dotted with rustic camps In the mid 20th century a new Route 15 altered most of these towns' streetscapes as World War II took the town of Alvira and area farmlands by eminent domain for explosives production Through vintage photographs Union County River Towns chronicles the rich history and evolution of this former frontier land *The River Towns of Connecticut:*

River Town Peter Hessler, 2013-12-19 When Peter Hessler went to China in the late 1990s he expected to spend a couple of peaceful years teaching English in the town of Fuling on the Yangtze River But what he experienced the natural beauty cultural tension and complex process of understanding that takes place when one is thrust into a radically different society surpassed anything he could have imagined Hessler observes firsthand how major events such as the death of Deng Xiaoping the return of Hong Kong to the mainland and the controversial construction of the Three Gorges Dam have affected even the people of a remote town like Fuling Poignant thoughtful and utterly compelling River Town is an unforgettable portrait of a place caught mid river in time much like China itself a country seeking to understand both what it was and what it will one day become
