Rivers Of Canada:

The Rivers of Canada Hugh MacLennan, 1962 **Seven Rivers of Canada** Hugh MacLennan, 1961 Essays on seven major rivers of Canada by Hugh MacLennan **The Rivers of Canada** Hugh MacLennan, 1961 Rivers of North America Michael D. Delong, Timothy D. Jardine, Arthur C. Benke, Colbert E. Cushing, 2023-04-20 Rivers of North America Second Edition features new updates on rivers included in the first edition as well as brand new information on additional rivers This new edition expands the knowledge base providing readers with a broader comparative approach to understand both the common and distinct attributes of river networks The first edition addressed the three primary disciplines of river science hydrology geomorphology and ecology This new edition expands upon the interactive nature of these disciplines showing how they define the organization of a riverine landscape and its processes An essential resource for river scientists working in ecology hydrology and geomorphology Provides a single source of information on North America's major rivers Features authoritative information on more than 200 rivers from regional specialists Includes full color photographs and topographical maps to illustrate the beauty major features and uniqueness of each river system Offers one page summaries help readers quickly find key statistics and make comparisons among rivers *Seven rivers of Canada* Hugh MacLennan, 1977 **Seven Rivers of Canada** Hugh MacLennan, 1969 **Voyages: Canada's Heritage Rivers (soft cover)** Lynn E. Noel, 1995 Voyages is an exceptional book that celebrates the diversity and splendor of the twenty seven rivers nominated to the Canadian Heritage Rivers system Lynn Noel has assembled an impressive collection of stories that are filled with a spirit of adventure discovery beauty and joy The rivers in this book are more than flowing water each has a unique story to tell and each represents an important part of our Canadian heritage and identity These rivers are the threads that bind this nation from the Arctic Barrens to southe Ontario's farmlands from Newfoundland Rocky Hills to the mountains and glaciers of British Columbia This is a perfect book for anyone who cares for or wishes to lea about Canada's Spectacular River heritage and environment Don Gibson National Manager Canadian heritage rivers system project The exploration of Canada's national river conservation system in its first ten years Their spirit of place is captured in river songs folktales and Canadian Literature with color photographs and hand drawn maps Register of International Rivers Sam Stuart, 2013-09-03 Register of International Rivers comprises international river and lake basins that form a substantial portion of the earth's water resources available for human use and consumption This Register is prepared by the United Nations Department of Economic and Social Affairs for sessions of the Economic and Social Council's Committee on Natural Resources This book is divided into seven sections that comprise separate river basins communicating directly with the final recipient of the water including oceans closed inland seas and lakes It includes all the world's separate basins shared by two or more countries and in some cases most of the basin area is confined to one country and only a small part of it extends to one or more countries All data are organized according to five major continental divisions Africa North and Central America South America Asia

and Europe Two categories of tables are prepared for each major continental subdivision One is a list of countries sharing river basins with other countries while the other is a list of rivers and lakes forming international boundaries and showing the approximate length of the boundary waters **The Canada Year Book** ,1975 **South Asian Rivers** Imtiaz Ahmed,2017-11-10 This volume identifies existing statist approaches and political economies of river management in South Asia These rivers are heavily suffering from millions of people who in contrast consider them as holy and worship them Edited by Professor Imtiaz Ahmed the contributors of this book from India Nepal and Pakistan are leading readers on a journey through the transboundary rivers of South Asia where rivers are vital for the life and living The book explains why the region needs a framework for cooperation on the wellbeing of these rivers River management is the key to sustaining healthy river systems The authors stress that right of the rivers must be codified and guaranteed by the state and the people in South Asia However the statist approach to the transboundary rivers in South Asia actually conceives them as national rivers This volume contributes to the current campaign of overcoming the water dystopias in South Asia
