Rn The Memoirs Of Richard Nixon:

The Memoirs of Richard Nixon Richard Milhous Nixon, 1979 **RN, the Memoirs of Richard Nixon** Richard M. Nixon, 1978 **RN** Richard Nixon, 2013-01-08 Informative explicit even suspense ridden An important source for students of the Nixon presidency The New York Times Former President Richard Nixon s bestselling autobiography is an intensely personal examination of his life public career and White House years With startling candor Nixon reveals his beliefs doubts and behind the scenes decisions shedding new light on his landmark diplomatic and domestic initiatives political campaigns and historic decision to resign from the presidency Memoirs spanning Nixon s formative years through his presidency reveals the personal side of Richard Nixon Witness his youth college years and wartime experiences events which would shape his outward philosophies and eventually his presidency and shape our lives Follow his meteoric rise to national prominence and the great peaks and depths of his presidency Throughout his career Richard Nixon made extensive notes about his ideas conversations activities meetings During his presidency from November 1971 until April 1973 and again in June and July 1974 he kept an almost daily diary of reflections analyses and perceptions These notes and diary dictations quoted throughout this book provide a unique insight into the complexities of the modern presidency and the great issues of American policy and politics **RN** ,1978 **RN** Richard Milhous Nixon, 1978 The autobiography of the thirty seventh President of the United States **RN** Richard Milhous Nixon, 1990 The autobiography of the thirty seventh President of the United States **RN** Richard M. Nixon, 2012-12-01 **Richard Nixon** Richard Nixon, 2010-01-02 The first book to present America s most controversial president in his own words across his entire career this unique collection of Richard Nixon s most important writings dramatically demonstrates why he has had such a profound impact on American life This volume gathers everything from schoolboy letters to geostrategic manifestos and Oval Office transcripts to create a fascinating portrait of Nixon one that is enriched by an extensive introduction in which Rick Perlstein puts forward a major reinterpretation of the thirty seventh president s rise and fall This anthology includes some of the most famous addresses in American history from Nixon s Checkers speech 1952 and Last Press Conference 1962 to the Silent Majority speech 1969 and White House farewell These texts are joined by campaign documents including the infamous Pink Sheet from the 1950 Senate race that give stark evidence of Nixon s slashing political style Made easily available here for the first time these writings give new depth to our understanding of Nixon **The Memoirs of Richard Nixon** Richard Milhous Nixon, 1979 **RN, the memoirs of Richard Nixon. Chinese, Selections** Richard Milhous Nixon, 1978 **The Memoirs of Richard Nixon** Richard M. Nixon, 1988 **The memoirs of Richard Nixon** Richard Nixon, 1976 **Reinventing Richard Nixon** Daniel Frick, 2023-04-21 Nixon s the One proclaimed his campaign paraphernalia Tricky Dick retorted his detractors From presidential savior for conservative America to bte noire for the political Left the Richard Nixon persona has worn many masks and labels In fiction and poetry and pop songs in television and film no other national political figure has so thoroughly

saturated our public consciousness with so many contrasting images Focusing on the process of Nixon's continuous reinvention Daniel Frick reveals a figure who continues to expose key fault lines in the nation's self definition Drawing on references ranging from All in the Family to Zappa and the Mothers of Invention he shows how Nixon has become one of America's most durable and multifaceted icons in the ongoing and fierce debates over the import and meaning of the last sixty years of national life Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements Whether your image of Nixon is shaped by his autobiography Six Crises Oliver Stone's surprisingly sympathetic film Nixon John Adams's landmark opera Nixon in China or by the saga of Watergate Reinventing Richard Nixon expands on all perspectives It shows how through these contradictory mythic stories we continue to reinvent much like Nixon himself our own sense of national identity

Richard Nixon Hal Bochin, 1990-01-19 Although much has been written about Richard Nixon the man and the politician comparatively little attention has been paid to Nixon the public speaker This is unfortunate because it was through public speaking that Nixon an introverted private man first captured public attention won a seat in the House of Representatives advanced to the Senate held on to his vice presidential nomination lost and won the presidency and eventually molded a constituency that carried him to one of the most overwhelming presidential election victories in American history It was also through public speaking that President Nixon attempted to defend himself against charges related to the Watergate incident and sought to save himself from impeachment When his rhetorical efforts failed to rouse popular support he had no choice but to resign This volume examines the combination of personal characteristics and artistic choices that made Richard M Nixon a successful albeit extremely controversial public speaker from 1946 to the present Based on Nixon's own writings primary materials found in special collections a number of rhetorical studies by communication scholars and historical case studies the most complete picture yet of Nixon as a rhetorical strategist emerges The study of Nixon's rhetoric is the study of many important issues from the alleged threat of subversive communism to Vietnam to Watergate confronting America from 1946 to 1974 It is also the study of the man himself because Nixon took an active role in the composition of all his important addresses That both the highs

and lows of Richard Nixon's career were marked by public address makes the rhetoric of Richard Nixon a worthy subject for anyone interested in political science history or communication and persuasion Richard Nixon Roger Barr, 1992 A biography of former president Richard Nixon beginning with his youth and continuing through his presidency the Watergate Affair and his life today *RN, the Memoirs of Richard Nixon* Richard M. Nixon, 1979 *President Nixon* Richard Reeves, 2002-10-10 PRESIDENT NIXON shows a man alone in a White House ruled by secrets and lies trying to impose old values at home and new balances of power everywhere in the world Reeves proves that the Watergate scandal was no aberration in an administration foreshadowed by a series of successful uses of national security to cover coups burglaries lies the abandonment of America's allies and even murder Reeves portrays a man of vision and iron will who created used and was used by a small cast of hard ambitious men who formed a poisonous circle around their insecure leader Alone Nixon challenged and changed the world's political and military balance while also plotting to destroy both the Democratic and Republican parties in an attempt to create secretly a new party of the centre This account of Nixon's stewardship will stand as the balanced authoritative portrait of an astonishing president and his ruined presidency Culture Wars Roger Chapman, 2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporar Nixon's Economy Allen J. Matusow, 1998 Historian Allen J Matusow now presents the first comprehensive history of Nixon's political economy He depicts a president who disliked the subject but was forced to pay attention or lose his dream of effecting a historic realignment of the political parties in America The study derives its authority from extensive archival research in Nixon's presidential papers including notes by Haldeman and Ehrlichman of crucial conversations in the Oval Office Matusow shows the poverty of contemporary economic theory Nixon's willingness to sacrifice the world economy for his domestic political purposes and his desperate attempts to find something anything that might work Lurching from one set of policies to another Matusow argues Nixon achieved only illusory successes that ultimately brought on a decade of economic disaster *JFK and His Enemies* Thomas J. Whalen, 2014-05-23 The famed 19th century humorist Finely Peter Dunne once commented that life would not be worth living if we didn't keep our enemies Certainly John F Kennedy could appreciate the wisdom behind this observation At nearly every stage of his noteworthy political career which stretched from the dank run down tenement houses of Charlestown Massachusetts in 1946 to the gleaming downtown skyscrapers of Dallas Texas in 1963 Kennedy had collected his fair share of enemies Some like Henry Cabot Lodge Jr in 1952 and Lyndon Johnson in 1960 presented formidable political obstacles to his attaining higher office Others like Nikita Khrushchev during the Cuban Missile Crisis of 1962 threatened the very survival of the human race itself Regardless of the stakes Kennedy always seemed to rise to the level of the domestic or international challenge presented Our problems are man made therefore they may be solved by man he said To those who knew him best this single mindedness was not surprising He clearly wanted to

establish a place in history insisted Robert McNamara Kennedy's Secretary of Defense But being an historian himself Kennedy realized that political success did not come easily or cheaply It required individual strength of character clarity of thought and the ability to act decisively There are risks and costs to action he allowed But they are far less than the long range risks of comfortable inaction
