DISAPPEARANCE ROAD

A NOVEL BY
TONYA F. MCKINLEY

Road To Disappearance

Alan Bailey

Road To Disappearance:

The Road to Disappearance Angie Debo, 1941 *The Road to Disappearance. [A History of the Creek Indians. With Plates.]* Angie Debo, 1941 Social Order and Political Change Duane Champagne, 1992-07-01 Under what conditions can democratic governments be formed and become stable The author addresses this question in a unique way that brings sociological and political theory to bear on the study of traditional societies long the preserve of historians and anthropologists By examining in detail the history of four American Indian societies the Cherokee the Choctaw the Chickasaw and the Creek the author documents a general theory of politics and constitutional government The four societies present an opportunity to study the process of democratic institution building in a controlled comparative historical context The societies were subject to similar geopolitical relations with the United States they were incorporated into the same sequence of world economic system relations initially fur trade and then the cotton market they experienced the emergence of class structures and they all produced some form of constitutional democracy The Cherokee however adopted a stable constitutional government earlier and with less coercion than the other three nations Why was this so With the aid of comparative analysis the author finds the answer in the Cherokee differentiation of politics from the nationally and religiously ordered clan system This set of institutional relations allowed the Cherokee to maintain a strong sense of social solidarity while tolerating conflict increased political differentiation and formation of a political nationality The other three societies were either less differentiated or less socially unified They formed their constitutional governments thirty to forty years later than the Cherokee and with more internal political coercion and in the Creek case with less political stability The formation and stabilization of democratic state governments is a major issue in such contemporary phenomena as political change in Third World nations and the transformation of the governments of Eastern Europe The four case studies presented in this book form the basis of a new and powerful theoretical argument for understanding historical patterns of democratic change political stability and the relations of political power George Washington Grayson and the Creek Nation, 1843-1920 Mary Jane Warde, 1999 A confederate soldier pioneer merchant rancher newspaper publisher and town builder George Washington Grayson also served for six decades as a leader of the Creek Nation His life paralleled the most tumultuous events in Creek Indian and Oklahoma history from the aftermath of the Trail of Tears through World War I As a diplomat representing the Creek people Grayson worked to shape Indian policy As a cultural broker he explained its ramifications to his people A self described progressive who advocated English education constitutional government and economic development Grayson also was an Indian nationalist who appreciated traditional values When the Creeks faced allotment and loss of sovereignty Grayson sought ways to accommodate change without sacrificing Indian identity Mary Jane Warde bases her portrait of Grayson on a wealth of primary and secondary sources including the extensive writings of Grayson himself **Chinnubie and the Owl** Alexander Lawrence Posey, 2005-12-01 Though he died at the age of thirty

four the Muscogee Creek poet journalist and humorist Alexander Posey 1873 1908 was one of the most prolific and influential American Indian writers of his time This volume of nine stories five orations and nine works of oral tradition is the first to collect these entertaining and important works of Muscogee literature Many of Posey s stories reflect trickster themes his orations demonstrate both his rhetorical prowess and his political stance as a Progressive Muscogee and his works of oral tradition reveal his deep cultural roots Most of these pieces which first appeared between 1892 and 1907 in Indian Territory newspapers and magazines have since become rarities many of the original pieces surviving only as single clippings in a few archives *Prologue* ,1997

Progressive Oklahoma Danney Goble,2015-07 Progressive Oklahoma traces Oklahoma s rapid evolution from pioneer territory to statehood under a model Progressive constitution Author Danney Goble reasons that the Progressive movement grew as a reaction to an exaggerated species of Gilded Age social values the notion that an expanding marketplace and unfettered individualism would properly regulate progress Near the end of the territorial era that notion was challenged commercial farmers and trade unionists saw a need to control the market through collective effort and the sudden appearance of new corporate powers convinced many that the invisible hand of the marketplace had become palsied After years of territorial setbacks Oklahoma Democrats readily embraced the Progressive agenda and swept the 1906 constitutional convention elections They went on to produce for their state a constitution that incorporated such landmark Progressive features as the initiative and referendum strict corporate regulation sweeping tax reform a battery of social justice measures and provisions for state owned enterprises Goble is keenly aware that the Oklahoma experience was closely related to broader changes that shaped the nation at the turn of the century Progressive Oklahoma examines the elemental changes that transformed Indian Territory into a new kind of state and its inhabitants into Oklahomans and modern Americans

The Color of the Land David A. Chang,2010 Color of the Land Race Nation and the Politics of Landownership in Oklahoma 1832 1929

Regionalists on the Left Michael C. Steiner,2015-02-02 Nothing is more anathema to a serious radical than regionalism Berkeley English professor Henry Nash Smith asserted in 1980 Although regionalism in the American West has often been characterized as an inherently conservative backward looking force regionalist impulses have in fact taken various forms throughout U S history The essays collected in *Regionalists on the Left* uncover the tradition of left leaning western regionalism during the 1930s and 1940s Editor Michael C Steiner has assembled a group of distinguished scholars who explore the lives and works of sixteen progressive western intellectuals authors and artists ranging from nationally prominent figures such as John Steinbeck and Carey McWilliams to equally influential though less well known figures such as Angie Debo and Am rico Paredes Although they never constituted a unified movement complete with manifestos or specific goals the thinkers and leaders examined in this volume raised voices of protest against racial environmental and working class injustices during the Depression era that reverberate in the twenty first century Sharing a deep affection for their native and adopted places within the West these individuals felt a strong sense of avoidable

and remediable wrong done to the land and the people who lived upon it motivating them to seek the root causes of social problems and demand change Regionalists on the Left shows also that this radical regionalism in the West often took urban working class and multicultural forms Other books have dealt with western regionalism in general but this volume is unique in its focus on left leaning regionalists including such lesser known writers as B A Botkin Carlos Bulosan Sanora Babb and Joe Jones Tracing the relationship between politics and place across the West Regionalists on the Left highlights a significant but neglected strain of western thought and expression

History of the Second Seminole War, 1835-1842 John K. Mahon, 2017-11-29 The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida's long history of publishing Latin American and Caribbean studies titles that connect in and through Florida highlighting the connections between the Sunshine State and its neighboring islands Books in this series show how early explorers found and settled Florida and the Caribbean They tell the tales of early pioneers both foreign and domestic They examine topics critical to the area such as travel migration economic opportunity and tourism They look at the growth of Florida and the Caribbean and the attendant pressures on the environment culture urban development and the movement of peoples both forced and voluntary The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural archaeological cultural and historical works as well as the travelogues and naturalists sketches of the area prior to the twentieth century making it accessible for scholars and the general public alike The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W Mellon Foundation under the Humanities Open Books program

Flowing Through Time Lynn Willoughby, 2012-05-23 This handsome illustrated book chronicles the history of the Lower Chattahoochee River and the people who lived along its banks from prehistoric Indian settlement to the present day In highly accessible energetic prose Lynn Willoughby takes readers down the Lower Chattahoochee River and through the centuries On this journey the author begins by examining the first encounters between Native Americans and European explorers and the international contest for control of the region in the 17th and 19th centuries Throughout the book pays particular attention to the Chattahoochee's crucial role in the economic development of the area In the early to mid nineteenth century the beginning of the age of the steamboat and a period of rapid growth for towns along the river the river was a major waterway for the cotton trade The centrality of the river to commerce is exemplified by the Confederacy's efforts to protect it from Federal forces during the Civil War Once railroads and highways took the place of river travel the economic importance of the river shifted to the building of dams and power plants This subsequently led to the expansion of the textile industry In the last three decades the river has been the focus of environmental concerns and the subject of water wars because of the rapid growth of Atlanta Written for the armchair historian and the scholar the book provides the first comprehensive social economic and environmental history of this important Alabama Georgia Florida river Historic photographs and maps help bring the river's fascinating story to life

When the Wolf Came Mary Jane Warde, 2013-07-01 Winner of the 2014 Oklahoma Book Award for nonfiction Winner of the 2014 Pate Award from the Fort Worth Civil War Round Table When the peoples of the Indian Territory found themselves in the midst of the American Civil War squeezed between Union Kansas and Confederate Texas and Arkansas they had no way to escape a conflict not of their choosing and no alternative but to suffer its consequences When the Wolf Came explores how the war in the Indian Territory involved almost every resident killed many civilians as well as soldiers left the country stripped and devastated and cost Indian nations millions of acres of land Using a solid foundation of both published and unpublished sources including the records of Cherokee Choctaw and Creek nations Mary Jane Warde details how the coming of the war set off a wave of migration into neighboring Kansas the Red River Valley and Texas She describes how Indian Territory troops in Unionist regiments or as Confederate allies battled enemies some from their own nations in the territory and in neighboring Kansas Missouri and Arkansas And she shows how post war land cessions forced by the federal government on Indian nations formerly allied with the Confederacy allowed the removal of still more tribes to the Indian Territory leaving millions of acres open for homesteads railroads and development in at least ten states Enhanced by maps and photographs from the Oklahoma Historical Society's photographic archives When the Wolf Came will be welcomed by both general readers and scholars interested in the signal public events that marked that tumultuous era and the consequences for the territory's tens of thousands of native peoples

A Brutal Reckoning Peter Cozzens, 2024-09-03 The story of the pivotal struggle between the Creek Indians and an insatiable young United States for control over the Deep South from the acclaimed historian and prize winning author of *The Earth is Weeping* The Creek War is one of the most tragic episodes in American history leading to the greatest loss of Native American life on what is now U S soil What began as a vicious internal conflict among the Creek Indians metastasized like a cancer The ensuing Creek War of 1813 1814 shattered Native American control of the Deep South and led to the infamous Trail of Tears in which the government forcibly removed the southeastern Indians from their homeland The war also gave Andrew Jackson his first combat leadership role and his newfound popularity after defeating the Creeks would set him on the path to the White House In *A Brutal Reckoning* Peter Cozzens vividly captures the young Jackson describing a brilliant but harsh military commander with unbridled ambition a taste for cruelty and a fraught sense of honor and duty Jackson would not have won the war without the help of Native American allies yet he denied their role and even insisted on their displacement together with all the Indians of the American South in the Trail of Tears A conflict involving not only white Americans and Native Americans but also the British and the Spanish the Creek War opened the Deep South to the Cotton Kingdom setting the stage for the American Civil War yet to come No other single Indian conflict had such significant impact on the fate of America and *A Brutal Reckoning* is the definitive book on this forgotten chapter in our history

A Promise Kept Robert J. Miller, Robbie Ethridge, 2023-01-26 At the end of the Trail of Tears there was a promise U S Supreme Court Justice Neil Gorsuch wrote in the decision issued on

July 9 2020 in the case of *McGirt v Oklahoma* And that promise made in treaties between the United States and the Muscogee Creek Nation more than 150 years earlier would finally be kept With the Court s ruling the full extent of the Muscogee Creek Reservation was reaffirmed meaning that 3 25 million acres of land in Oklahoma including part of the city of Tulsa were recognized once again as Indian Country as defined by federal law A Promise Kept explores the circumstances and implications of *McGirt v Oklahoma* likely the most significant Indian law case in well over 100 years Combining legal analysis and historical context this book gives an in depth accessible account of how the case unfolded and what it might mean for Oklahomans the Muscogee Creek Nation and other tribes throughout the United States For context Robbie Ethridge traces the long history of the Muscogee Creek Nation from its inception in present day Georgia and Alabama in the seventeenth century through the tribe s rise to regional prominence in the colonial era the tumultuous years of Indian Removal and the Civil War and allotment and into its resurgence in Oklahoma in the twentieth and twenty first centuries Against this historical background Robert J Miller considers *McGirt v Oklahoma* examining important related cases precedents that informed the Court s decision and future ramifications legal civil regulatory and practical for the Muscogee Creek Nation federal Indian law the United States the state of Oklahoma and Indian nations in Oklahoma and elsewhere Their work clarifies the stakes of a decision that while long overdue raises numerous complex issues profoundly affecting federal state and tribal relations and law and will continue to do so for the foreseeable future *Indian Orphanages* Marilyn Irvin Holt,2001 This work interweaves Indian history educational history family history and child welfare policy to tell the story of Indian orphanages within the larger context of the orphan asylum in America It relates the history of these orphanages and the cultural factors that produced and sustained them [America's Most Chilling Unsolved Disappearances Book 2](#) Dr. James Carver,2025-08-21 *America's Most Chilling Unsolved Disappearances 2 The Unsolved and Unforgotten Series* This volume presents five haunting cases of missing children and young adults whose disappearances remain a mystery *America's Most Chilling Unsolved Disappearances 2* delves into the unsettling stories of Etan Patz Tara Calico Asha Degree Maura Murray and Phoenix Coldon each case capturing the uncertainty fear and heartbreak that linger when someone vanishes without a trace Etan Patz 1979 New York A six year old boy walks to school and never returns His image on milk cartons sparks nationwide awareness of missing children yet the mystery of his fate endures Tara Calico 1988 New Mexico A teenager disappears during a morning bike ride A Polaroid photograph surfaces years later igniting speculation fear and countless theories but no definitive answers Asha Degree 2000 North Carolina In the middle of the night a nine year old girl walks into the darkness and vanishes Her sudden disappearance continues to puzzle investigators and haunt her community Maura Murray 2004 New Hampshire A college student disappears after a minor car accident creating what many call the internet s first missing person mystery Every clue sparks online sleuths yet the truth remains elusive Phoenix Coldon 2011 Missouri A young woman disappears from her East St Louis apartment leaving behind her phone personal items and a

trail of unanswered questions Her case highlights the dangers and complexities of urban disappearances Written with meticulous research empathy and suspense this book examines not only the facts and timelines but also the human cultural and societal dimensions behind each disappearance Readers are invited to reflect on families tireless advocacy the investigative challenges and the public fascination with cases that remain unresolved Each story is a chilling reminder of life s fragility the mystery that can unfold in everyday settings and the enduring hope that fuels searches for truth Part of The Unsolved and Unforgotten Series this volume is a gripping thoughtful exploration of America s most baffling and haunting missing person cases

Infrastructural Brutalism Michael Truscello,2020-09-01 How drowned town literature road movies energy landscape photography and death train narratives represent the brutality of industrial infrastructures In this book Michael Truscello looks at the industrial infrastructure not as an invisible system of connectivity and mobility that keeps capitalism humming in the background but as a manufactured miasma of despair toxicity and death Truscello terms this infrastructural brutality a formulation that not only alludes to the historical nexus of infrastructure and the concrete aesthetic of Brutalist architecture but also describes the ecological political and psychological brutality of industrial infrastructures

The Black Lizard Big Book of Locked-Room Mysteries Otto Penzler,2014-10-28 The Most Complete Collection of Impossible Crime Stories Ever Assembled with puzzling mysteries by Stephen King Dashiell Hammett Lawrence Sanders Agatha Christie Georges Simenon Dorothy L Sayers P G Wodehouse Erle Stanley Gardner and many many more THE BLACK LIZARD BIG BOOK OF LOCKED ROOM MYSTERIES An empty desert a lonely ski slope a gentleman s study an elevator car nowhere is a crime completely impossible Edgar Award winning editor Otto Penzler has collected sixty eight of the all time best impossible crime stories from almost two hundred years of the genre In addition to the many classic examples of the form a case of murder in a locked room or otherwise inaccessible place solved by a brilliant sleuth this collection expands the definition of the locked room to include tales of unbelievable thefts and incredible disappearances Among these pages you ll find stories with evocative titles like The Flying Death The Man From Nowhere A Terribly Strange Bed and The Theft of the Bermuda Penny not to mention appearances by some of the cleverest characters in all of crime including Arthur Conan Doyle s Sherlock Holmes Georges Simenon s Jules Maigret Agatha Christie s Hercule Poirot Dashiell Hammett s Continental Op and many more Featuring Unconventional means of murder Pilfered jewels Shocking solutions Includes Edgar Allan Poe s The Murders in the Rue Morgue the first detective story and the first locked room mystery Masters of the short story form Edward D Hoch Ellery Queen Carter Dickson and Stanley Ellin A VINTAGE CRIME BLACK LIZARD ORIGINAL

Missing, Presumed Alan Bailey,2014-12-01 Between 1993 and 1998 six Irish women ranging in age from eighteen to twenty eight disappeared The area in which these disappearances occurred became publicly referred to as The Vanishing Triangle To date none of the missing females have ever been located These six unsolved cases resulted in the creation of the specialist Garda task force Operation Trace set up in the hope of finding a connection between the missing

women None was found The task force investigated dozens of unsolved cases of women gone missing in Ireland Alan Bailey served as the National Coordinator for the task force for thirteen years and the revealing stories in Missing Presumed all come from his personal experiences in this role Missing Presumed details and reports on the Garda investigations into the case studies of fifteen women who disappeared over a time span of twenty years In almost half of the cases the women s badly mutilated bodies were recovered sometimes months later buried in shallow graves Each chapter focuses on one woman s story and details the timeline of events that led to her disappearance beginning on the day of her disappearance through to the ensuing investigation and up to when lucky a conviction These stories are haunting terrifying and true It is now sixteen years since Trace was established The families and friends of both the disappeared and those whose bodies were found still await closure **Good Roads** ,1922
