Road To Hell:

The Road to Hell Kinsley Adams, 2025-05-20 Lucifer's rebellious daughter driven by revenge A vampire bound by regret In the depths of Hell their forbidden love could reignite or consume them both Being Lucifer's daughter comes with baggage And by baggage I mean a destiny I never asked for a prophecy I can't escape and a to do list straight from Hell Literally Our mission Destroy the fallen angels still loyal to my father and sever his ability to create more hellspawn Without them his army is finite and beatable But that's not all To stand a chance against Lucifer we'll need to find new allies and rebuild the rebellion he crushed the last time I dared to defy him Easy right And then there's Rathiel The vampire who stole my memories exiled me to Earth and shattered every ounce of trust I had in him I should hate him I want to hate him but the way he looks at me the way he sets my blood on fire with a single touch makes it impossible When he's near I can barely think When he's gone I can hardly breathe He's a constant reminder of everything I've lost and everything I still want The path forward is clear take down the fallen reclaim my memories and rally an army before Lucifer crushes us for good But the hardest battle Facing the feelings I can't control for the one who hurt me the most Because in Hell some battles are fought with fire and others with the heart
