Rambling walking and mountaineering are among the most popular of outdoor activities and although for instance the Alps have always been free for all to walk on Britain has a long history of restrictions to its open moors and mountains Nowadays we have National Parks long distance footpaths nature trails and country parks but these have only come about through determined battles both in Parliament and on the moors themselves The nineteenth century saw the growth of the industrial towns with the poor housing crowded factories and long working hours To provide some escape the working people and many enlightened intellectuals as well turned to the countryside but they soon came into conflict with the hunting and game shooting activities of the landowners of the Home Counties Scotland and especially the Peak It was in the Peak District surrounded by the conurbations of the industrial north and with Manchester and Sheffield on its doorstep that the access struggles began reaching their greatest intensity during the depression of the 1930s when five men were jailed for trespassing on the moors of Kinder Scout Despite the many attempts in Parliament from the end of the nineteenth century to restore the ancient right to walk without let or hindrance over uncultivated land it was not until 1949 that a workable Act

was put on the Statue Book and National Parks by far the most advanced in this respect has still access agreements for only one third of its open land while there is no free legal access to Snowdonia despite being in a National Park and invaded by climbers and walkers Exmoor Forest of Bowland and many other areas The countryside is coming under increasing pressure from industry urban development new farming techniques and especially the increased leisure needs of people Now more than ever before the formidable task of preserving the countryside and making it accessible for the benefit of everyone is one of our greatest challenges This book is the first comprehensive history of the open air movement It tells the story of the conflicts with landowners and politicians the battles for access that have been fought in the past of those that remain Front and back flaps of book jacket
