Robber Boy Hc 1999:

Armed Robbery Roger Matthews, 2013-01-11 Armed robbery is regarded as one of the most serious crimes and is widely reported in the media This book provides an account of armed robbery based on research with 350 robbers in prison and on work with two police armed response units **Cumulated Index Medicus** ,1999 Private Guns, Public Health David Hemenway, 2006-12-29 In this small book David Hemenway has produced a masterwork He has dissected the various aspects of the gun violence epidemic in the United States into its component parts and considered them separately He has produced a scientifically based analysis of the data and indeed the microdata of the over 30 000 deaths and 75 000 injuries which occur each year Consideration and adoption of the policy lessons he recommends would strengthen the Constitutional protections that all of our citizens have to life liberty and the pursuit of happiness Richard F Corlin Past President American Medical Association This lucid and penetrating study is essential reading for anyone who wishes to understand the tragedy of gun violence in America and even more important what we can do to stop it David Hemenway cuts through the cant and rhetoric in a way that no fair minded person can dismiss and no sane society can afford to ignore Richard North Patterson novelist The rate of gun related homicide suicide and accidental injury has reached epidemic proportions in American society Diagnosing and treating the gun violence epidemic demands the development of public health solutions in conjunction with legislative and law enforcement strategies Kweisi Mfume President and CEO of NAACP In scholarly sober analytic assessments including rigorous critiques of NRA popularized pseudoscience David Hemenway constructs a convincing case that firearm availability is a critical and proximal cause of unparalleled carnage By formulating such violence as a public health issue he proposes workable policies analogous to ones that reduced injuries from tobacco alcohol and automobiles Jerome P Kassirer Editor in Chief Emeritus New England Journal of Medicine and Distinguished Professor Tufts University School of Medicine As a former District Attorney and Attorney General I know the urgency of providing safe homes schools and neighborhoods for all This remarkable tour de force is a powerful study of one promising solution a data rich eminently readable demonstration of why we should treat gun violence as an American epidemic Scott Harshbarger Former Attorney General of Massachusetts President and CEO of Common Cause On an average day in the United States guns are used to kill almost eighty people and to wound nearly three hundred more If any other consumer product had this sort of disastrous effect the public outcry would be deafening yet when it comes to guns such facts are accepted as a natural consequence of supposedly high American rates of violence *Private Guns Public Health* explodes that myth and many more revealing the advantages of treating gun violence as a consumer safety and public health problem David Hemenway fair minded and authoritatively demonstrates how a public health approach which emphasizes prevention over punishment and which has been so successful in reducing the rates of injury and death from infectious disease car accidents and tobacco consumption can be applied to gun violence Hemenway uncovers the complex connections between guns and self defense gun violence

and schools gun prevalence and homicide and more Finally he outlines a policy course that would significantly reduce gun related injury and death With its bold new public health approach to guns *Private Guns Public Health* marks a shift in our understanding of guns that will finally point us toward a solution The Best Novels of the Nineties Linda Parent Leshner,2015-11-17 This reader s guide provides uniquely organized and up to date information on the most important and enjoyable contemporary English language novels Offering critically substantiated reading recommendations careful cross referencing and extensive indexing this book is appropriate for both the weekend reader looking for the best new mystery and the full time graduate student hoping to survey the latest in magical realism More than 1 000 titles are included each entry citing major reviews and giving a brief description for each book In Bad Company Mark S. Hamm,2002 A thorough examination of the Aryan Republican Army and its violent neo Nazi subculture **Property Crime in London, 1850-Present** W. Meier,2011-07-04 This book examines London s transformation from the mid Victorian miracle of low crime to a high crime society treating six different types of misdeed as representative of phases in the evolution of crime to argue that lawbreaking must be explained by connecting all types of offenses to their social and economic contexts **Track Two Diplomacy in Theory and Practice** Peter Jones,2015-09-02 Jones provides a nuanced perspective on both the promise and limits of this unheralded form of unofficial diplomacy Stephen J Del Rosso Director International Peace and Security Carnegie Corporation of New York Track Two diplomacy consists of informal dialogues among actors such as academics religious leaders retired senior officials and NGO officials that can bring new ideas and new relationships to the official process of diplomacy Sadly those involved in official diplomacy often have little understanding of and appreciation for the complex and nuanced role that Track Two can play or for its limitations And many Track Two practitioners are often unaware of the realities and pressures of the policy and diplomatic worlds and not particularly adept at framing their efforts to make them accessible to hard pressed officials At the same time those interested in the academic study of Track Two sometimes fail to understand the realities faced by either set of practitioners A need therefore exists for a work to bridge the divides between these constituencies and between the different types of Track Two practice and this book crosses disciplines and traditions in order to do just that It explores the various dimensions and guises of Track Two the theory and practice of how they work and how both practitioners and academics could more profitably assess Track Two Overall it provides a comprehensive picture of the range of activities pursued under this title to provoke new thinking about how these activities relate to each other to official diplomacy and to academe This book will be a classic that defines the field of Track Two diplomacy an exemplary work Esra Cuhadar Bilkent University **Remington & Ballinger's Annotated Codes and Statutes of Washington (cite Rem. & Bal.
