

ROBBERS ROGUES AND RUFFIANS

True Tales of the Wild West
HOWARD BRYAN
Foreword by Tony Hillerman

Robbers Rogues And Ruffians True Tales Of The Wild West

Matthew P. Mayo

Robbers Rogues And Ruffians True Tales Of The Wild West:

Robbers, Rogues, and Ruffians Howard Bryan, 1991 Authentic accounts of outlaws and desperadoes of the western frontier based on newspaper accounts and interviews with pioneers who knew them *Badasses of the Old West* Erin H. Turner, 2009-09-18 *Badasses of the Old West* brings together thirty six tales of the worst and best robbers rustlers and bandits who shaped the history of the Wild West in one compelling volume From the famous such as Billy the Kid and the Wild Bunch to the lesser known but still colorful and wicked Charles Brown and Bud Stevens Here are just some of the fascinating and forbidding faces you ll meet Bud Stevens whose murder of a cattle king s son rang a death knell for an entire South Dakota town William Quantrill the terror of Civil War era Missouri Legendary bandits Frank and Jesse James Cold blooded Sam Brown who sneered while cutting out a man s heart but screamed in terror when the tables turned Jack Slade a composite of gentleman and murderer who was such an enigma across much of the West that he charmed both Mark Twain and Buffalo Bill Dust off your six shooter and settle into your saddle because this collection compiles the stories of the most notorious black hat wearers of a notorious age **Outlaw Tales of New Mexico** Barbara Marriott, 2012-03-06 True stories of the Land of Enchantment s most infamous crooks culprits and cutthroats **Ride the Devil's Herd** John Boessenecker, 2020-03-17 The story of how a young Wyatt Earp and his brothers defeated the Old West s biggest outlaw gang by the New York Times bestselling author of *Texas Ranger Wyatt Earp* is regarded as the most famous lawman of the Old West best known for his role in the Gunfight at the O K Corral in Tombstone Arizona But the story of his two year war with a band of outlaws known as the Cowboys has never been told in full The Cowboys were the largest outlaw gang in the history of the American West After battles with the law in Texas and New Mexico they shifted their operations to Arizona There led by Curly Bill Brocius they ruled the border robbing rustling smuggling and killing with impunity until they made the fatal mistake of tangling with the Earp brothers Drawing on groundbreaking research into territorial and federal government records John Boessenecker s *Ride the Devil s Herd* reveals a time and place in which homicide rates were fifty times higher than those today The story still bears surprising relevance for contemporary America involving hot button issues such as gang violence border security unlawful immigration the dangers of political propagandists parading as journalists and the prosecution of police officers for carrying out their official duties Wyatt Earp saw it all in Tombstone Praise for *Ride the Devil s Herd* A Pim County Public Library Southwest Books of the Year 2021 A True West Reader s Choice for Best 2020 Western Nonfiction Winner of the Best Book Award by the Wild West History Association A marvelous book By means of meticulous research and splendid writing John Boessenecker has managed to do something never before attempted or accomplished tying together the many violent clashes between lawmen and outlaws in the American southwest of the 1870 1890 period and showing how depredations by loosely organized gangs of outlaws actually threatened Manifest Destiny and the successful taming of the Wild West Robert K DeArment author and historian A ripsnortin ramble across the bloodstained Arizona desert

with Wyatt Earp and company Boessenecker displays a fine eye for period detail A pleasure for thoughtful fans of Old West history revisionist without being iconoclastic Kirkus Reviews **The Deadliest Outlaws** Jeffrey Burton, 2009 In the late nineteenth century Tom Ketchum and his brother Sam formed the Ketchum Gang with other outlaws and became successful train robbers In their day these men were the most daring of their kind and the most feared Eventually Tom Ketchum was caught and sentenced to death for attempting to hold up a railway train He became the first individual and the last ever to be executed for a crime of this sort Jeffrey Burton has been researching the story of the Ketchum Gang for more than forty years He sorts fact from fiction to provide the definitive truth about Ketchum and numerous other outlaws including Will Carver and Butch Cassidy The Deadliest Outlaws initially was published in a limited run of one hundred paperback copies in England This second edition in hardcover contains additional material and photographs not found in the earlier printing **The Gunfighters** Bryan Burrough, 2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of The Big Rich and Forget the Alamo comes an epic reconsideration of the time and place that spawned America's most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there's much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It's never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story He Rode with Butch and Sundance Mark T. Smokov, 2012 The

definitive biography of infamous western outlaw Harvey Alexander Logan better known as Kid Curry A violent conflict with a ranching neighbor in Montana caused him to flee to the Hole in the Wall valley in Wyoming where he became involved in rustling and eventually graduated to bank and train robbing as a member of the Wild Bunch This outlaw group was a melding of the best of the Hole in the Wall gang and Butch Cassidy s Powder Springs gang Smokov shows that Curry was not the bloodthirsty killer that many have claimed He contends that Curry was the actual train robbing leader of the Wild Bunch

Bad Company and Burnt Powder Bob Alexander,2014-07-15 Bad Company and Burnt Powder is a collection of twelve stories of when things turned Western in the nineteenth century Southwest Each chapter deals with a different character or episode in the Wild West involving various lawmen Texas Rangers outlaws feudists vigilantes lawyers and judges Covered herein are the stories of Cal Aten John Hittson the Millican boys Gid Taylor and Jim and Tom Murphy Alf Rushing Bob Meldrum and Noah Wilkerson P C Baird Gus Chenoweth Jim Dunaway John Kinney Elbert Hanks and Boyd White and Eddie Aten Within these pages the reader will meet a nineteen year old Texas Ranger figuratively dying to shoot his gun He does get to shoot at people but soon realizes what he thought was a bargain exacted a steep price Another tale is of an old school cowman who shut down illicit traffic in stolen livestock that had existed for years on the Llano Estacado He was tough salty and had no quarter for cow thieves or sympathy for any mealy mouthed politicians He cleaned house maybe not too nicely but unarguably successful he was Then there is the tale of an accomplished and unbeaten fugitive well known and identified for murder of a Texas peace officer But the Texas Rangers couldn t find him County sheriffs wouldn t hold him Slipping away from bounty hunters he hit Owlhoot Trail

Deadly Dozen Robert K. DeArment,2014-10-30 Wyatt Earp Billy the Kid Doc Holliday such are the legendary names that spring to mind when we think of the western gunfighter But in the American West of the late nineteenth and early twentieth centuries thousands of grassroots gunfighters straddled both sides of the law without hesitation Deadly Dozen tells the story of twelve infamous gunfighters feared in their own times but almost forgotten today Now noted historian Robert K DeArment has compiled the stories of these obscure men DeArment a life long student of law and lawlessness in the West has combed court records frontier newspapers and other references to craft twelve complete biographical portraits The combined stories of Deadly Dozen offer an intensive look into the lives of imposing figures who in their own ways shaped the legendary Old West More than a collective biography of dangerous gunfighters Deadly Dozen also functions as a social history of the gunfighter culture of the post Civil War frontier West As Walter Noble Burns did for Billy the Kid in 1926 and Stuart N Lake for Wyatt Earp in 1931 DeArment himself a talented writer brings these figures from the Old West to life John Bull Pat Desmond Mart Duggan Milt Yarberry Dan Tucker George Goodell Bill Standifer Charley Perry Barney Riggs Dan Bogan Dave Kemp and Jeff Kidder are the twelve dangerous men that Robert K DeArment studies in Deadly Dozen Twelve Forgotten Gunfighters of the Old West

Hornswogglers, Fourflushers & Snake-Oil Salesmen Matthew P. Mayo,2015-08-04 Everyone loves a heel especially one to whom nothing was sacred and who charmed his or her

way into the hearts minds and wallets of bumpkins and belles alike This collection offers twenty four tales of petty bandits sleazy bunko artists and conniving conmen and women who traveled West to seek their fortunes by preying on the men and women who went before them to settle and explore These stories of who they were what they did and why they are remembered for their deeds include ample and engaging historic illustrations of the shady characters at work and at play

Ignite the flame of optimism with is motivational masterpiece, **Robbers Rogues And Ruffians True Tales Of The Wild West** .
