Selected and Edited by Constance and Jack Glenn**, 1988 **Robert Motherwell**, 2002 Robert Motherwell Mary Ann Caws, 2013-06-01 Robert Motherwell was by far the most intellectual and articulate of the Abstract Expressionists This book written by a friend of the artist the well known writer and critic Mary Ann Caws examines Motherwell's way of thinking and writing in relation to his paintings The artist American by birth yet simultaneously American and European in his way of visualizing and vocalizing artistic and philosophical traditions always worked between these two poles and it is this tension that imbues his work with its particular intensity The author bases her analysis of Motherwell on the artist's own writings and readings as well as on extensive conversations and interviews with him She considers his work and interests in relation to those of other Abstract Expressionists as well as to the work of the Surrealists Her book highlights his deep attraction to France and French literature and art and his concern with the idea of elegy and the tragedy of the Spanish Civil War His singularly American spirit provided him with a manner of painting and thinking unique among the Abstract Expressionists as well as with a distinctive and highly personal filter through which to interpret his fascination with European literature and history

Robert Motherwell On Paper Robert Motherwell, 1997 The Abstract Expressionist artist Robert Motherwell 1915-1991 was best known as a painter but he also created a remarkable body of works on paper The drawings prints and collages in this book show a more intimate side of his visual sensibility they reveal the very personal handwriting of the artist as he responded to the subtleties of paper both as a medium and a material Motherwell was in fact a most extraordinary draftsman as this volume testifies Reproduced in color and in a generous format are more than a hundred of the artist's finest works on paper The book is published to accompany an exhibition at the Miriam and Ira D Wallach Art Gallery at Columbia University an exhibition that was conceived and developed in discussions with the artist during the final year of his life For this celebration of Motherwell's creative legacy David Rosand has gathered a distinguished group of contributors Together their essays on different aspects of Motherwell's work create a complex picture of a multifaceted artist **Art Books** Wolfgang M.
