Westphal, 2012-08

The hidden hunger within many of us is a deep spiritual emptiness that we often try to satisfy with the transitory promises of this world. With his book *Thy Will Be Done in Me*, David gently points the way toward a real relationship with our God, providing the nourishment our souls desire. I find his words to be insightful, inspirational, and challenging, but most importantly true. David Rockwood, author of *Tutoring Tommy Today*, where social media has changed the face of community, it is refreshing to read a book that reminds us of the true source and nature of all relationships.

Community in Christ In his own charming, candid, and witty way, David Westphal speaks to our deep longing for substantive and meaningful relationships. This is not a how-to book for spirituality; it is your guide for a lifelong journey with God.

Elizabeth Westphal, Lutheran pastor **Spiritual Leadership for Church Officers** Joan S. Gray, 2009-01-01 This timely new leadership guide for the Presbyterian Church U.S.A. is written for church officers who are looking for a deepened relationship with God. Joan Gray challenges elders and deacons to see themselves as spiritual leaders and equips them to lead alongside their pastors. She also provides resources for dealing with relationships in the church and identifies ways churches can be supportive of the spiritual leadership of elders and deacons.

Recovering Hope for Your Church Edward H. Hammett, 2014-08-30 Why seems to be on the lips of many church, judicatory, and denominational leaders today? Why has our church plateaued? Why are so few young leaders going into church-based ministries? Why are so few interested in church these days? *Recovering Hope* uncovers the whys, creating space to embrace new realities, commit to the tough road of recovery, and develop new skills, structures, and ministry designs through a process of spiritual discernment, congregational coaching, and a deeper reliance on the work and ministry of the Holy Spirit.

Eddie Hammett, a Professional Certified Coach and Church and Clergy Coach for the Cooperative Baptist Fellowship of North Carolina, provides a step-by-step process of hope and health to encourage, guide, and inspire pastors, leaders, churches, regions, and denominations that recovery of hope is possible. A TCP Leadership Series title.

Becoming a Blessed Church N. Graham Standish, 2016-05-08 Pastor and author N. Graham Standish describes how a church that is open to God's purpose, presence, and power can claim God's blessing. Standish shares the story of Calvin Presbyterian Church in Zelienople, Pennsylvania, and its journey to become a spiritually deep congregation, one that is inwardly and outwardly healthy, spiritually, psychologically, physically, and relationally. *Becoming a Blessed Church* will help you discern God's purpose and the path God is calling your congregation to walk. This book will help you find Christ in your midst and become aware of the many ways the blessings of God's Spirit flow through your congregation. This second edition includes three new practical chapters that answer the questions the author is most frequently asked: how to effectively run a group, discernment practice, how to create an effective small group program, and how to set a church vision in a new direction that actually works.

Graham Standish,2016-08-01 Wisdom through easy to grasp phrases Biblical and cultural proverbs have been cherished throughout the ages One reason for their enduring influence is that they reveal deeper wisdom through easy to grasp phrases They form our lives by offering wisdom we can hold onto and use in life s most complex situations In the increasingly complex world of modern ministry it has become harder for pastors and church leaders to act wisely when the models for ministry keep changing Ministry Proverbs is a collection of 60 proverbs that the Rev Dr Graham Standish has developed over the years to guide his own ministry These are proverbs such as We are only responsible for our efforts God is responsible for the results So be responsible for your part and let God be responsible for God s part

Wisdom comes in learning to tell the difference Each proverb is followed by 4-6 paragraphs of reflection that take the reader deeper into the ramifications and applications of the proverb The reflections are intended to help readers to apply the proverbs in their own ministries and to remember them so that when they face a difficult or uncertain situation they can tap into the wisdom

Defending Royal Supremacy and Discerning God's Will in Tudor England Daniel

Eppeley, 2016-12-05 Early modern governments constantly faced the challenge of reconciling their own authority with the will of God Most acknowledged that an individual's first loyalty must be to God's law but were understandably reluctant to allow this as an excuse to challenge their own powers where interpretations differed As such contemporaries gave much thought to how this potentially destabilising situation could be reconciled preserving secular authority without compromising conscience In this book the particular relationship between the Tudor supremacy over the Church and the hermeneutics of discerning God's will is highlighted and explored This topic is addressed by considering defences of the Henrician and Elizabethan royal supremacies over the English church with particular reference to the thoughts and writings of Christopher St German and Richard Hooker Both of these men were in broad agreement that it was the responsibility of English Christians to subordinate their subjective understandings of God's will to the interpretation of God's will propounded by the church authorities St German originally put forward the proposition that king in parliament as the voice of the community of Christians in England was authorized to definitively pronounce regarding God's will and that obedience to the crown was in all circumstances commensurate with obedience to God's will Salvation as envisioned by St German and Hooker was thus not dependent upon adherence to a single true faith Rather it was conditional upon a sincere effort to try to discern the true faith using the means that God had made available to the individual particularly the collective wisdom of one's church speaking through its representatives In tackling this fascinating dichotomy at the heart of early modern government this study emphasizes an aspect of the defence of royal supremacy that has not heretofore been sufficiently appreciated by modern scholars and invites consideration of how this aspect of hermeneutics is relevant to wider discussions relating to the nature of secular and divine authority
