Helping Gay and Lesbian Youth Teresa

Decrescenzo,2014-01-02 This pioneering book brings together for the first time the most up to date information and thought on gay and lesbian youth in America Gay adolescents need much more attention than they have been getting from social service providers and social workers have an ethical obligation to try to meet the service needs of this population Helping Gay and Lesbian Youth is rich with insight into how gay and lesbian adolescents develop and learn to cope with the problems attendant on growing up different Shedding new light on this previously underdefined and underserved population the book addresses social policy issues as well as practical hands on counseling issues and presents a state of the art look at the literature to date As gay and lesbian youth come out at younger and younger ages it will be necessary for agencies to do more long range planning as to how best to meet these adolescents different needs Helping Gay and Lesbian Youth alerts agencies that not only are these youth among their target population but they require special services Throughout this book readers can see the importance of long range planning to meet the service delivery needs of gay adolescents and also the merits of recruiting more gay and lesbian staff to help in policy development and program design Specific topics related to gay and lesbian adolescents that the book addresses are legal issues analyzes the feasibility of minor youth to become empowered through the court and legal systems suicide challenges previously held beliefs about the suicidality of this group and calls for funding for major research in this area social policy traces the history of policies typically guiding actions on behalf of gay and lesbian youth and offers guidelines for significant changes in the policy arena development traces the developmental stages of gay and lesbian youth to navigate adulthood successfully service organizations lays out models for developing programs throughout the country HIV assesses levels of risk of HIV infection for this population and describes ways to avoid it Readership should be widespread and varied and include parents trying to understand their gay child counselors who work with families children or adolescents youth workers and child care staff foster parents individuals working in group homes residential treatment centers and psychiatric hospitals and instructors and students in counseling social work psychology child development and law The Child Welfare Challenge ,2017-07-28 This newly revised and updated edition of a widely adopted text continues to address a broad array of issues in supporting children and strengthening families It includes key information about federal legislation as well as policy related outcomes research in child welfare The first edition of The Child Welfare Challenge was hailed by Social Work as an excellent source from which to gain an in depth understanding of the practice and policy dimensions of child maltreatment foster care and adoption and by the Journal of Sociology and Social Welfare as essential reading for anyone interested in knowing more about child welfare practice in social work Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape current child welfare practice and possible future directions In addition to describing the major challenges facing the child welfare field the book highlights some of the service innovations that have been developed as these could be used to help address some of these challenges In child welfare the focus is on families and children whose

primary recourse to services has been through publicly funded agencies The contributors consider historical areas of service foster care and adoptions in home family centered services child protective services and residential services in which social work has a legitimate long standing and important mission This is a comprehensive book but one that appreciates the fact that many areas such as daycare and early intervention invite exploration It is unique in that each chapter describes how policy initiatives and research can or should influence program design and implementation Colorado's Children ,1982

The Challenge of Permanency Planning in a Multicultural Society Gary R. Anderson,Bogart R. Leashore,1997 Explains to child welfare workers supervisors trainers and program managers the importance of cultural knowledge sensitivity and skill for putting permanency and stability into the lives of at risk children Considers the role of culture in a family s life and how to use that understanding to prevent unnecessary out of home placements judge when the time is right to reunify parents and children and determine when adoption is the best choice Paper edition 0302 3 19 95 Also published as the Journal of Multicultural Social Work v 5 nos 1 2 3 4 1997 Annotation copyrighted by Book News Inc Portland OR

Benefiting by Design Arlene E. Edwards,Chemba Raghavan,Kim Marie Vaz,2009-01-14 The presence of women of color within the practical applications of social science research findings is severely limited since spaces where and when women of color enter the arenas of research methodology research question and intervention design and knowledge generation is often that of the other Benefitting by Design addresses this limitation It does so by locating the experience and knowledge of women of color as its central theme with sections of the text referring to emerging trends that attend to the need for greater representation of women of color in research and academic settings A key theme is the dislodging of currently accepted positions for the experience of women of color as marginalized and subsumed under normative modes of examination to central positions in areas of social science research and clinical practice This is in response to the typical assumption of the need to fix women of color be it based on their immigration status sexual orientation race culture class or spiritual practice Benefitting By Design attends to the salient contexts of the lives of women of color from an emic perspective by providing models for addressing the limitations that result from exclusion and strategies for centering the experiential knowledge of women of color in social science research and practice that is designed for their benefit **Evaluation in Child and**

Family Services Tiziano Vecchiato,Anthony N. Maluccio,Cinzia Canali, As child and family interventions assume greater international application it will be helpful to examine the various ways in which service innovations are being evaluated As demonstrated in the seminar from which these chapters resulted only by sharing our specific professional interests our too frequent problems in measurement our despair in implementing complicated studies and our successes can we advance the evaluation of human services and their outcomes This volume considers a variety of programs and issues in the field of child and family services While different perspectives are evident among the authors in terms of their focus and or emphasis there is common concern about the value of examining each program or service so as to maximize its impact as well as its potential

for dissemination Intervention research should spur and motivate cross national efforts not only among researchers but also among social workers and other practitioners from diverse professions engaged in the delivery of human services Such collaboration would contribute to the ultimate goals of achieving greater clarity about the specifics of best practices in child and family services protocols for assessing outcomes and ways of improving service delivery How then can researchers and policymakers in diverse settings within diverse countries improve practice and service delivery on behalf of children and families What particular program findings can be generalized to improve services How can we share and implement new solutions The contributions to this volume address such questions from varying international perspectives Contributors provide answers and generate discussion points for consideration by practitioners as well as researchers The book is a must for social work parishioners in areas involving the delivery of goods as well as services Tiziano Vecchiato is scientific director of the Fondazione Emanuela Zancan Padua Italy Anthony N Maluccio is professor of social work at Boston College Graduate School of Social Work Chestnut Hill Massachusetts Cinzia Canali is research associate at the Fondazione Emanuela Zancan Padua Italy Social Work Practice with Transgender and Gender Expansive Youth Jama Shelton,Gerald P.

Justice for Kids Nancy E. Dowd,2011 Children and youth become involved with the juvenile justice system at a significant rate While some children move just as quickly out of the system and go on to live productive lives as adults other children become enmeshed in the system developing deeper problems and or transferring into the adult criminal justice system Justice for Kids is a volume of work by leading academics and activists that focuses on ways to intervene at the earliest

possible point to rehabilitate and redirect to keep kids out of the system rather than to punish and drive kids deeper Justice for Kids presents a compelling argument for rethinking and restructuring the juvenile justice system as we know it This unique collection explores the system s fault lines with respect to all children and focuses in particular on issues of race gender and sexual orientation that skew the system Most importantly it provides specific program initiatives that offer alternatives to our thinking about prevention and deterrence with an ultimate focus on keeping kids out of the system altogether
