Morris, 2020-03-31 There was a time when discipleship was taken for granted It was assumed that people could be persuaded to believe and that each person would step into the path that took them to Jesus That assumption is no longer valid As early as the Gospels Jesus and his biographers recognize that each person brings experience to the journey which travels through different times and places The discipleship path for each individual disciple is assessed and determined through this Gospel Discipleship Participant Guide while the Gospel Discipleship Congregation Guide serves as the implementation guide for church leaders It also assesses the discipleship path for the congregation as a whole By understanding what type of disciple you are participants in Gospel Discipleship can clarify the path they need to walk Some people love to go on mission trips some people really thrive learning from a great teacher some people connect to God through painting and music and some people just want to have a cup of coffee and talk about life and eventually get around to talking about Jesus Participants in Gospel Discipleship can be set free from the guilt of not feeling like a real disciple because they don't feel called to experience the journey the same way as everyone else Instead participants can become the disciple Jesus wants them to be They can spend their valuable time and energy living and walking on the path where Jesus is calling them to follow **The**
