Seven Steps To Becoming A Healthy Christian Leader:

Seven Steps to Becoming a Healthy Christian Leader Doug Munton, 2004-07 Doug Munton reminds us all of the qualities and skills we need to be healthy leaders. If you feel overwhelmed or unfocused, this book will help you in your journey back to healthy leadership.

Seven Steps to Amazing Love Prince Mensah, 2008-10 Sex sells, Sense doesn't. This is what Christians face in this world. But we cannot use that as an excuse to justify reckless choices in our lives. This is the main reason why Prince Mensah wrote *Seven Steps to Amazing Love*. The book is an honest, no-holds-barred conversation about how Christians can achieve a fulfilling relationship with another person. Prince uses the Bible and contemporary research to support his seven recommendations. As Christians, it is imperative to know how to survive minefields on the path to a godly and fulfilling relationship. The reader is offered a chance to self-analyze with the truth of God's word. There is no mincing of words in *Seven Steps to Amazing Love*. It is a book that suggests several ways to avoid or survive the prevailing sense of futility in today's culture when it comes to true love. Prince Mensah came to know Jesus Christ as his Lord and Personal Savior in 1992. The conversion occurred at Calvary Baptist Church in Accra, Ghana. Since then, Prince has conducted workshops and seminars about issues affecting Christian youth. He has spoken on subjects ranging from selfishness to sexuality. Issues of chastity and fidelity in a Christian's life are focal points in Prince's presentations. This is because today's microwave society disables people to think through problems. The hasty decision making results in unpleasant circumstances in many areas, especially in relationships. Prince Mensah has held the position of secretary for the Hope Baptist Church Youth group in Accra, Ghana. He studied Christian Psychology in college and holds a Consultants Certificate in Mediation. He is also a Fellow of the African American HIV University in Los Angeles, California. He is married to Charisse Sullivan Mensah, a career musician. The couple lives in Columbia, MD.

McSwain, 2013-05-30 Leading is a calling from God, but that doesn't mean it is easy. The good news is that others have gone before you. Author Larry L. McSwain's forty years of experience can help guide you through these choices. Rooted in research, *The Calling of Congregational Leadership* teaches a three-pronged approach to congregational leadership: being a good leader, the knowledge needed by the leader, and the managing of ministry leadership. By using this practical, holistic approach to leading congregations, McSwain shows you how to use your church's potential for conveying the power of God in the lives you touch. *The Calling of Congregational Leadership* is for those who seek to enlarge the understanding of their leadership to make their communities of faith more vital and more reflective of the mission of God in the world *Encyclopedia of Christian Education* George Thomas Kurian, Mark A.
