Seven Story Tower A Mythic Journey Through Space And Time:

Seven Story Tower Curtiss Hoffman, 2002-01-11 A compelling introduction to the world of myth and its influence on culture and society *Seven Story Tower* Curtiss Hoffman, 2008-01-07 From the white stag to the green knight The Seven Story Tower examines how myth colors our perception of history nature and ourselves Organized around seven key myths representing the Irish Greek Sumerian Indonesian Amazonian and Inuit cultures as well as the fantasy world of J R R Tolkien this book is the perfect introduction to the common themes found in world mythology Curtiss Hoffman a noted archaeologist and anthropologist takes us beyond the entertaining stories and uses insights from cultural anthropology and analytical psychology to analyze the many common themes found throughout In particular he examines the significance of names numbers plants animals the heavenly bodies and the human body The Seven Story Tower will enhance the reader s appreciation of myth s power today over our lives and cultures Between Truth and Falsity: Liberal Education and the Arts of Discernment Karim Dharamsi, David Ohreen, 2021-04-06 It seems we are awash in information From the moment we wake until we turn over our phones at night we are bombarded with images and messages news and information from a confounding number of sources But as the amount of information available to us increases ever more rapidly its quality and reliability seem less credible Russian troll bots 4chan Breitbart and Rebel Media challenge our credulity but they do so by mimicking aesthetic registers consumers expect of traditional media outlets Moreover traditional news sources both privately owned and public broadcasters already weakened by eroding revenue cuts to budgets and shifting demographics are under sustained attack from those who wish to damage their ability to hold powerful people to account Instead of a multi perspectival approach which seeks to report to the public the many ways to address a particular issue taking the reporter s role as neutral with regard to outcome fake or ideologically driven news sources compete for audience attention and faithfulness often using emotion to rally people toward a certain political cause or issue Academics meanwhile have their work attacked and undermined by people or groups seeking to advance political or economic interests They are told they too are political actors one more voice in a messy public arena instead of a font of reliable information and knowledge While academics continue to believe that their work at least in part enhances our understanding of the world and informs debate how do we know that their conclusions are indeed more reliable than their critics in the post truth era Between Truth and Falsity Liberal Education and the Arts of Discernment will aid academics and students seeking to better grasp the value of liberal education within this post truth era It seeks to advance pedagogical ideas in order to fight factual erosion and reinforce intellectual capacities that are able to critically assess the chaos of information enveloping all segments of society This volume will therefore be of particular interest to academics and university educators working in higher education graduate students theorizing the nature of media and the role of higher education undergraduates studying liberal education and the nature of the university and those thinking about liberal education **The Goddess Myth in Contemporary**

Literature and Popular Culture Mary J. Magoulick, 2022-02-04 Honorable Mention for the 2022 Ellis King Maranda Prize awarded by the Women's Section of the American Folklore Society Goddess characters are revered as feminist heroes in the popular media of many cultures However these goddess characters often prove to be less promising and more regressive than most people initially perceive Goddesses in film television and fiction project worldviews and messages that reflect mostly patriarchal culture included essentialized gender assumptions in contrast to the feminist empowering levels many fans and critics observe Building on critiques of other skeptical scholars this feminist folkloristic approach deepens how our remythologizing of the ancient past reflects a contemporary worldview and rhetoric Structures of contemporary goddess myths often fit typical extremes as either vilified destructive dark and chaotic typical in film or television or romanticized positive even utopian typical in women's speculative fiction This goddess spectrum persistently essentializes gender stereotyping women as emotional intuitive sexual motherly beings good or bad precluded from complex potential and fuller natures Within apparent good over evil pop culture narrative frames these goddesses all suffer significantly However a few recent intersectional writers like N K Jemisin break through these dark reflections of contemporary power dynamics to offer complex characters who evince hopepunk They resist typical simplified reductionist absolutes to offer messages that resonate with potential for today's world Mythic narratives featuring goddesses often do but need not serve merely as ideological mirrors of our culture's still problematically reductionist approach to women and all humanity Weaving Dreams Into the Classroom Curtiss Hoffman, Jacqueline E. Lewis, 2014-03 Weaving Dreams into the Classroom is an extraordinary anthology which combines the seasoned experience of ten educators at all educational levels to provide the reader with practical hands on models for bringing the subject of dreams and dreaming to students It also includes the perspective of a teenage student who has been embedded in a dream centered education program since early childhood The authors come from diverse backgrounds including academic and clinical psychology anthropology and religious studies Their home institutions range from small private colleges and institutes to large research universities both in the United States and Great Britain **The SAGE Handbook of Qualitative Research** Norman K. Denzin (ed), Yvonna S. Lincoln, 2005 A thoroughly revised updated edition this volume includes new chapters on auto ethnography critical race theory queer theory testimonies **A History of Indigenous Latin America** René Harder Horst, 2020-03-25 A History of Indigenous Latin America is a comprehensive introduction to the people who first settled in Latin America from before the arrival of the Europeans to the present Indigenous history provides a singular perspective to political social and economic changes that followed European settlement and the African slave trade in Latin America Set broadly within a postcolonial theoretical framework and enhanced by anthropology economics sociology and religion this textbook includes military conflicts and nonviolent resistance transculturation labor political organization gender and broad selective accommodation Uniquely organized into periods of 50 years to facilitate classroom use it allows students to ground important indigenous historical

events and cultural changes within the timeframe of a typical university semester Supported by images textboxes and linked documents in each chapter that aid learning and provide a new perspective that broadly enhances Latin American history and studies it is the perfect introductory textbook for students **Lucid Dreaming** Ryan Hurd,Kelly Bulkeley Ph.D.,2014-07-29 In this fascinating new collection an all star team of researchers explores lucid dreaming not only as consciousness during sleep but also as a powerful ability cultivated by artists scientists and shamans alike to achieve a variety of purposes and outcomes in the dream The first set of its kind Lucid Dreaming New Perspectives on Consciousness in Sleep provides a comprehensive showcase of the theories research and direct experience that serve to illuminate how certain people can maintain conscious awareness while dreaming The text is organized into two sections covering science psychology and education and religious traditions creativity and culture Contributors to this two volume work include top dream experts across the globe scholars sharing knowledge gained from deep personal explorations and cutting edge scientific investigations Topics covered include the neuroscience of lucid dreaming clinical uses of lucid dreaming in treating trauma the secret history of lucid dreaming in English philosophy and spiritual practices of lucid dreaming in Islam Buddhism and shamanic traditions The work also addresses lucid dreaming in movies including The Matrix and literature such as the fiction of J R R Tolkien and explains how modern video gaming enhances lucidity This set serves as an ideal text and reference work for school libraries and academic courses in anthropology psychology religious studies and cognitive science as well as for graduate level study in holistic education an increasingly popular specialization *Forthcoming Books* Rose Arny,2002-02 **American Journal of Archaeology** ,2000 *The Review of Korean Studies* ,2007 **El arte y la práctica de la interpretación, la evaluación y la presentación** Norman K. Denzin,Yvonna S. Lincoln,2017-03-01 El Volumen V El arte y la práctica de la interpretación la evaluación y la presentación finaliza la compilación de volúmenes del Manual de Investigación Cualitativa dentro de la colección Herramientas Universitarias Este volumen profundiza en el ámbito más humanístico de este tipo de investigación De esta manera cierra el manual a través de una visión del futuro y agrupa epistemológicas criterios de evaluación prácticas tipos de discurso formas de escritura poéticas voces etc que suponen nuevos cambios y permiten mejorar la investigación cualitativa La investigación cualitativa se encuentra en constante avance y transformación En esta ocasión los coordinadores tratan las características del presente y aquellas que se plantean en el futuro de este tipo de análisis En primer lugar se aborda el arte las prácticas de la interpretación evaluación y representación y los discursos emancipatorios Y también se tratan temas como la ética y la política de la interpretación Además se indaga en la escritura como método de investigación y propone conceptos como la poesía antropológica cultural investigativa y la política del testimonio Esta primera parte concluye con la explicación de la evaluación cualitativa y el efecto de la política social cambiante La segunda parte del libro deja atrás los conceptos y examina el futuro de la investigación cualitativa y la importancia de la etnografía como desafío de una antropología de lo contemporáneo En esta parte cabe destacar el capítulo
