

An aerial photograph of a mountain landscape. A large, irregularly shaped lake is situated in a valley, surrounded by dense evergreen forests. The lake's water is a deep blue-green color. In the background, rugged mountain peaks are visible, some with patches of snow or light-colored rock. The overall scene is a high-altitude wilderness area.

**Cumulative Paperback Index, 1939-1959** R. Reginald, 2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin

*Harriman State Park* Ronnie Clark Coffey, 2010-05-31 Once home to Native Americans and mountain settlers Harriman State Park is today a 73 square mile wilderness and recreation area lying 30 miles north of New York City Offering over 200 miles of hiking trails swimming boating fishing and camping it has been an oasis for city dwellers for 100 years During the 1800s the land was home to hardworking farmers miners and woodcutters As the new century dawned it evolved into a park of stunning beauty Part of the Palisades Interstate Park System it is the second largest state park in New York

Manitoba Backroad Mapbook Russell Mussio, 2020-04-17 Cradled in Canada's geographic centre Manitoba is home to serene stretches of wilderness interspersed with charming rural communities and rich pockets of outdoor recreation opportunity Over half of the province's population lives in the capital city of Winnipeg leaving the rest of Manitoba wide open for exploring In the south the landscape is a diverse mix of tall grass prairie pine forest and even desert like sand dunes As you move north you will encounter the majestic rock of the Canadian Shield and further north still a strip of Arctic tundra along Hudson Bay Throughout the province lakes of all shapes and sizes dot the landscape creating an incredible abundance of fishing opportunities Features Map Key Legend Topographic Maps Detailed Adventure Section Backroad Attractions Fishing Locations Hunting Areas Paddling Routes Parks Campsites Trail Systems

ATV Routes Snowmobile Areas Wildlife Viewing Winter Recreation Service Directory Accommodations Sales Services Tours  
Guides Index Adventure Index Map Index Trip Planning Tools      **Backpacking Pennsylvania** Jeff Mitchell, 2004-12-30  
Detailed descriptions of 37 trails Information on terrain difficulty precautions contacts Directions to each trail and  
descriptions of features along the trek Pennsylvania has the most extensive system of backpacking trails of any state east of  
the Mississippi River While most hiking guides to the state feature information on dayhikes this valuable guide will give  
backpackers of all levels a resource for discovering and learning about longer trails for more rugged journeys by foot

National Recreational Trails Fund Act of 1990 United States. Congress. Senate. Committee on Environment and Public  
Works. Subcommittee on Water Resources, Transportation, and Infrastructure, 1990      **America's Public Lands** Randall K.  
Wilson, 2020-02-25 How it is that the United States the country that cherishes the ideal of private property more than any  
other in the world has chosen to set aside nearly one third of its land area as public lands Now in a fully revised and updated  
edition covering the first years of the Trump administration Randall Wilson considers this intriguing question tracing the  
often forgotten ideas of nature that have shaped the evolution of America's public land system The result is a fresh and  
probing account of the most pressing policy and management challenges facing national parks forests rangelands and  
wildlife refuges today The author explores the dramatic story of the origins of the public domain including the century long  
effort to sell off land and the subsequent emergence of a national conservation ideal Arguing that we cannot fully understand  
one type of public land without understanding its relation to the rest of the system he provides in depth accounts of the  
different types of public lands With chapters on national parks national forests wildlife refuges Bureau of Land Management  
lands and wilderness areas Wilson examines key turning points and major policy debates for each land type including recent  
Trump Administration efforts to roll back environmental protections He considers debates ranging from national monument  
designations and bison management to gas and oil drilling wildfire policy the bark beetle epidemic and the future of roadless  
and wilderness conservation areas His comprehensive overview offers a chance to rethink our relationship with America's  
public lands including what it says about the way we relate to and value nature in the United States      **Nature-Friendly  
Communities** Chris Duerksen, Cara Snyder, 2013-04-09 Nature Friendly Communities presents an authoritative and readable  
overview of the successful approaches to protecting biodiversity and natural areas in America's growing communities  
Addressing the crucial issues of sprawl open space and political realities Chris Duerksen and Cara Snyder explain the most  
effective steps that communities can take to protect nature The book documents the broad range of benefits including  
economic impacts resulting from comprehensive biodiversity protection efforts identifies and disseminates information on  
replicable best community practices establishes benchmarks for evaluating community biodiversity protection programs Nine  
comprehensive case studies of communities explain how nature protection programs have been implemented From Austin  
and Baltimore to Tucson and Minneapolis the authors explore how different cities and counties have taken bold steps to

successfully protect natural areas Examining program structure and administration land acquisition strategies and sources of funding habitat restoration programs social impacts education efforts and overall results these case studies lay out perfect examples that other communities can easily follow Among the case study sites are Sanibel Island Florida Austin Texas Baltimore County Maryland Charlotte Harbor Florida and Teton County Wyoming Nature Friendly Communities offers a useful overview of the increasing number of communities that have established successful nature protection programs and the significant benefits those programs provide It is an important new work for public officials community activists and anyone concerned with understanding or implementing local or regional biodiversity protection efforts     **Plumas National**
