The Road to the Isles Kenneth MacLeod, 1927

Scribe's Treasure Marion H. Gwynn, 2012-02 As both chemist and priest your scribe believes that the current gap between science and religion can be bridged largely by revelation Revelation is a select part of religion often beyond the ken or competence of qualified science Types of revelation comprise the manifest supernatural and prophecy fulfilled prophecy supporting what is yet to be fulfilled The book offers answers and asks a variety of questions This book is written in four sections each with chapter like and numbered subsections Section 1 the most scriptural and salvational Section 2 the most prophetic or revelatory Section 3 the most scientific and integrative knowledge Section 4 the most semantic and hypothetic Section 1 Scripture Old and New Testament appears to be a rich source of revelation and other reliable spiritual reality Its integrity distinguishes divine and human reporting also religion versus irreligion Jesus early advent fulfilled dozens of Old Testament prophecies divine evidence for the reliability of its revelation Scripture reveals that Jesus of Nazareth walked among us both man and God Section 2 Section 2 comprise a commentary upon the Revelation to John The prophecy concentrated therein is mysterious in part yet relatively ordered and culminating It helps to organize other prophecy revealed in Scripture And it serves to guide our on going participation with the ascended Christ as Lord Prophecy reveals that God has operated mightily in and on history that he has revealed essential parts of his plan and care for mankind Section 3 Without religion science particularly inanimate science tends to support determinism also a relatively

rigid causation or rationalism Science develops knowledge more than understanding Section 3 attempts to assemble salient science together with a minor proportion of related hypotheses Your scribe believes that God's concern and involvement and control of life is more intimate and profound than most science and philosophy has indicated Section 4 The relatively hypothetic Section 4 comprises much supposition some semantically treated Suppositions are offered concerning material or systematic structures for said living sub matter in body mind and soul Life after first death is a gift from the soul's Creator Spirits just and unjust await resurrection in the spirit not in the flesh not in reincarnation The soul is foundational to theology and tends to respond to spiritual reality to living sub matter particularly to God and other souls *Love, Marriage, and Family in Jewish Law and Tradition* Michael Kaufman,1992 A comprehensive exploration of love marriage and human sexuality as viewed by Jewish tradition presenting the richness and profundity of Jewish wisdom regarding human relationships Annotation copyright Book News Inc Portland Or

Predestination Dag Heward-Mills,2022-04-20 There is clear evidence in the Bible that things are determined beforehand Believing in predestination means that you believe that no one has any real control of events but that everything has already been decided by God's plan and purpose On the other hand there is also evidence that God gives us our free will and allows us the freedom to choose between good and evil The concept of predestination is difficult to grasp because of the way circumstances play out But predestination is real It is time for you to understand predestination so that you can work with God and walk with God more easily Another thought provoking masterpiece by celebrated author Dag Heward Mills Trust God and watch the outplaying of all the things that God has destined for you *The Jewish Life Cycle* Ivan G. This volume is the first English language anthology to engage with the fascinating phenomena of recent surges in New Age and alternative spiritualities in Israel. Contributors investigate how these New Age religions and other spiritualities produced in Western countries within predominantly Protestant or secular cultures transform and adapt themselves in Israel. The volume focuses on a variety of groups and movements such as Theosophy and Anthroposophy, Neopaganism, Channeling, Women's Yoga, the New Age festival scene, and even Pentecostal churches among African labor migrants living in Tel Aviv. Chapters also explore more Jewish-oriented practices such as Neo Kabbalah, Neo Hassidism, and alternative marriage ceremonies, as well as the use of spiritual care providers in Israeli hospitals. In addition, contributors take a close look at the state's reaction to the recent activities and growth of new religious movements.

Reflections Peter James Ford, 2024-03-27
Peter James Ford, *The Unlikely Messenger* is a unique individual with a broad understanding of life from having lived life from many lifestyles. Peter experienced the good, the bad, the ugly, and then an awakening and redemption. His younger years found him struggling with alcoholism and the drugs of the sixties, with having learning disabilities including attention deficit disorder, and growing up in a violent environment. Peter turned to physical training and motorcycles and found much satisfaction in both. At an early age, Peter crawled into the 12-step recovery program, a broken man. This was the beginning of Peter's spiritual journey. Over the years, Peter attained the promises of the program and began living a great life. Many years later, Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters. Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him. Shortly after his awakening, these mystic tales of past lives and powerful wisdom truths began flowing. Peter has just completed his seventh book about his life adventures and spiritual journey. Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter, this Unlikely Messenger.
