

The illustration depicts seven men, presumably the seven brothers, dressed in traditional blue Chinese robes with grey sashes. They are gathered around a small figure, likely their sister, who is wearing a vibrant red robe with a yellow pattern and a blue sash. The brothers are looking down at her with expressions of concern and care. The background is a simple, light-colored wash, suggesting an outdoor setting. The overall style is that of a classic children's book illustration, with soft colors and a focus on the characters' expressions and actions.
