pleadings to God for another opportunity just to start over again In this revised and updated version of The God of Second Chances author Stephen Arterburn takes us through his own journey of pleasure seeking and ambition to a life changing encounter with the reality of God's grace Arterburn is painfully honest sharing his personal experiences with sexual immorality that culminated in the abortion of his child It was then desperate and at the end of himself that Arterburn cried out to God for a second chance Through his willingness to share his struggles Arterburn helps us to confront our failures and reach out for God's restorative touch With a gentle humor he encourages us to look beyond ourselves and discover the joy in serving others and investing in the things that really matter In doing so we will learn what it is to be restored to God through unconditional surrender and receive healing from the scars left by our own mistakes Living Strong, Finishing Well Dr. David Stoop, 2021-09-07 Growing older is inevitable and as we often say it beats the alternative But just because we age does not mean we must give in to a slow deterioration of our bodies minds social circles and interests It doesn't mean we need to give up on our dreams goals or aspirations In fact as people live longer and healthier into old age we need to decide what we want to do with all the extra years we ve been given In Living Strong Finishing Well Dr David Stoop draws upon his more than 80 years on the planet and his decades of counseling speaking and writing to show you how to live every moment to its fullest until you re finally called home He shows you how to be yourself continue the search for meaning stay humble build on your friendships develop resilience stay teachable and more as you learn to accept the gifts that come with growing older and wiser in a world that needs what you have to give Official Gazette of the United States Patent and Trademark Office Healing Is a Choice Stephen Arterburn, 2011-11-07 DO YOU WANT TO GET WELL The power to heal physically .2001 mentally emotionally spiritually is in God's hands But the choice to be healed is yours Everyone at some level needs healing You may have prayed for healing many times for many years Perhaps you have lived with your brokenness so long that you have become accustomed to it Maybe you wonder just when God is going to take all the hurt away He can But you also must choose to let the hurt go and let the healing begin In this special edition of Healing Is a Choice author Stephen Arterburn offers a unique combination of book and workbook outlining ten choices crucial to receiving healing Embracing these choices means rejecting the lies we often tell ourselves These are not hoops God requires you to jump through to earn your miracle they form instead the journey He desires for you He can and will walk with you But you must put one foot in front of the other and choose to let the hurt go and let the healing begin His Word affirms that God wants us to experience His healing but many times we make choices that stand in the way Healing Is a Choice is a helpful resource that lays out the path of healing God's way JACK HAYFORD Founding pastor The Church on the Way Van Nuys CA When we look back at the past turns and twists in the pathways of our lives we can see significant choices we made which helped create the lives we have now Stephen Arterburn has provided us with a guide for making the right decisions today to provide a redemptive path for tomorrow JOHN TOWNSEND Coauthor of the bestseller Boundaries I am asking you to give up your life as you know it so
