Daniel's Prophecy of the Seventy Weeks Alva J. McClain,1959 *Daniel's Prophecy of the 70 Weeks* Alva J. McClain,2007 In this short but important work McClain introduces the first 69 weeks and answers questions such as What is the measure of time indicated by the weeks of this prophecy and When did the whole period of the seventy weeks begin Continuing with a discussion of the parenthesis of time between the Sixty ninth and the Seventieth weeks he concludes with an exposition of the Seventieth week and the coming of the roman prince

*The Determined Time* Larry M Wishon,2022-08-06 The Seventy Weeks Prophecy spanning 490 years foretells the period of Israel s history from the time when the Jews were granted permission by Cyrus the king of Persia to return to the land of promise and rebuild their city and temple This return and rebuilding was in preparation for the fulfillment of God s promises to the fathers in the person of the Messiah Prince Rom 15 8 Most of the prophecy s subject is taken up with the ministry of the Messiah Prince As is noted inside He is mentioned at least six times in the course of the prophecy He would come to address the six objectives listed in the prophecy concerning the people and the city All six of these objectives are related to the Messiah s fulfillment of God s promises to their fathers Rom 15 8 The purpose of these 490 years marked out of Israel s history was to lead Israel from their antiquated Sinai Covenant and into their promised New Covenant Jer 31 31 37 It was to be their faith in the coming Messiah Prince which would lead them out of the Old and into the New Inside The Determined Time you will find that Only Cyrus the king of Persia could have given the word for the Judean captives to return and rebuild Jerusalem In the record of the

Scriptures only Cyrus and Darius are credited with issuing decrees to rebuild Jerusalem and its temple The decree of Darius is nothing more than an affirmation of Cyrus original decree The long accepted dates for Cyrus decree are off by 80 years The Seventy Weeks are divided into three consecutive time periods 7 62 1 There are no gaps of time between any of them The Prophecy identifies who is the Messiah Prince The identity of this Prince will not change at any point in the prophecy It is this one and the same Messiah Prince who is cut off who is the cause for the sacrifice and oblation to cease in the midst of the Seventieth Week whose people destroys the city and temple who confirms a covenant for a period of one week of years It is the act of confirming that lasts for seven years not the covenant itself i e it is not a seven year covenant or agreement made with Israel who due to the overspreading of abominations will make the city and temple desolate There is an obvious absence of the mention of an antichrist and a seven year tribulation period Both of these are the result of Dispensational Eisegesis i e reading into the text what is not there
