Seventy years Isabella Augusta Gregory, 1974 **Works** Isabella A. Gregory, 1974 **A Journey Into Ireland's Literary Revival** R. Todd Felton, 2007-05-01 A great tide of literary invention swept through Ireland between the 1890s and the 1920s This engrossing illuminating and beautifully illustrated guidebook explores the personal and professional histories of writers such as W B Yeats Lady Gregory John Millington Synge and Sean O Casey and examines their relationships with the people culture and landscapes of Ireland From Galway and the Aran Islands to County Mayo and County Sligo and from Dublin to Wicklow this guide to the places that inspired Irish Literary Revival showcases the locations where many of Ireland s finest writers shaped an enduring vision of the country Anglo-Irish Autobiography Elizabeth Grubgeld, 2004-03-01 As a volatile meeting point of personal and public experience autobiography exists in a mutually influential relationship with the literature history private writings and domestic practices of a society This book illuminates the ways evolving class and gender identities interact with these inherited forms of narrative to produce the testimony of a culture confronting to its own demise Elizabeth Grubgeld places Irish autobiography within the ever widening conversation about the nature of autobiographical writing and contributes to contemporary discussions regarding Irish identity Her emphasis on women s autobiographies provides a further reexamination of gender relations in Ireland While serving as the first critical history of its subject this book also offers a theoretical and interpretive reading of Anglo Irish culture that gives full attention to class gender and genre analysis It examines autobiographies letters and diaries from the late eighteenth century through the present with primary attention to works produced since World War I By examining many previously neglected texts Grubgeld both recovers lost voices and demonstrates how their work can revise our understanding of such major literary figures such as George Bernard Shaw W B Yeats John Synge Elizabeth Bowen and Louis MacNiece **A History of Irish Theatre 1601-2000** Chris Morash, 2002 Chris Morash s widely praised account of Irish Theatre traces an often forgotten history

leading up to the Irish Literary Revival He then follows that history to the present by creating a remarkably clear picture of the cultural contexts which produced the playwrights who have been responsible for making Irish theatre's world wide historical and contemporary reputation The main chapters are each followed by shorter chapters focusing on a single night at the theatre This prize winning book is an essential entertaining and highly original guide to the history and performance of Irish theatre

Seekers of Wonder Elena Emma Sottilotta, 2025-04-08 Women's cultural and political engagement with oral tales and traditions in European peripheries With *Seekers of Wonder* Elena Sottilotta offers the first comparative study of women's manifold roles in the collection of Italian and Irish folklore and fairy tales between 1870 and 1920 Sottilotta views the often overlooked work of these women from an interdisciplinary perspective considering both the politics and poetics of seeking wonder In so doing she centers women's influence on the preservation and dissemination of oral traditions bringing work that was once relegated to the margins into dialogue with work long regarded as canonical After mapping sidelined marginalized and forgotten women folklorists Sottilotta narrows the focus onto four writers and collectors who were inspired by Italian and Irish insular contexts Laura Gonzenbach who collected Sicilian wonder tales Grazia Deledda who wrote Sardinian ethnographic sketches legends and fairy tales Jane Wilde who published anthologies of Irish folklore and Augusta Gregory who collected traditional narratives in the west of Ireland Situated within an ongoing process of rediscovery of lesser known collectors tellers and tales in the European tradition Sottilotta relocates these figures within a broader transcultural framework Throughout Sottilotta emphasizes the role of women as crucial intermediaries between different cultural groups in particular between the world of the folk and the world of scholarly folklore studies Unearthing rare archival material and reading these writings from the perspective of gender Sottilotta sheds light on the identity dynamics that animated the cultural phenomenon of collecting folk and fairy tales in this era

Macropolitics of

Nineteenth-century Literature Jonathan Arac, Harriet Ritvo, 1995 Increasingly in the last decade macropolitics a consideration of political transformations at the level of the state has become a focus for cultural inquiry From the macropolitical perspective afforded by contemporary postcolonial studies the essays in this collection explore the relationship between politics and culture by examining developments in a wide range of nineteenth century writing The dozen essays gathered here span the entire era of colonization and discuss the British Isles Europe the United States India the Caribbean and Africa Addressing the works of Wordsworth Shelley Dickens Melville Flaubert Conrad and Charlotte Bront as well as explorers reports Bible translations popular theater and folklore the contributors consider such topics as the political function of aesthetic containment the redefinitions of nationality under the pressure of imperial ambition and the coexistence of imperial and revolutionary tendencies New historical data and new interpretive perspectives alter our conception of established masterpieces and provoke new understandings of the political and cultural context within which these works emerged This anthology demonstrates that the macropolitical concept of imperialism can provide a new understanding of

nineteenth century cultural production by integrating into a single process the well established topics of nationalism and exoticism First published in 1991 University of Pennsylvania Press *Macropolitics of Nineteenth Century Literature* is now available in paperback Offering agenda setting essays in cultural and Victorian studies it will be of interest to students and scholars of British and American literature literary theory and colonial and postcolonial studies Contributors Jonathan Arac Chris Bongie Wai chee Dimock Bruce Greenfield Mark Kipperman James F Knapp Loren Kruger Lisa Lowe Susan Meyer Jeff Nunokawa Harriet Ritvo Marlon B Ross Nancy Voageley Sue Zemka *Forgotten Protest* Donal P. McCracken, 2003 McCracken history and humanities U of Durban Westville South Africa illuminates the contact between Ireland and South Africa in the age of high imperialism and the interest aroused in Ireland by developments in South Africa and their effects on Irish politics of the time The first edition was *Building W. B. Yeats's Later Poetry* Tomoko Iwatsubo, 2024-09-09 This book explores Yeats's later poetry through the metaphor of the poetic tower where different kinds of building architectural textual political and symbolic were closely interrelated It chronologically examines Yeats's tower poems composed during a period of dramatic personal and national transformation from 1915 to 1932 Within a year after the Easter Rising in Dublin Yeats acquired a half ruined Norman tower in County Galway Ireland which had enthralled him for the past two decades and textually and architecturally constructed it into a focus of his life and work Interweaving the account of the renovation of the actual building and the textual construction in the socio historical contexts the book reveals the evolution of Yeats's multiplex tower as an organizing principle of his later poetry Using the archive of correspondence and manuscript materials of relevant poems including those which have thus far escaped close attention the book offers close textual genetic analyses and a diachronic view of Yeats's tower poetry which with its foundations laid decades earlier he built in the collections from *The Wild Swans at Coole* 1919 to *The Winding Stair and Other Poems* 1933 Highlighting the delicate exchange between poetry and biography as well as between the textual architecture and the actual one identifying a turning point in the making of each tower oriented poem and proposing some draft dating revisions this first book length systematic study on the process of Yeats's creation of the tower casts an unfamiliar light on a familiar yet underexplored landmark in modern poetry and makes his step by step construction work come alive *The Routledge Anthology of Women's Theatre Theory and Dramatic Criticism* Catherine Burroughs, J. Ellen Gainor, 2023-09-29 The Routledge Anthology of Women's Theatre Theory and Dramatic Criticism is the first wide ranging anthology of theatre theory and dramatic criticism by women writers Reproducing key primary documents contextualized by short essays the collection situates women's writing within and also reframes the field's male defined and male dominated traditions Its collection of documents demonstrates women's consistent and wide ranging engagement with writing about theatre and performance and offers a more expansive understanding of the forms and locations of such theoretical and critical writing dealing with materials that often lie outside established production and publication venues This alternative tradition of theatre writing that emerges allows contemporary

readers to form new ways of conceptualizing the field bringing to the fore a long neglected vibrant intelligent deeply informed and expanded canon that generates a new era of scholarship learning and artistry The Routledge Anthology of Women's Theatrical Theory and Dramatic Criticism is an important intervention into the fields of Theatre and Performance Studies Literary Studies and Cultural History while adding new dimensions to Feminist Gender and Sexuality Studies

Meeting Without Knowing It Alexander Bubb, 2016-02-11 Meeting Without Knowing It compares Rudyard Kipling and W B Yeats in the formative phase of their careers from their births in 1865 up to 1903 The argument consists of parallel readings wed to a biographic structure Reading the two poets in parallel often yields remarkable discursive echoes For example both men were similarly preoccupied with the visual arts with heroism with folklore balladry and the demotic voice Both struck vatic postures and made bids for public authority premised on an appeal to what they considered the mythopoeic impulse in fin de siècle culture My methodology consists in identifying these mutual echoes in their poetry and political rhetoric before charting them against intersections in their lives Kipling and Yeats were for much of their careers irreconcilable political enemies However a cross reading of the two poets bardic ambitions heroic tropes and interpretations of history reveals that to achieve their opposed political ends they frequently partook of a common discourse Supplementing this analysis with biographical context we can trace these shared concerns to their late 19th century artistic upbringing and to the closely linked social circles which they inhabited in fin de siècle London It is in fact their very mutuality during the 1890s which lent rancour to their ideological division after the Boer War In turn acrimony and denunciation only served to bind together all the more intimately in an argumentative spiral of revolving discourses two men who were often proximate but who actually met only in cartoons and satirical gossip

Disraeli's Disciple Mary S. Millar, 2006-01-01 In addition to the portrait it paints of a fascinating man whose public life was as earnest and idealistic as his private life was shocking and titillating Disraeli's Disciple also provides new insights into the politics of this formative stage in British history

Behind the Scenes Adrian Frazier, 2024-03-29 Behind the Scenes presents the story of Dublin's famous Abbey Theatre and its major creative personalities W B Yeats Annie Horniman J M Synge and Lady Gregory

Part history part sociology part biography Frazier s work recreates the forces that shaped the Abbey stage forces that involved the spirited participation of actors audiences press and financiers as well as of the famous poet playwright who was its co director His book unfolds an entertaining and suspenseful tale centered on the undeniably autocratic personality of W B Yeats and with the political struggles of Ireland as a backdrop This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 **Yeats Annual No. 8** Warwick Gould,2016-07-27 Yeats Annual No 8 has two distinct themes Yeats s poetic technique and his aims for an Irish Theatre Essays from Helen Vendler Richard Taylor Timothy Armstrong and Wayne Chapman place the poetry under close scrutiny and offer challenging new studies Yeats himself writes the remaining essays including the long awaited first publication of his Wildean dialogue and an uncollected address on the Irish National Theatre delivered in 1934 Richard Londraville edits four of Yeats s lectures given in England and America in 1902 4 **The Correspondence of Robert Bridges and W.
