Sex And Destiny The Politics Of Human Fertility:

Sex and Destiny Germaine Greer, 1984 New York Magazine , 1984-04-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Politics of Female Genital Cutting (FGC), Human Rights**

and the Sierra Leone State Tom Obara Bosire, 2014-08-26 Politics of Female Genital Cutting FGC Human Rights and the Sierra Leone State The Case of Bondo Secret Society provides a comprehensive analysis of contemporary post war Sierra Leone politics through ethnographic examination of key cultural institutions like the Bondo society the law media and state actors The book discusses historical medical and socio cultural underpinnings of the Female Genital Cutting FGC practice among members of the Bondo society in Sierra Leone by pointing out inherent and apparent tensions of a secret society dedicated to the continuation of long established gender practices at the counter point of concerted international condemnation against the practice Drawing on ethnography the study highlights the complexity of FGC as practiced in Sierra Leone owing to the fact that it is interlaced in multifarious ways to politics cosmology community idioms of inclusion medical metaphors and the sociological vernacular of people that practice it In the Bondo society some women have access to considerable forms of powers which endear them to political actors in Sierra Leone On account of this and in a context of donor aid conditionality tied to efforts at ending FGC a stage is therefore set where the local political elite ambivalently attend to competing interests from FGC adherents and eradication proponents in the high stakes politics of legitimatizing power The book s subtle and nuanced view of power handy to members of the Bondo society however does not lead to a vindication of FGC but is an attempt to go beyond blunt condemnation of the practice in order to explore the cultural and socio political underpinnings that animate the practice The Politics of the Body in Weimar Germany Cornelie

Usborne, 1992-04-08 This book analyses how the Weimar Republic put Germany in the forefront of social reform and women s emancipation with wide ranging maternal welfare programmes and labour protection laws Its enlightened policy of family planning and liberalised abortion laws offered women a new measure of control over their lives But the new politics of the body also increased state intervention the power of the medical profession and the tendency to sacrifice women s rights to national interests whenever the Volk seemed in danger of racial decline Jimmy Carter, the Politics of Family, and the Rise

of the Religious Right J. Brooks Flippen, 2011 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and

conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by Roe v Wade feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter s faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter s struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day

Future Survey Annual 1985 Michael Marien,1987-01-01 **Decoding Abortion Rhetoric** Celeste Michelle Condit,1990 Condit provides a close look at how pro life and pro choice arguments have helped shape the development of public policy and private practice She offers readers an orderly way through the barrage of rhetoric and an opportunity to identify and clarify our own opinions on a very difficult subject

Social Science Perspectives on Medical Ethics G. Weisz,2012-12-06 Medical or bio ethics has in recent years been a growth industry Journals Centers and Associations devoted to the subject proliferate Medical schools seem increasingly to be filling rare positions in the humanities and social sciences with ethicists Hardly a day passes without some media scrutiny of one or another ethical dilemma resulting from our new found ability to transform the natural conditions of life Although bioethics is a self consciously interdisciplinary field it has not attracted the collaboration of many social scientists In fact social scientists who specialize in the study of medicine have in many cases watched its development with a certain ambivalence No one disputes the significance and often the painfulness of the issues and choices being addressed But there is something about

the way these issues are usually handled which seems somehow inappropriate if not wrong headed to one trained in a discipline like sociology or history In their analyses of complex situations ethicists often appear grandly oblivious to the social and cultural context in which these occur and indeed to empirical referents of any sort Nor do they seem very conscious of the cultural specificity of many of the values and procedures they utilize when making ethical judgments The unease felt by many in the social sciences was given articulate expression in a paper by Renee Fox and Judith Swazey which appeared in 1984 Liberating Literature Maria Lauret,1994 A bold and revealing book which looks with fresh vision at feminist political writing Maria Lauret develops a new definition of the genre and illuminates the profound influence and importance of African American women's writing Origins of Difference Elaine Storkey,2019-07-11 In what ways are women and men different Where do these differences originate In this book Elaine Storkey uncovers the foundational assumptions and presuppositions that lie beneath gender issues and builds a cohesive model for a biblical view of men and women

Questioning Gender Robyn Ryle,2020-08-04 Questioning Gender A Sociological Exploration serves as a point of departure for productive conversations and questions about gender and as a resource for exploring answers to many of those questions Rather than providing definitive answers this book takes a global approach and aims to challenge students' preconceptions about gender and to demonstrate how gender as a system creates and reinforces inequality Author Robyn Ryle uses both historical and cross cultural approaches to help students understand the socially constructed nature of gender With a focus on contemporary topics including the MeToo movement sexual harassment in the workplace and the gender wage gap students will be prompted to think critically about past present and future gender related issues Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides *Sexual Investigations* Alan Soble,1997-09 Pornography abortion rape sexual discrimination one merely has to open the newspaper or turn on the television to be confronted with sexual issues In *Sexual Investigations* Alan Soble contributes to the discussion by examining the moral political and analytical dimensions of sexuality that form the foundation for these discussions In *Sexual Investigations* Soble takes a rigorous yet user friendly look at a number of topics in the area of human sexuality the nature of sexual activity the ethics of sexual conduct pornography masturbation sexual health perversion date rape prostitution contraception reproduction and both the beauty and the ugliness of the sexual body What Soble asks defines healthy sexuality How firm is the distinction between rape and consensual sex How and when are sexually explicit films and photographs degrading to women This sweeping examination of the philosophical ethical and political issues surrounding human sexuality is as learned and thoughtful as it is entertaining *Conceptions* Aditya Bharadwaj,2016-08-01 Infertility and assisted reproductive technologies in India lie at the confluence of multiple cultural conceptions These conceptions are key to understanding the burgeoning spread of assisted reproductive technologies and the social implications of infertility and childlessness in India

This longitudinal study is situated in a number of diverse locales which when taken together unravel the complex nature of infertility and assisted conception in contemporary India *Motherhood and Feminism* Amber E Kinser,2010-05-04 How does feminism relate to motherhood how has it changed over time and what does the future of motherhood and feminism look like These are just some of the questions Amber E Kinser PhD tackles in this latest addition to the Seal Studies Series *Motherhood and Feminism* examines the role of feminism within motherhood a topic that has garnered a lot of attention lately as society shifts to adapt to new definitions of these roles and offers insight into the core questions of motherhood what it means to be a good mother what role mothers play in the family and in society and how motherhood has been redefined throughout time Kinser also speculates on the future directions of feminism focusing on the expansion of contemporary mother activism that has occurred in the last 15 years and emphasizing the need for that expansion to continue and examines how the changing world of motherhood fits into feminist activism *The Public Lives of Charlotte and Marie Stopes* Stephanie Green,2015-10-06 Charlotte Stopes was the first woman in Scotland to get a university qualification She devoted her life to studying Shakespeare and the promotion of women in public life Though Charlotte is largely forgotten her daughter Marie is well known Green asserts that Marie s success can only be understood in relation to the achievements of her mother **Political Ideology in Britain** Robert Leach,2015-05-01 As well as introducing the mainstream ideologies of Liberalism Conservatism and Socialism this text examines challenges from nationalist feminist and Green thinkers amongst others Now in its third edition it includes a new chapter on anarchism and assesses the continuing disillusionment of Britain with the ideas of the Westminster elite *The Economics of Honor* Roelf Haan,2009-02-05 In *The Economics of Honor* Roelf Haan walks through the Bible from Genesis to Revelation but blazes an unfamiliar trail Through careful exegesis he draws economic lessons from surprising passages and challenges conventional interpretations of some of Jesus s parables Along the way Haan draws on a broad spectrum of thinkers including John Calvin Jacques Ellul Rene Girard John Maynard Keynes a number of Latin American liberation theologians and feminist Germaine Greer Further Haan draws on his own experience of living in Latin America for several years and the book reflects his deep knowledge of Latin American history from early Spanish colonization to the repressive military dictatorships of the late twentieth century Publisher **A Woman's Right to Know** Jesse Olszynko-Gryn,2024-06-11 The history of pregnancy testing and how it transformed from an esoteric laboratory tool to a commonplace of everyday life Pregnancy testing has never been easier Waiting on one side or the other of the bathroom door for a positive or negative result has become a modern ritual and rite of passage Today the ubiquitous home pregnancy test is implicated in personal decisions and public debates about all aspects of reproduction from miscarriage and abortion to the biological clock and IVF Yet only three generations ago women typically waited not minutes but months to find out whether they were pregnant *A Woman s Right to Know* tells for the first time the story of pregnancy testing one of the most significant and least studied technologies of reproduction Focusing on Britain from around 1900 to the present day

Jesse Olszynko Gryn shows how demand shifted from doctors to women and then goes further to explain the remarkable transformation of pregnancy testing from an obscure laboratory service to an easily accessible though fraught tool for every woman. Lastly, the book reflects on resources the past might contain for the present and future of sexual and reproductive health. Solidly researched and compellingly argued, Olszynko Gryn demonstrates that the rise of pregnancy testing has had significant and not always expected impact and has led to changes in the ways in which we conceive of pregnancy itself.

Sex And Destiny The Politics Of Human Fertility Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sex And Destiny The Politics Of Human Fertility has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sex And Destiny The Politics Of Human Fertility has opened up a world of possibilities. Downloading Sex And Destiny The Politics Of Human Fertility provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sex And Destiny The Politics Of Human Fertility has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sex And Destiny The Politics Of Human Fertility. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sex And Destiny The Politics Of Human Fertility. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sex And Destiny The Politics Of Human Fertility, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sex And Destiny The Politics Of Human Fertility has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
