Sex and the Intelligent Women Manfred F. Demartino, 2014-09-01 *Sex and the Intelligent Woman* [By] Manfred F. Demartino. Epilogue by Albert Ellis Manfred F. DeMartino, 1974 **Sex and the Intelligent Woman** Manfred F. DeMartino, 1974 *The Intelligent Woman's Guide to Conservatism: Conservatism and the conservative sex*, 1955 *Are We Having Fun Yet?* Marcia Douglass, Lisa Douglass, 1997-07-17 Offers female readers advice on enhancing their sex lives addressing such subjects as how to enjoy the physical pleasures of sex and how women's bodies respond best to sexual stimulation *The African-American Woman's Guide to Great Sex, Happiness & Martial Bliss* Jel D. Lewis Jones, 2003 The author gives great relationship tips and advice in the more than 30 informative chapters such as Enhance Your Sex Appeal Communicating In Lovemaking Thirteen Secrets To Sizzling Passion and 72 Ways to Love Your Lover *Sex Problems in Women* Anthony John Copper Magian, 1922 *Studies in the Psychology of Sex* v2 Havelock Ellis, 2015-11-07 Sexual inversion as here understood means sexual instinct turned by inborn constitutional abnormality toward persons of the same sex It is thus a narrower term than homosexuality which includes all sexual attractions between persons of the same sex even when seemingly due to the accidental absence of the natural objects of sexual attraction a phenomenon of wide occurrence among all human races and among most of the higher animals It is only during recent years that sexual inversion has been recognized previously it was not distinguished from homosexuality in general and homosexuality was regarded as a national custom as an individual vice or as an unimportant episode in grave forms of insanity 1 We have further to distinguish sexual inversion and all other forms of homosexuality from another kind of inversion which usually remains so far as the sexual impulse itself is concerned heterosexual that is to say normal Inversion of this kind leads a person to feel like a person of the opposite sex and to adopt so far as possible the tastes habits and dress of the opposite sex while the direction of the sexual impulse remains normal This condition I term *sexo esthetic inversion* or *Eonism* The nomenclature of the highly important form of sexual perversion with which we are here concerned is extremely varied and most investigators have been much puzzled in coming to a conclusion as to the best most exact and at the same time most colorless names to apply to it The first in the field in modern times was Ulrichs who as early as 1862 used the appellation *Uranian Uranier* based on the well known myth in Plato's *Banquet* Later he Germanized this term into *Urning* for the male and *Urningin* for the female and referred to the condition itself as *Urningtum* He also invented a number of other related terms on the same basis some of these terms have had a considerable vogue but they are too fanciful and high strung to secure general acceptance If used in other languages than German they certainly should not be used in their Germanized shape and it is scarcely legitimate to use the term *Urning* in English *Uranian* is more correct **Studies in the Psychology of Sex** Havelock Ellis, 2018-09-21
Reproduction of the original *Studies in the Psychology of Sex* by Havelock Ellis *Sex and Shopping: The Confessions of a Nice Jewish Girl* Judith Krantz, 2000-05-11 Dear Reader As I was about to start my eleventh novel I abruptly realized that I

was making a huge mistake On the verge of launching into the imagined world of a twenty eight year old I felt an intense need to tell another story the story of a woman I know through and through a woman with more wealth of experience a woman who's seen more real glamour known more fascinating people lived in a world of more sophistication and arrived at more hard won maturity than that twenty eight year old could hope for in short my own story I've tried to remain as unknowable as possible the better to let my heroines hold the stage but now I was ready to tell the truth about myself with no holding back I've had a different life from that of the majority of women of my generation and background While I seemed like another nice Jewish girl underneath that convenient cover I'd traveled my own inner directed path and had many a spicy and secret adventure I grew up in a complicated tangle of privilege family problems and tormented teenaged sexuality After a riotous education at Wellesley my life was turned upside down by a glorious year in Paris marked by an intense but ill starred romance I spent the next half decade in New York sowing lighthearted wild oats until I finally met my true love to whom I've been married for forty six years When I was fifty I had an utterly unexpected almost unbelievable success as a number one bestselling novelist that has continued for book after book Challenging lucky exciting and often devastatingly askew my life seems to have been lived under a wild and antic star I've had as much amazing fun as my heroines and here's the book to prove it Judith Krantz Food, Sex, Sports & Silence Will Sanz,2025-03-23 ANY WOMAN CAN GET A HIGH VALUE MAN IF SHE CAN DO THESE SEVEN THINGS Will Sanz is a researcher by trade and has worked in R D for 2 fortune 500 companies He has transitioned his skill set into researching Judeo Christian principles human behavior biology and relationships Combine that with 30 years of relationship experience and you get an UNC with the knowledge and know how to turn a single naive young woman into a grown and married young lady Sex and Deviance Guillaume Faye,2014-11-26 Sex and Deviance is at once a raging critique of the values underpinning contemporary Western societies and a down to earth pragmatic vision of the future Guillaume Faye is meticulous in his analysis of the points at which Western societies have deviated from their golden mean thus having triggered the tidal wave of social ills that they are facing and can expect to face Faye identifies at the centre of this vortex the matter of sex and sexuality and with this proffers an answer to the perennial question What is the glue that holds societies together Faye's penetrating assault on the specious thinking of ideologues is certain to rattle the convictions of those from across the spectrum Much more than just a socio political exposition this book is an invitation to shed old ways of thinking and to begin new hard headed discussion over the most pertinent issues of this century **On Account of Sex** Cynthia Harrison,1989-06-08 Examining the political activities of the period between 1920 when women gained the right to vote and the mid 1960s when the women's movement revived Cynthia Harrison illuminates a long neglected but vital chapter of women's history **The Psychology of Sex (Vol. 1-6)** Havelock Ellis,2022-12-10 Havelock Ellis's monumental work The Psychology of Sex spans six volumes offering an exhaustive exploration of sexual behavior identity and societal norms through a blend of psychological analysis and cultural critique

Written in the late 19th and early 20th centuries Ellis's pioneering approach intertwines scientific inquiry with a narrative style that is both accessible and richly detailed. This seminal text not only maps the biological and psychological underpinnings of human sexuality but also delves into broader themes of gender morality and the impact of societal constraints on sexual expression, positioning the work within the burgeoning field of sexology during a time of great socio-political change. Havelock Ellis, a prominent English physician and social reformer, brought a radical lens to topics often shrouded in taboo. His progressive views on sexuality, influenced by the early feminist movement and his collaboration with contemporary thinkers, shed light on the complexities of sexual identity and human behavior. Ellis's combination of clinical observation and humanistic philosophy reflects his commitment to destigmatizing sexual discourse, a mission that deeply informed his writing process. This landmark series is essential reading for anyone interested in the evolution of sexual psychology and the cultural implications of sexual identity. Ellis's insightful analysis resonates with contemporary discussions surrounding sexuality and offers historical context crucial for understanding modern perspectives. Readers will find themselves compelled by Ellis's lucid prose and thorough research, making this work an indispensable addition to both academic and personal libraries.

When this book was first published in 1949 it was to outrage and scandal. Never before had the case for female liberty been so forcefully and successfully argued. De Beauvoir's belief that 'One is not born but rather becomes woman' switched on light bulbs in the heads of a generation of women and began a fight for greater equality and economic independence. Sex, Suffrage and the Stage Leslie Hill, 2018-06-16 Marking the 100-year anniversary of women's suffrage, Leslie Hill provides a fascinating survey of the history of first-wave feminism in British theatre from the London premiere of Ibsen's *A Doll's House* in 1889 through the militant suffrage movement. Hill's approachable overview explores some of the pivotal ways in which theatre makers both engaged with and influenced feminist discourse on topics such as sexual agency, reproductive rights, marriage equality, financial independence, and suffrage.
