Sex And The Perfect Lover:

Sex And The Perfect Lover Mabel Iam, Sexual desire is one of the most powerful forces in our lives When repressed or expressed inappropriately it can create problems but when celebrated in a loving relationship it can take you to new heights of sexual ecstasy and emotional fulfillment Sex and the Perfect Lover is a guide for those who wish to strengthen sexual relationships and discover a source of power pleasure and intimacy like no other The book explores the magic and power of sacred sexuality through philosophies and practices both ancient and modern Love and Sex with Robots Adrian David Cheok, David Levy, 2018-03-03 This book constitutes the refereed proceedings of the Third International Conference on Love and Sex with Robots LSR 2017 held in December 2017 in London UK The 12 revised papers presented together with 2 keynotes were carefully reviewed and selected from a total of 83 submissions One of the biggest challenges of the Love and Sex with Robots conference is to engage a wider scientific community in the discussions of the multifaceted topic which has only recently established itself as an academic research topic within but not limited to the disciplines of artificial intelligence human computer interaction robotics biomedical science and robot ethics etc Sex, Love, and Marriage Maurice A. Fetty, 1998 This book is intended to lead people toward a more mature understanding of the Christian faith with respect to What's Next in Love and Sex Elaine Hatfield, Richard L. Rapson, Jeanette Purvis, 2020-02-25 love marriage and family What s Next in Love and Sex is a comprehensive examination of contemporary academic findings relating to all matters of the mind body and heart Inspired by guestions asked by students the book covers cutting edge topics so new that they are rarely addressed in current sexuality texts providing insight into modern trends such as hookup culture virtual pornography robots apps and online dating as they evolve in this day and age Written by one of the pioneers of love and sex research Elaine Hatfield along with historian Richard Rapson and social psychologist Jeannette Purvis this book uses contemporary scientific findings to provide an updated and relevant explanation for why we do the things we do when we re in love searching for love making love or trying to keep a faltering relationship together Combining rigorous scholarship with an accessible and entertaining style no other book will give college students and academics alike such a developed understanding of contemporary love and sex **Special Love / Special Sex** Robert S. Fogarty, 1994-10-01 Victor Hawley was a thirty year old dental assistant with a passion for collecting butterflies who fell in love with Mary Jones another colony member Because of the community sunique social and sexual practices however the two were kept apart and denied their request to have a child In the eyes of the community their love was unsanctified Instead on the order of colony founder John Humphrey Noyes Jones was subsequently impregnated by Noyes s son Fogarty effectively uses the diary to illuminate with particular clarity the largely ignored darker side of the community Thus this rare chronicle opens for radical reinterpretation the Oneida Community's plan on procreation and the central role that sexual domination played in its history Hawley's intense struggle to reconcile individual and community needs and desires illustrates a fundamental tension that

characterized the community in the years immediately preceding its dissolution In 1877 after twenty three years at Oneida Victor Hawley left the community with Mary Jones after he nursed her through an agonizing pregnancy that ended in stillbirth They married had five children and lived on their own outside the embrace of Eden From numerous entries in Hawley's secret diary which were written in an arcane shorthand Robert S Fogarty successfully extracts some astonishing personal details which include descriptions of areas of community life never before revealed on such matters as religious commitment and experiments in eugenics Special Love Special Sex will be specifically of interest to scholars in utopian and communitarian studies and to social historians Love and Sex in D. H. Lawrence David Ellis, 2016-02-11 Although love and sex are central to Lawrence critics have paid surprisingly little attention to the way these two topics are treated in his work Reasons for this are suggested in the preface to this book which is written in the spirit of Wittgenstein's claim that when we are puzzled or challenged by a phenomenon we should be less concerned with seeking new knowledge than putting into order what we already know Yet those concerned by the present dip in Lawrence's reputation among academics if not the general public have to be worried by how strange and unexpected the results are when Lawrence's dealings with love and sex are followed throughout his life and career This is what this book undertakes to do describing how the tortuous developments in his relationship with Jessie Chambers are reflected in his writing his struggle against his undoubted leanings towards homosexuality the war he declared on the concept of romantic love and how after insisting on the idea of male dominance he returned although only in part to a more humane vision of relations between the sexes in the various versions of Lady Chatterley's Lover Its aim is to suggest that although Lawrence is undoubtedly a major writer his greatest achievements are not to be found where he is popularly assumed to be at his most impressive and that the authority he assumes in his last years when he lectures the young on love and sex ought to be regarded as dubious Says about Love Marriage & Sex David Jeremiah, 2025-05-01 With roughly a third of all marriages ending in divorce there s never been a better time for this refresher course in the true meaning of a successful union As New York Times bestselling author Dr David Jeremiah reminds us it s a biblical truth Sex and passionate romantic love are God s ideas Nothing rivals the beauty of the writing in the Song of Solomon and nothing rivals the wisdom of Solomon on matters of love romance marriage and sexual intimacy Dr Jeremiah s thoughtful interpretation of Solomon and Shulamith s relationship provides all of us whether married or single with valuable lessons for a better happier more fulfilling life and a long loving marriage

Sex-Love, and Its Place in a Free Society Edward Carpenter,2019-12-02 In Sex Love and Its Place in a Free Society Edward Carpenter presents a pioneering exploration of the relationship between sexuality love and societal constructs Through a blend of lyrical prose and progressive social commentary Carpenter challenges the prevailing Victorian norms surrounding sexuality advocating for a more liberated understanding of eroticism and affection He weaves together personal narrative historical analysis and philosophical insight positioning love as an essential element in transcending societal
