Sex Camp:

"Sex Camp" Brian McNaught, 2005-01-14 Thirty two strangers arrive at a Church owned retreat facility on Saturday to work with some of the best trainers in the field of sexuality They re told that by the end of the week they ll know more about sex than ninety percent of the population What they go home with on the following Saturday is a lot more than they anticipated or were promised Besides laughing crying swearing and cheering through films and intimate discussions about sexual values body image self pleasuring gender identity sexual orientation seduction abuse theology and turn ons they faced off with each other around an altar in the woods under blankets and star filled skies bare assed in the water and with hands joined singing in a circle Most everyone goes home forever changed That is if they make it through the week The Annual Workshop on Sexuality at Thornfield was called the world s best kept secret Now you re in on it *The Concentration Camp Brothel* Robert Sommer, 2005-05-06 Discover the chilling untold story of sexual forced labor in Nazi concentration camps In his seminal work *The Concentration Camp Brothel* Robert Sommer reveals the hidden horrors of sexual forced labor within the SS camp system a subject long overshadowed and seldom acknowledged in the discourse on the Holocaust Through his rigorous examination of over seventy archives and poignant interviews with more than thirty survivors including former visitors of camp brothels Sommer paints a vivid and harrowing picture of the atrocities committed This book is the first to offer a comprehensive exploration of the establishment operation and profound impact of brothels in Nazi concentration camps Sommer s research meticulously details the brothels integration into the concentration camp system their role in the Nazi exploitation of bodies for control and profit and the complex reactions of the prisoner society to these establishments He explores the desperate survival strategies employed by the women forced into sexual labor and the chilling motivations of their exploiters The book also places the tragedy of camp brothels in the broader context of sexual violence under Nazi rule making a critical connection between these acts of exploitation and the overall history of the Holocaust This updated English edition incorporates new findings and perspectives since the original German publication in 2009 providing a more comprehensive understanding of the subject The foreword by Annette F Timm adds further context and contemporary analysis enhancing the book s relevance and depth **Controlling Sex in Captivity** Matthias Reiss, 2018-06-14 *Controlling Sex in Captivity* is the first book to examine the nature extent and impact of the sexual activities of Axis prisoners of war in the United States during the Second World War Historians have so far interpreted the interactions between captors and captives in America as the beginning of the post war friendship between the United States Germany and Italy Matthias Reiss argues that this paradigm is too simplistic Widespread fraternisation also led to sexual relationships which created significant negative publicity and some Axis POWs got caught up in the U S Army s new campaign against homosexuals By focusing on the fight against fraternisation and same sex activities this study treads new ground It stresses that contact between captors and captives was often loaded with conflict and influenced by perceptions of gender and race It highlights

the transnational impact of fraternisation and argues that the prisoners sojourn in the United States also influenced American society by fuelling a growing concern about social disintegration and sexual deviancy which eventually triggered a conservative backlash after the war

The Farm & Wilderness Summer Camps Emily K. Abel, Margaret K. Nelson, 2023-12-15 The Farm Wilderness Summer Camps explores how ideals considered progressive in the 1940s and 1950s had to be reconfigured to respond to shifts in culture and society as well as to new understanding of race and ethnicity social class gender and sexual identity through a study of the popular Farm Wilderness camps To illustrate this change Emily Abel and Margaret K Nelson draw on over forty interviews with former campers archival materials and their own memories This book tells a story of progressive ideals crisis of leadership childhood challenges and social adaptation in the quintessential American summer camp

Politicization of Sexual Violence Carol Harrington, 2016-04-22 In the 1990s feminist scholars on the politics of rape experienced a sudden surge of interest in their until then marginal field Why was the 1990s the right time for rape to become an international security problem Furthermore why suddenly in the 1990s did rape become problematized as an international issue not just by the feminist fringes of protest movements but also by

intergovernmental bureaucracies To explore these questions Carol Harrington traces the historical change in the politicization of rape as an international problem and explains how early international women s organizations gained expert authority on rape by drawing on abolitionist rhetoric of bodily integrity She discusses why they abandoned their politicization of rape in the inter war period and why rape only reappeared as an international security question requiring gender expertise on trauma after the Cold War
