

THE ONE AND THE FUNCTION OF SEX ACCORDING TO
PSYCHOANALYSIS

ABSTRACT. Based on the constitutive ambiguity of the One that Lacan promotes from logic and mathematics in the seminars *O saber do psicanalista e ...ou pior*, between 1971 and 1972, the article seeks to support the theory of sexualization developed in that period and clarify that such conceptualization resumes the Freudian subversion of the drive polymorphism. If the drive does not have any instinctual determination as to its object, it appears that this same misunderstanding is revealed as the impossibility of proportion and sexual relationship [*rapport sexuel*] for the speaking being, who grammatically positions themselves in the structure of language from this impasse. Thus, the bifidity of the One, between set and element, sameness and difference, particularity and universality, ex-sistence and relativity, real and symbolic, rewrites the (sexual) difference according to psychoanalysis. Sex, therefore, is the very absence of any reference other than the constitutive opacity of the signifier, it is the fundamental evasion of the being from the truth.

Keywords: Sexuality; psychoanalysis; significant.

O UM E A FUNÇÃO DO SEXO SEGUNDO A PSICANÁLISE

RESUMO. Segundo a ambigüidade constitutiva do Um que Lacan promove a partir da lógica e da matemática nos seminários *O saber do psicanalista e ... ou pior*, entre 1971 e 1972, o artigo busca fundamentar a teoria da sexualização desenvolvida nesse período e esclarecer que tal conceituação retoma a subversão freudiana do polimorfismo pulsional. Se a pulsão não tem qualquer determinação instintual quanto a seu objeto, constata-se que esse mesmo equívoco se deslinda como impossibilidade de proporção e relação sexual [*rapport sexuel*] para o ser falante, que se posiciona gramaticalmente na estrutura da linguagem a partir desse impasse. Nesse sentido, a bifididade do Um, entre conjunto e elemento, mesmidade e diferença, particularidade e universalidade, ex-sistência e relatividade, real e simbólico, reescreve a diferença (sexual) conforme a psicanálise. O sexo, portanto, é a própria ausência de qualquer referência que não seja a opacidade de princípio do significante, é a evasão fundamental do ser à verdade.

Palavras-chave: Sexualidade; psicanálise; significante.

EL UNO Y LA FUNCIÓN DEL SEXO SEGÚN EL PSICOANÁLISIS

RESUMEN. Basado en la ambigüedad constitutiva del Uno que Lacan promueve desde la lógica y de la matemática en los seminarios *O saber do psicanalista e ...ou pior*, entre 1971

Sex In Psychoanalysis

***Sigmund Freud**

Sex In Psychoanalysis:

Sex in Christianity and Psychoanalysis William Graham Cole, 2015-11-06 Originally published in 1956 this survey of the interpretations of sex by the major figures in Christian thought and in psychoanalysis made an important contribution to the re thinking of our sexual morality at the time The author refutes the common belief that the negative attitude toward sex and the body which had been predominant in western civilization originated with Christianity He shows that such a viewpoint was widespread in the early Hellenism Age nearly three centuries before Christ He emphasizes the essentially positive view which Biblical religion demands and shows how Christianity's attitude early became corrupted by the dualism of the Orient He points to the need for a return to essential naturalism and the Biblical interpretation of sex The first part of the book consists of a historical treatment in the Christian tradition touching upon the teaching of Jesus Paul Augustine Aquinas Luther Calvin and others He analyses the classical and contemporary attitudes and ideas in both Catholic and Protestant circles and shows how Christian understanding comes into conflict with psychoanalysis In the later portions of the book the author discusses sex and psychoanalysis and the major problems in sexual mores He ends with a synthesis of the religious and psychoanalytic points of view and a critical reconstruction of a Christian interpretation *Sex in Psycho-analysis* Sándor Ferenczi, Ernest Jones, 1916 *Sex in Psychoanalysis* Sándor Ferenczi, 1950 *Freud on the Acropolis* Susan Sugarman, 1958-01 This book analyzes a unique mental event the paradoxical surprise that people often feel when they come upon something that they have felt sure existed but are seeing for the first time Noted first by Sigmund Freud this common but odd thought proves remarkably resistant to trivial explanation marks instead a distinct type of experience Similarly in everyday life we often feel compelled to verify firsthand the scene of a recent event even though we never doubted its occurrence Susan Sugarman probes this experience its relation to other everyday sensibilities such as the pleasure of reencountering the familiar people's fascination with authenticity Although the experience manifests itself in a seeming lapse in logic remains obscure in a way that one might that Freud did associate with pathological formations it is neither illogical nor pathological On the contrary it observes a moment of mental health personal integration On the contrary it observes a moment of mental health personal integration *Twelve Essays on Sex and Psychoanalysis* Wilhelm Stekel, 1922 *Three Contributions to the Theory of Sex* Sigmund Freud, 2007-09-01 The somewhat famous Three Essays which Dr Brill is here bringing to the attention of an English reading public occupy brief as they are an important position among the achievements of their author a great investigator and pioneer in an important line It is not claimed that the facts here gathered are altogether new The subject of the sexual instinct and its aberrations has long been before the scientific world and the names of many effective toilers in this vast field are known to every student When one passes beyond the strict domains of science and considers what is reported of the sexual life in folkways and art lore and the history of primitive culture and in romance the sources of information are immense Freud has made considerable additions to this stock of knowledge but he has done

also something of far greater consequence than this He has worked out with incredible penetration the part which this instinct plays in every phase of human life and in the development of human character and has been able to establish on a firm footing the remarkable thesis that psychoneurotic illnesses never occur with a perfectly normal sexual life Other sorts of emotions contribute to the result but some aberration of the sexual life is always present as the cause of especially insistent emotions and repressions **Three Contributions to the Theory of Sex** Sigmund Freud, Abraham Arden Brill, 1920

Sex in Psychoanalysis S. Ferenczi, Ernest Jones, 2014-03 This Is A New Release Of The Original 1916 Edition *Sex in Psycho-Analysis* Ferenczi Sandor 1873-1933, HardPress, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Sex in Psycho-Analysis* Sandor Ferenczi, 2015-02-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Sex for Structuralists** Shanna de la Torre, 2018-08-03 This book argues that structuralism makes itself useful when it engages with the non Oedipal logics of femininity and psychosis Building from the psychoanalytic belief that norms repress unconscious desire while structures open onto the creative resources of the symbolic *Sex for Structuralists* looks to key texts in myth trauma and unconscious fantasy by Sigmund Freud Jacques Lacan and Claude Lévi Strauss It also examines innovative writings by contemporary Lacanian thinkers in order to discover what becomes of structuralism when the ground upon which it ostensibly stands namely that of the zero symbol or the incest prohibition drops out from under it **Sex and Nothing** Alejandro Cerda-Rueda, 2018-05-08 From its etymological roots sex is related to a scission Latin for sectus secare meaning to divide or cut Therefore regardless of the various studies applied to defining sex as inscribed by discursive acts i e merely a performatively enacted signification there is something more to sex than just a social construction or an aprioristic substance Sex is irreducible to meaning or knowledge This is why psychoanalysis cannot be formulated as an erotology nor a science of sex scientia sexualis In this

matter sex escapes the symbolic restraints of language however it is through its failure that it manifests itself through the symbolic e g symptoms or dream life So what is sex Sex and Nothing embarks upon a dialogue between colleagues and friends interested in bridging psychoanalysis and philosophy linking sex and thought where what emerges is a greater awareness of the irreducibility of sex to the discourse of knowledge and meaning in other words sex and nothing *Sex in Psycho-analysis* Sándor Ferenczi,1922 **Sex in Psycho-Analysis: Contributions to Psychoanalysis** Sandor Ferenczi,2019-03-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Enigma of Desire* Galit Atlas,2015-10-16 *The Enigma of Desire* Sex Longing and Belonging in Psychoanalysis introduces new perspectives on desire and longing in and outside of the analytic relationship This exciting volume explores the known and unknown ghosts and demons sexuality and lust Galit Atlas discusses the subjects of sex and desire and explores what she terms the Enigmatic and the Pragmatic aspects of sexuality longing female desire sexual inhibition pregnancy parenthood and creativity The author focuses on the levels of communication that take place in the most intimate settings between mothers and their babies between lovers in the unconscious bond of two people in the consulting room where two individuals sit alone in one room looking and listening breathing and dreaming Atlas examines the ways in which different languages translations and integrations focus on birth death sexuality and human bonds In *The Enigma of Desire* each chapter opens with a narrative a therapeutic story which illustrates both the analyst s and patient s desires and the ways these interact and emerge in the consulting room This book will be of interest to anyone who is interested in the intricacies of sex and desire and of great appeal to psychoanalysts therapists and mental health professionals **Sex in Psycho-analysis (contributions to Psychoanalysis)** Sandor Ferenczi,Ernest Jones,Caroline Newton,1956 **Three Essays on the Theory of Sexuality** Sigmund Freud,James Strachey,2011-06 2011 Reprint of 1949 Edition Full facsimile of the original edition not reproduced with Optical Recognition Software *Three Essays on the Theory of Sexuality* was originally published by Freud in 1905 and reedited by him over the course of his life The edition reprinted is the 1949 London Edition translated by James Strachey In this work Freud advanced his theory of sexuality in particular its relation to childhood The three essays are The

Sexual Aberrations Infantile Sexuality and The Transformation of Puberty In its final version the Three Essays also included the concepts of penis envy castration anxiety and the Oedipus complex Sex on the Couch Richard Boothby,2014-05-01 At just the moment when many people are ready to throw Freud on to the ash heap of intellectual history Sex on the Couch rescues from Freud's theories a fascinating series of reflections on the nature of sexuality and gender Richard Boothby presents here a fresh and engaging view of Freud Sex on the Couch offers new insights into our concepts of masculinity and femininity placing them in relation to Freud's theory of the Life and Death drives Richard Boothby also engages feminist critiques of Freud putting forward new and specific responses to questions that have shaped contemporary understanding of feminism and psychoanalysis Boothby's Freud far from being passé is in possession of insights that enrich our understanding of modernity and its distinctive character In a refreshingly readable style Richard Boothby writes here not only for the scholarly reader but for the student and lay reader curious about Freud's theories and their use in contemporary world

Sex and Religion Lou Andreas-Salomé,2015-11-30 As a psychoanalyst and author Lou Andreas Salomé traverses the mystery of sexuality in much of her work This book comprised of two texts originally written for adolescents uniquely explores sexual education and the collision of sexuality and religion across the lifespan The first piece Three Letters to a Young Boy 1917 is a psychoanalytic fairy tale The letters offer an interesting version of the evolution of sexual knowledge from childhood through adolescence The second piece The Devil His Grandmother 1922 merges sexuality with religion encapsulating three ages of woman child to a lost soul and the Devil's bride to the Devil's Grandmother Written in charmingly convoluted dialogue this work has a cinematic fanciful feel Both pieces dispense with academic formality and point to a relaxed new phase in Salomé's writing life Interestingly this tone can also be detected in her blossoming correspondence with Sigmund Freud which contrasts starkly with her somber letters to Rainer Maria Rilke It is with the spirit of free thinking demonstrated in these two selections perhaps informed by Salomé's experimentation with free association that the reader is transported to a new theatre of Salomé's imagination Three Contributions to the Theory of Sex *Sigmund Freud,2017-01-29 Freud's book covered three main areas sexual perversions childhood sexuality and puberty Freud began his first essay on The Sexual Aberrations by distinguishing between the sexual object and the sexual aim noting that deviations from the norm could occur with respect to both The sexual object is therein defined as a desired object and the sexual aim as what acts are desired with said object Discussing the choice of children and animals as sex objects pedophilia and bestiality he notes that most people would prefer to limit these perversions to the insane on aesthetic grounds but that they exist in normal people also He also explores deviations of sexual aims as in the tendency to linger over preparatory sexual aspects such as looking and touching His second essay on Infantile Sexuality argues that children have sexual urges from which adult sexuality only gradually emerges via psychosexual development Looking at children Freud identified many forms of infantile sexual emotions including thumb sucking autoeroticism and sibling rivalry In his third

essay The Transformations of Puberty Freud formalised the distinction between the fore pleasures of infantile sexuality and the end pleasure of sexual intercourse He also demonstrated how the adolescent years consolidate sexual identity under the dominance of the genitals Summary Freud sought to link to his theory of the unconscious put forward in The Interpretation of Dreams 1899 and his work on hysteria by positing sexuality as the driving force of both neuroses through repression and perversion In its final version the Three Essays also included the concepts of penis envy castration anxiety and the Oedipus complex

Unveiling the Magic of Words: A Overview of "**Sex In Psychoanalysis**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Sex In Psychoanalysis Introduction

In today's digital age, the availability of Sex In Psychoanalysis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sex In Psychoanalysis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sex In Psychoanalysis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sex In Psychoanalysis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sex In Psychoanalysis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sex In Psychoanalysis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sex In Psychoanalysis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sex In Psychoanalysis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sex In Psychoanalysis books and manuals for download and embark on your journey of knowledge?

FAQs About Sex In Psychoanalysis Books

What is a Sex In Psychoanalysis PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sex In Psychoanalysis PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sex In Psychoanalysis PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sex In Psychoanalysis PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sex In Psychoanalysis PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing

features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
