The Boundaries of Her Body Debra Rowland Esq, 2007-03-01 Whatever your political beliefs if you are a woman you must know what the law says about you The Boundaries of Her Body is the definitive history of the cycle of advances and setbacks that characterizes women's rights in America Author Debra Rowland covers emotionally charged issues with thoughtful detail offering insight into the strategies used by politicians and lobbyists to defeat long standing law The defeat for women's rights is an emotional and often polarized debate A debate over what a woman is What a woman ought to be And what a woman should therefore be allowed to do Today the future of women's rights is in jeopardy If I had to guess at the future for women I would say we stand to lose many more significant battles and the rights that go with them if we don't begin to abandon the niceties of a comfortable life with educated opinions and start waging the kind of aggressive no holds barred guerrilla war that our opponents have been riding to victory from the Epilogue to The Boundaries of Her Body Rowland combines provocative arguments with exhaustive research and affirms that in spite of advancements the boundaries
