Down and Dirty Pictures Peter Biskind, 2013-01-08 In this dishy superbly reported Entertainment Weekly New York Times bestseller Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood most notably Sundance founder Robert Redford and Harvey Weinstein who with his brother Bob made Miramax Films an indie powerhouse As he did in his acclaimed *Easy Riders Raging Bulls* Peter Biskind takes on the movie industry of the 1990s and again gets the story The New York Times Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein often described as the last mogul who created an Oscar factory that became the envy of the studios while leaving a trail of carnage in his wake He follows Sundance as it grew from a regional film festival to the premier showcase of independent film succeeding almost despite the mercurial Redford whose visionary plans were nearly thwarted by his own quixotic personality Likewise the directors who emerged from the independent movement such as Quentin Tarantino Steven Soderbergh and David O Russell are now among the best known directors in Hollywood Not to mention the actors who emerged with them like Matt Damon Ben Affleck Ethan Hawke and Uma Thurman Candid controversial and sensationally entertaining Los Angeles Times Down and Dirty Pictures is a must read for anyone interested in the film world

**Movie Freak** Owen Gleiberman, 2016-02-23 Entertainment Weekly's controversial critic of more than two decades looks back at a life told through the films he loved and loathed Owen Gleiberman has spent his life watching movies first at the drive in where his parents took him to see wildly inappropriate adult fare like Rosemary's Baby when he was a wide eyed 9 year old then as a possessed cinemaniac who became a film critic right out of college In Movie Freak his enthrallingly candid funny and eye opening memoir Gleiberman captures what it's like to live life through the movies existing in thrall to a virtual reality that becomes over time more real than reality itself Gleiberman paints a bittersweet portrait of his complicated and ultimately doomed friendship with Pauline Kael the legendary New Yorker film critic who was his mentor and muse He also offers an unprecedented inside look at what the experience of being a critic is really all about detailing his stint at The Boston Phoenix and then starting in 1990 at EW where he becomes a voice of obsession battling to a fault to cling to his independence Gleiberman explores the movies that shaped him from the films that first made him want to be a critic Nashville and Carrie to what he hails as the sublime dark trilogy of the 1980s Blue Velvet Sid and Nancy and Manhunter to the scruffy humanity of Dazed and Confused to the brilliant madness of Natural Born Killers to the transcendence of Breaking the Waves to the pop rapture of Moulin Rouge He explores his partnership with Lisa Schwarzbaum and his friendships and encounters with such figures as Oliver Stone Russell Crowe Richard Linklater and Ben Affleck He also writes with confessional intimacy about his romantic relationships and how they echoed the behavior of his bullying philandering father And he talks about what film criticism is becoming in the digital age a cacophony of voices threatened by an insidious new kind of groupthink Ultimately Movie Freak is about the primal pleasure of film and the enigmatic dynamic between critic and screen For Gleiberman the moving image has a talismanic power but it also represents a kind of sweet sickness a magnificent obsession that both consumes and propels him AUGN, 1995-04 Steven Soderbergh Anthony Kaufman, 2015-05-01 The long and prolific career of Steven Soderbergh b 1963 defies easy categorization From his breakout beginnings in 1989 with sex lies and videotape to 2013 when he retired from big screen studio movie making to focus on other pursuits including television the director's output resembles nothing less than an elaborate experiment Soderbergh's Hollywood vehicles such as the Ocean's Eleven movies Contagion and Magic Mike appear just as risky and outside the box as low budget exercises such as Schizopolis Bubble and The Girlfriend Experience This updated edition details key career moments his creative crisis surrounding his fourth film The Underneath his rejuvenation with the ultra low budget free style Schizopolis the mainstream achievements Erin Brockovich Traffic and the Ocean's Eleven films and his continuing dedication to pushing his craft forward with films as diverse as conspiracy thrillers sexy dramas and biopics on Che Guevara and Liberace Spanning twenty five years these conversations reveal Soderbergh to be as self effacing and lighthearted in his later more established years as he was when just beginning to make movies He comes across as a man undaunted by the glitz and power of Hollywood remaining above all a truly independent filmmaker unafraid to get his hands dirty and pick up the camera himself *Boy*

Toy Barry Lyga,2009 In his follow up to The Astonishing Adventures of Fanboy and Goth Girl Lyga delivers a disturbing ripped from the headlines novel about a seventh grade boy who has a very adult relationship with his female teacher

**Bodies Under Siege** Sian Norris,2023-06-06 An expos of how far right extremists across Europe use attacks on abortion to introduce broader fascist politics and their connections to the American far right from a leading investigative journalist Think today s anti abortion ideas are rooted in religious prohibitions or arguments about where life begins Wrong today s anti abortion movement is largely financed and planned by far right extremists Many of them are avowedly fascist and white supremacist afraid of a great replacement of the world s white population by other races who are working hard to reshape governments and policies across Europe North America and around the world Much of this far right organizing and funding network however has been overlooked by today s feminist and left movements As investigative journalist Sian Norris uncovers here it is through attacking abortion rights that fascist ideas from the dark web incel chat boards and fringe organizations comes to enter mainstream debate and to then shape governmental policy across Europe from authoritarian regimes like Hungary s to liberal democracies like Britain As Norris goes undercover at anti abortion activist meetings and pieces together the money trail linking American think tanks to far right fascist groups she maps out the pipeline by which fascism has become respectable across the Global North by taking away women s reproductive rights and autonomy
