Sex And Sacredness:

Sacred Sexuality Georg Feuerstein, 2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world s religious and mystery traditions Explores contemporary sexual stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture s recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs *Sex and Sacredness* Christopher Derrick, 1982 **Sexuality and the Sacred** James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully An Introduction to Tantra and Sacred Sexuality Michael Mirdad, 2011-05-01 Sex still sells But why Because it s a subject that is repressed ignored abused and even un used all by a race of people who are trying to understand their sexuality and how to use this most sacred encounter as a means of deepening intimacy and connection In fact a lack of healthy sexual knowledge and expression may very well be the primary issue behind failed relationships A new book by world renowned spiritual teacher healer and author Michael Mirdad *An Introduction to Tantra and Sacred Sexuality* reassures readers that despite the rising number of relationship breakups and increase in issues around intimacy there are ways to solve these dilemmas and return sexuality to its rightful place as a means of expressing love A growing number of people are seeking a solution to their intimacy issues and have turned to books and seminars on relationships only to find them lacking a thorough comprehension and or coverage of the topic of intimacy Some counselors and teachers even treat intimacy as a taboo subject as if to fear treading on cursed grounds Nevertheless the public is refusing to be turned away They want to know more about how to capture or re capture intimacy passion and a greater sense of sacredness in their sexual experience This new book which blends several ancient and modern concepts of sacred sexuality covers these topics like no other Even the most respected teachers of Tantra Taoist Sexuality and modern Sex Therapy are praising this book as one of the most profound and

important books on the subject **The Sacredness of Sex** Edwin Louis Cole,1988-01-01 **Sacred Sex** Tony Evans,2012-04-20 Morality Relativity Right and Wrong The issues we face are complicated and everyone has an opinion But who has the answer when it comes to sexual issues Sex dominates our popular culture to a degree we ve never seen before and unrestricted sex is being touted as a shortcut to personal fulfillment and satisfaction but it s a counterfeited and cheapened imitation of the real thing Respected pastor Tony Evans refuses to let the voice of God be drowned out amidst the clamor of the crowd Discover what God says in His word regarding why your sexuality is important and why sexual immorality is devastating Discover how to maintain purity and enjoy true intimacy in marriage the real fulfillment and satisfaction that God intended **How to Explore the Sacredness of Sex with Tantra** Dr Shivoam,2020-12-16 How to Explore the Sacredness of Sex with Tantra A Book to Learn the Art of Sacred Sexuality for People of 21st Century reveals how humans can explore the sacred tantric practices in their modern lives The book allows converting ordinary sex into lovemaking fulfillment bliss and ecstasy It allows tapping energy and using it as a fuel for evolution by honoring pleasure as a divine gift Explorative techniques related to sexuality mysticism breath touch and mindfulness are discussed It converses the ways to reach an ecstatic state of cosmic love Sacred sex is illustrated to remove dependencies on sex love relationships and emotions It allows connecting at a deeper level within The transformational approach by which sacred energy is moved from one level to another is revealed The book will let you reach a state of ultimate pleasure love and contentment that you would have never experienced It will expand your inner horizon It will make you discover the euphoric love hidden inside the human body **Sacred Sexuality** A. T. Mann,1995 **Sexual Ethics in a Secular Age** Eric J. Silverman,2021-03-31 This collection features essays from top experts in ethics and philosophy of love that offer varying perspectives on the value of a contemporary secular virtue of chastity The virtue of chastity has traditionally been portrayed as an excellent personal disposition concerning the ideal ordering of sexual desire such that the person desires that which is actually good for both the self and others affected by his or her sexual desires and actions Yet for roughly the past half century chastity has been increasingly portrayed as an unnecessary ideal with few secular benefits that could not be otherwise obtained Instead chastity is sometimes portrayed as an odd kind of religious asceticism with few secular benefits The essays in this volume ask whether there may be advantages to reconsidering a contemporary virtue of chastity A recovered and reconceptualized concept of chastity can offer partial solutions to problems associated with externalized sexual desire including sweeping patterns of sexual harassment the high divorce relationship failure rate and widespread pornography use Sexual Ethics in a Secular Age will appeal to researchers and advanced students interested in the philosophy of sex and love virtue ethics and philosophical accounts of secularity **The Sacredness of Sex** Edwin Louis Cole,2019-07 In this day and age when sex has been degraded to adult humor and virginity is regarded by some as cheap merchandise This book teaches why sex is sacred to God and virginity is glory to His Kingdom The power of this revelation is gripping the hearts of men and women and rising
